EUREKA

Spring Water

FROM

EUREKA SPRING,

Graham, N. C.

A valuable mineral spring

has been discovered by W. H. Ausley on his place in Graham.

It was noticed that it brought

health to the users of the wate

and upon being analyzed it was

found to be a water strong in

mineral properties and good for stomach and blood troubles.

Physicians who have seen the

analysis and what it does,

W. H. AUSLEY.

SHEEP PROFITABLE ON FARM More Can Well Be Maintained in Addition to Live Stock That Are Already Kept Thereon.

(By W. F. BAIRD.) While it is not my purpose to try to induce stockmen to abandon cattle Asks That Carrier Be Guaranteen Compensation on Basis of Average and pork production and engage ex-Operating income for the Last clusively in sheep raising, I do claim that from ten to one hundred more sheep could be profitably maintained on a very large portion of our farms Washington.-Legislation to regu-

with general approval among demo

in addition to the live stock that are In addition to the live stock that are already kept thereon. For a period of 23 years I have been engaged in gen-eral farming and stockraising where I now reside. I have been raising horses, cattle and hogs during this en-tire period, and for the last 16 years I have been form 100 to 100 heading ed labor probably will be handled i the same way, Mr. McAdoo reserving

Some increases, both to the broth erhoods and to other railway labor, are generally considered certain. The rhoods and to other railway director general in a statement prom used every employee "that his rights and interests will be justly dealt with," and appealed for a hearty Efforts to speed the movement of

coal and other freight continued along with the legislative and labor phases of the railway movement and special orders were issued providing that 500 additional cars shall be furnished daily to a certain specified bituminous and anthracite mines, mainly in Pennsylvania, for supplying New England.

These problems forced Mr. Mc Adoo to postpone action on eastern passenger traffic officials' recommen dations for curtailment of passenger schedules but he is expected to issue orders then for abandonment of number of trains and elimination of parlor and sleeping cars to a great

extent. Mr. Meadoo explained today that although no general provisions can be made under the law for exempting railroad employes from the draft, he will not hesitate to appeal to local exemption boards to defer the calling of these workers if the boards of their own violition do not display a ten dency to regard the railroads as an essential industry from which (em-ployees should not be taken for mili-

tary service. When the president concluded, the administration bill was introduced in the senate by Senator Smith, of South Carolina, ranking Democratic mem

COUNTESS VON BERNSTORFF

This is Mrs. Marguerite Vivia Burton Thomason of Burlington, N. J., who was married recently to Count who was married recently to count Christian von Bernstorff, son of the former German ambassador to the United States. The countess is about thirty-five years old and already has divorced two husbands. The count is

only twenty-six years of age.
