Buy Your Coal Now.

I have several cars good domestic lump coal on the road now. If you will place your orders now for your requirements for the winter so that I can move this coal when it arrives, I will not have to cancel any orders I have placed, with the mines. My opinion is, if we don't take this coal now, we will not have the chance later. I have put forth every effort to secure this coal for you, and if you will co-operate with me by placing your orders at once, I think I can serve you to our mutual advantage.

Thanking you for any and all business you may give me. T. C. MOON.

Two Gastonia youths wanted to get the kaiser. They took \$30 from the cash drawer of a merchant and bought rifles and other equipment. Their parents made good the money and they were let go on account of their youth.

TO THE CITIZENS OF ALAMANCE COUNTY.

I am taking this method of expressing my gratitude and sincere thanks to you for the great honor you have conferred upon me and for the confidence you have placed in me by calling me to serve you as Clerk of the Superior Court of our county in the past.

If it shall be your wish and desire that I serve you again, come to the Democratic convention in Graham, Saturday, August 3rd, and say whom you will have.

Whatever may be your decision I will cheerfully and loyally abide by the same.

Very sincerely, J. D. KERNODLE.

County Organization of American Red Cross.

At the call of Dr. Gay E. Snaveley, Director of the Bureau of Development, Southern Division American Red Cross, representatives of the American Red Cross Chapters of Burlington, Graham and Mebane, together with the branches of these several Chapters, met at the Court House in Graham, on July 29th, and perfected a County Organization of the Red Cross for Alamance County.

Mr. J. G. Lane, of the Atlanta office of the American Red Cross, who is Field Secretary, was present at this meeting and made an inspiring talk on the work of the Red Cross, and explained at length the purpose and detail of the County Organization. The great work which the Red Cross is called upon to do on account of the war made it necessary to decentralize the National Organization into fourteen great Divisions.

All Chapters in a given Division have to report to and make orders from the Division Headquarters. The County Organization, and greatly reduce the number of Chapters with which Division Headquarters have to keep in touch.

The County Organization is, in effect, a Red Cross Division, and is composed of a Board of Directors elected by the several Chapters, on the basis of one director for each 100 members of the Chapter. This Board of Directors elects an Executive Committee and officers for the County Organization, and the County Organization has its several committees which correspond to the Chapter Organizations.

The Alamance Chapter organized and elected Mr. E. S. Parker, Jr. of Graham, Chairman; Mr. W. E. Sharpe, of Burlington, vice-Chairman; Mr. J. S. White, of Mebane, Secretary; Mr. Jas. P. Montgomery of Burlington, Treasurer; Mrs. Lawrence S. Holt, Jr., of Burlington, Director of Woman's Work. These officers, together with the Chairmen of the various Committees of the County Organization, constitute the Executive Committee. The Executive Committee will meet once a month for the transaction of business, and the Board of Directors meet annually on the 4th Wednesday of October, for the election of officers. There may be called meetings from time to time as may be deemed necessary.

The several Chapters of this county retain their organization just as heretofore, but instead of reporting direct to the Atlanta office, report to the County Organization. All matters of a county-wide nature will be attended to by the Executive Committee of the County Organization. The combined membership of the Graham, Burlington and Mebane Chapters is more than 3,000. These Chapters stand in the front ranks in all activities of the American Red Cross in the Southern Division. Their co-operation on a county basis, with this large membership, and the great work that has already been done, means that the work will go forward with even better results in the future.

By order of Director McAdoo, unification of the Southern railway, Norfolk & Western and South Bound depots and yards in Winston-Salem will become effective August 1.
