ATTORNEY GENERAL GREGORY RESIGNS

ANOTHER MEMBER OF WILSON'S OFFICIAL FAMILY FINDS JOB IS TOO POORLY PAID.

HIS RETIREMENT NOT HASTY

Successor Will Probably Be F. L. Polk, Acting Secretary of State or Senator Jas. H. Lewis of Illinois.

Washington.—Thomas Wait Gregory, attorney general of the United States since 1914, has resigned because of "pecuniary responsibilities" and will return to the practice of law. President Wilson has agreed to his retirement next March 4.

Mr. Gregory's letter of resignation dated January 9, and the President's reply, cabled from Paris the next day, were made public at the White House. The attorney general's letter disclosed that he had long considered retiring from office and had discussed the matter with the President before Mr. Wilson went abroad.

Mr. Gregory's successor has not been appointed, and there has been no official intimation as to who he will be. In speculation the name of Frank L. Polk, counselor of the state department and acting secretary while Mr. Lansing is in Europe, and Senator James Hamilton Lewis, of Illinois, were mentioned.

Mr. Gregory is the second cabinet officer to resign recently on account of personal financial considerations. William G. McAdoo having retired last month as secretary of the treasury because he could not support his family on the cabinet member's salary of \$12,000 a year. Mr. Gregory is the fifth man to leave the cabinet during the six years of President Wilson's administration. Others were Secretary of State Bryan, Secretary of War Garrison, Attorney General McKey, and Mr. Gregory's predecessor, who was appointed to the supreme court, and Mr. McAdoo.

BOLSHEVIKI MAY BE ALLOWED TO STATE THEIR GRIEVANCES

London.—The British government, The Sunday Express understands, has proposed that all the different parties in Russia, including the bolsheviks, should present their programs to the peace congress in order to ascertain if it is possible to come to any understanding with any responsible authority in Russia. The paper adds:

"The French government is not hostile to this suggestion. There is no difference of opinion between the British and the French governments and there has been no idea on the part of the British government to invite delegates from Russia to attend the peace conference."

SUPREME COUNCIL OF PEACE CONFERENCE HOLDS SESSION

Paris.—The supreme council of the peace congress, consisting of President Wilson and the premiers and foreign ministers of the four great powers, Great Britain, France, the United States and Italy, met at the French foreign office for the first formal exchange of views and to make arrangements for the procedure of the conference tomorrow, at which delegations will be present.

The meeting was chiefly interesting in its personal aspects—bringing together for the first time in contact of the world's best known statesmen, who are now the guiding figures of the congress. The scene as they assembled was one of unusual activity.

It was mainly for the purpose of settling new terms for prolonging the armistice, which expires January 17 and for determining the number and composition of the delegations of the various countries for the sessions of the peace congress which is about to open.

ASSASSIN ATTEMPTS TO TAKE PADEREWSKI'S LIFE

London.—Ignace Jan Paderewski, the polish leader, has been slightly wounded by an assassin who entered the room of his hotel at Warsaw and fired one shot at him. Several bolsheviks implicated in the plot to kill him have been arrested.

Mr. Paderewski has been in Warsaw for several days conferring with Polish political leaders in an attempt to form a government representative of all parties.

INSURRECTION SEEMS TO BE DECREASING IN POWER

Paris.—Semi-official advices from Berlin indicate that the insurrection seems doubtful that the Ebert is decreasing in power and it no longer seems doubtful that the Ebert-Scheidemann government has been maintained by the loyal troops whose discipline has been strengthened by the presence in the city of Field Marshal von Hindenburg. The Spartacists appear to have transferred the struggle to the provinces.

ALL RESTRICTIONS REMOVED ON IMPORT OF CORN AND RICE

Washington.—All restrictions on the importation of corn and rice were removed by the war trade board. At the same time the board announced that it would consider favorably applications for the export of rice and for licenses for the shipment of jute and jute products, except yarns and nitrate bags, to all destinations. Argentina is the chief country affected by the removal of the embargo on importations of corn.

BERLIN IS NOW IN A STATE OF SEIGE

BLOODY FIGHTING OCCURS IN WHICH MANY PERSONS ARE KILLED AND WOUNDED.

REVOLUTIONISTS REPULSED

Thousands of Government Troops Are Still Entering Capital; Public Buildings Occupied.

Copenhagen.—Serious Spartacist riots are going on at Dresden, Brunswick, Düsseldorf, Essen and Dortmund, according to the Munich correspondent of The Politiken. Several towns in the Ruhr district are in the hands of the Spartacists. Government troops have occupied all the public buildings in Berlin, and

thousands of government troops are still entering the capital. The Berlin correspondent of The Berlinische Tidende, who sends this information, declares that the Spartacists have been beaten, and that quiet was partly restored.

Bloody fighting occurred at the Anhalt railroad station when Spartacist groups tried to occupy the building, according to Berlin advices received by way of Frankfurt. They were repulsed by government troops, who inflicted heavy losses on them.

There was lively shooting at many points, including the Brandenburg gate, which the government forces had captured during the night. Several persons were killed or wounded.

ROOSEVELT ESTATE AMOUNTS TO NOT MORE THAN \$500,000
Oyster Bay.—Colonel Theodore Roosevelt's will, made in 1912, was read to members of the family at Sagamore Hill.

Although the value of the former President's estate was not made known, it was understood to amount to not more than \$500,000. According to Attorney George C. Cobble, of New York, who read the will, the document

provides that the entire estate, with the exception of the family silver and plate, shall be held in trust for the widow during her life, and gives her power to dispose of it by will as she sees fit. In the event she leaves no will, the estate is to be divided in equal parts among the children.

The silver and family plate, Mr. Cobble said, are to be divided among the children, as is a \$50,000 trust fund left to Colonel Roosevelt by his father. The will named as trustee Lieut. Colonel Theodore Roosevelt, Jr. and W. Emlin Roosevelt, a cousin of the colonel.

AGREEMENT TO TAKE OVER GERMAN PASSENGER TONNAGE

London.—The United States, Great Britain and Italy have agreed upon a plan for taking over German passenger tonnage. The plan will be laid before the German and allied armistice commissions next Monday. France is not included in the plan, as she got the bulk of the Austrian passenger tonnage and is willing that the other three bid for the German shipping.

TRANSPORTATION OF LIQUOR INTO DRY STATES ILLEGAL

Washington.—Statutes of "dry" states permitting persons to import or personally bring in limited amounts of intoxicants for their own use were in effect nullified by the so-called Reed "bone dry" amendment enacted by Congress, the supreme court held in an opinion reversing the federal court for the southern district of West Virginia.

SENATOR LODGE TO DELIVER EULOGY ON COL. ROOSEVELT

Washington.—Senator Lodge, of Massachusetts, will deliver the eulogy at the joint congressional memorial services for Theodore Roosevelt to be held on February 9. The Republican leader in the senate, who for many years was a close personal friend of the former president, was elected by unanimous vote of the senate and house committees appointed to arrange for the services and he will be

Mr. Tyler began his railroad career in 1882. His first executive position was with the St. Louis, Iron Mountain and Southern. In 1917 he was elected assistant to the first vice president of the Northern Pacific railway.
