—The North Carolina Christian Endeavors held their annual convention in Burlington and Graham Friday, Saturday and Sunday, this week. The first meeting will be held in Burlington Friday afternoon. When he gets his discharge he will resume his former connection with the business.

Among the Sick. Master James McBride Holt has been on the sick list.

Mrs. J. D. Moon has been moved from Greensboro to the Alamance Hospital. She is very sick.

Rev. Dr. and Mrs. Shaw Leave for New Orleans.

For the past two months Rev. Dr. A. R. Shaw has been supplying at the Graham Presbyterian church. He completed his engagement last Sunday night and Monday he and Mrs. Shaw left for New Orleans, where he goes as supply. Dr. Shaw is a North Carolinian and a brother of Judge T. J. Shaw of Greensboro, but came here from Gallatin, Tenn. During the short stay of Dr. and Mrs. Shaw here they made a fine impression on the community. As a preacher Dr. Shaw is able and interesting. He will be followed by Rev. Mr. Caldwell, who will conduct the services next Sunday.

Aeroplane and Tank.

Two very interesting features of the big celebration Friday were the aeroplane and the army tank. The aeroplane came from Fayetteville Friday morning, following Haw river from Pittsboro, making the trip of 83 miles in about 40 minutes. It was in charge of Lieut. Wine. It landed in the field of Mr. Layton Walker, near Graham station, selected by the scouting party two weeks before. It remained until Sunday and flew practically all over the county. It left Sunday about noon on its return to Fayetteville. The tank arrived Friday about noon and was on exhibition in Burlington and Harden Park. It was still at Burlington yesterday.

SHERIFF ALAMANCE COUNTY.

Large Crowd at New Providence Sunday.

Sunday last, the first Sunday of June, the annual memorial exercises were held at New Providence. A bright day brought many to the long-awaited spot. Flowers were brought and placed on the graves of loved ones and friends before the day's exercises began.

The morning exercises opened with the singing of appropriate songs. Mr. McBride Holt, who has shown a whole-souled interest in putting and keeping the cemetery in good shape, made a statement about the work, after which a generous collection was taken up.

The hour for the annual sermon arrived. Rev. W. W. Staley, D. D., of Suffolk, Va., fortunately, had been secured to preach the sermon. A half century ago he was either scholar or teacher in the Sunday school at Providence. At one time he served the church as janitor; later as pastor. Nearly forty years ago he was called to the pastorate of the church he is now serving—a long season of faithful service to an appreciative congregation and by an appreciated Pastor.

Dr. Staley's subject was "Earth's dearest spot—the grave." He used two texts: "This day shall I unto you for a memorial—Ex. 12:14; Thy prayers and thine alms are come up as a memorial before God—Acts 10:4. He had the closest attention of his congregation while he delivered an unusually interesting message. On account of his connection with the church in his youthful days he was pardonably reminiscent. No synopsis will be given here as we will in next issue print the principal portion of it.

After the services the congregation had a most excellent dinner served in picnic fashion. The ladies had brought well-filled baskets and the contents were spread out on tables. Mr. W. J. Nicka had provided plenty of ice water to slake the thirst of all.

In the afternoon the Memorial Association met for the transaction of business. The following officers were re-elected: E. S. Parker, Jr., Prest., W. H. Holt, J. N. H. Clendenin, McBride Holt and John W. Harden, Vice-Prests, Mrs. W. H. Holt, Sec'y, Mrs. McBride Holt, Treas.

Capt. J. A. Turrentine, Historian, gave many interesting reminiscences of the church and community and the families in their early days. Mr. Junius H. Harden was chosen Historian for next year.

On these memorial occasions many former residents of the community and those interested in the cemetery come back for the day. Among these the following were noted: Dr. and Mrs. W. S. Long, and Mr. S. M. Fickard of Chapel Hill, Prof. and Mrs. S. A. Holloman of High Point, Mr. and Mrs. A. T. Whitsett of Greensboro, Mr. Dan Albright of Richmond, Va., and Mr. and Mrs. Archie McLean of Whitsett.

It may comfort certain United States Senators to know that President Ebert of Germany also hopes that the American Senate will reject the peace treaty in its present form.

Wilhelm Hohenzollern will feel that the discovery of the throne of King David in Palestine comes too late. A year ago he might have claimed it.

C. D. STORY

SHERIFF ALAMANCE COUNTY.

As I was As I am DR. RECO made me well. Mr. A. N. Sparr of 408 Magnolia street, Jacksonville, Fla., says: "The 'Reco' left me in a very weak, rundown condition. I was so nervous that my hands shook like an old person with palsy, and I am only 30 years old—My kidneys also were in bad shape, and my liver sluggish. My food digested very poorly, and I often had cramps in my stomach, and was bloated with gas. I took a bottle of DR. RECO, and I've found it the finest medicine I ever saw. It went right after my troubles quick, and now they are all gone. My nerves are steady and my sleep sound. Pains in my back, my kidneys and stomach, and liver acting fine. DR. RECO is made from juices and extracts of many medicinal herbs and plants which act on the vital organs in a pleasant and prompt manner."

Standing, sitting and walking correctly are the first essentials to good health and that elusive charm we call style. ALL women wish to be well; but all women do not appreciate the vital importance of correct corsetry as an essential to good health. The well-known medical authority, Alice S. Cutler, M.D., warns us: "As a physician who knows that if it were not for ill-fitting and the wrong kind of corsets we would have very few female invalids, I am naturally determined to do everything in my power to educate the American woman in the proper fitting of corsets. Most learned physicians now recognize the modern corset as a hygienically healthful garment and one that is often the best means of providing corrective support for many bodily ailments."

Drop a little Frezzone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the cure is without soreness or irritation. Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful. Mandate or no mandate, the Turk may as well recognize the fact that his days for organizing massacre parties are over.
