IMPORTANT NOTICE!

Special Privilege Taxes!

I wish to call your attention to the fact that all Special Privilege Taxes, including Physicians, Dentists, Lawyers, Photographers, Veterinary Surgeons, Osteopaths, Bottling, Firearms, Selling Cigarettes, operating Soda Fountains, Hotels, Livery Stables, Autos for Hire, Undertakers, etc., are due and payable during the month of June, and unless paid during the month of June, there is automatically assessed a 20 per cent. penalty, and I cannot receive taxes after the first of July except the penalty is added. Please avoid the penalty by paying promptly.

Taxes Now Due

I also wish to call your attention to the new law with reference to the collection of taxes. Beginning in October a discount of 1 per cent. is allowed if paid by December 1. The face value is collected during December, and a penalty of 1 per cent. per month is added for each month thereafter.

There are many who have not yet paid their 1918 taxes and these should settle at once so that I may start with the new law with all back taxes paid. Respectfully,

C. D. STORY SHERIFF ALAMANCO COUNTY.

Antiqua and Reconstruction.

During the war Chautauqua ranked high among those institutions whose part it was to maintain the nation's morale. It furnished a magnificent part of that buoyant, never-give-in spirit of do-or-die, that has made November 11th an immortal day.

Chautauqua gave to the country a cheerful and patriotic program. Its wholesome entertainments helped to neutralize the horrors of war. Its stimulating discussions of the nation's most vital problems brought intelligent and united action. Its contribution to our nation in those tragic days moved President Wilson to estimate it, "an integral part of our national defense."

After the war, what? The old world has been destroyed. Out of the fragments of the old the new must be built. The old pattern is forever gone. The new architecture has not yet arrived.

Chautauque's opportunity at this particular time is unique. Never in its history has the country had greater need to think clearly. The great national and international questions which are calling for solution can be solved correctly only by clear thinking on the part of every man.

And Chautauqua is the people's university and the one free forum for discussion in America. Its program is patriotic but non-partisan, its teachings are always clearly moral but never sectarian. Without regard to class, creed, party, or social stratification, its gospel is always of genuine uplift and of broadening vision.

Without this free discussion Democracy is impossible. Russia and Germany stifled free and open discussion. The one is in chaos, the other in the bitterness of defeat after an ill-advised attempt at world domination. Chautauqua will help preserve our priceless Democracy by the only sure way, a free and frank discussion of the country's problems.

Thus Chautauqua, always and forever important, is this year more vital to the community than ever before. It will create that community interest that banishes individual selfishness. It will bring together all the people of the town to consider with the nation's keenest minds the world's biggest problems. It will be a steady force for the right kind of progress in this Reconstruction period. It will leave the community with better men, nobler women and happier children.

The Chautauqua Association, Swarthmore, Pa., will be in Burlington from June 21-27.

Two Blockade Stills Broke Up. Last Friday Sheriff C. D. Story and Deputies H. J. Stockard, E. A. Hensley and Stedman Isley captured a still in Morton township near old Shallowford. It was about sunset when they came upon the outfit. It was in full blast and fully equipped. When they reached the still no one was on the spot, but they got a glimpse of a man who left in such a hurry that he left his hat and coat. The officers have a pretty good idea as to whom the outfit belonged. Over 500 gallons of beer were turned loose, and 3 bags of meal and 3 gallons of whiskey and a good copper still were taken in charge.

Another still, was captured yesterday afternoon by Sheriff Story, Deputies Stockard and Hensley and Boyd Trolinger in Pleasant Grove township on the J. Calvin Walker farm. From appearances it had been in operation for some time. A run appeared to have been made the night before and everything was in readiness for another run. The still, which was destroyed, was a galvanized iron affair. About one thousand gallons of beer were turned loose and three bags of meal and a tag of malt were seized. It is not known who operated the still and no one was seen near the place.

Superior Court Notes. Last week the Court finished up the work that had been calendared for trial on Thursday afternoon. As usual a number of cases which had been placed on the calendar for trial were continued, because of the absence of necessary witnesses or for other reasons sufficient in the opinion of the Court.

Among the cases heard during the week were the following: Mrs. Daisy Blalock was given a verdict against The Southern Railway Co. for \$950.00 for wrongfully putting her off of its train. Defendant gave notice of appeal to the Supreme Court.

The case of Chas. M. Grant against Graham Chero-Cola Bottling Co. for damages on account of the loss of an eye caused by the explosion of one of the Company's bottles was compromised by the Company paying \$1000.

Geo. H. Troxler sued Mrs. Susan Waller for damages for failure to build a house on a lot in Burlington which it was alleged she agreed to build. The jury said he was entitled to nothing as damages.

In the case of R. D. Wood & Co. vs. B. Van Steenburg and Burlington Gas Co. the plaintiff was given a judgment for \$2,433.87, and Alamanco Lumber Co. was given a judgment against the above named defendants for \$457.65.

Merchants Supply Co. was given a verdict for \$2.20 against E. A. Hensley. This was for an account and appeared from a Magistrate's court.

Mrs. Eulalia Kirkpatrick recovered a judgment of \$4,000 against J. M. Crutchfield for assault and actual damages. Notice of appeal was given by defendant.

Merchants Supply Co. was given a judgment against Glenn Hall for \$13.06 in suit on disputed account.

Cecil Fulcher was given a verdict and judgment for \$100 against Elmira Cotton Mills for damages.

The case of S. W. Albright against Alamanco Railway Co. was compromised by Company paying \$200.

Mebane Bank & Trust Co. was given judgment against H. C. and Fannie Coble for \$325.31.

Merchants Supply Co. recovered judgment against W. M. Ray for \$6.46. This case was tried at a former term and the plaintiff was given a verdict for more than \$80 and the verdict was set aside.

A judgment was rendered in favor of Merchants Supply Co. for \$500.82 against James & Burke.

Another divorce case came on for trial and judgment was rendered in favor of Emma Curtis against Ernest Curtis.

In Town of Mebane against Chas. Galt the Town recovered nothing and was taxed with the costs and Dixie Milling Co. was given judgment against Southern Railway Co. for \$37.65 for loss of wheat in transit.

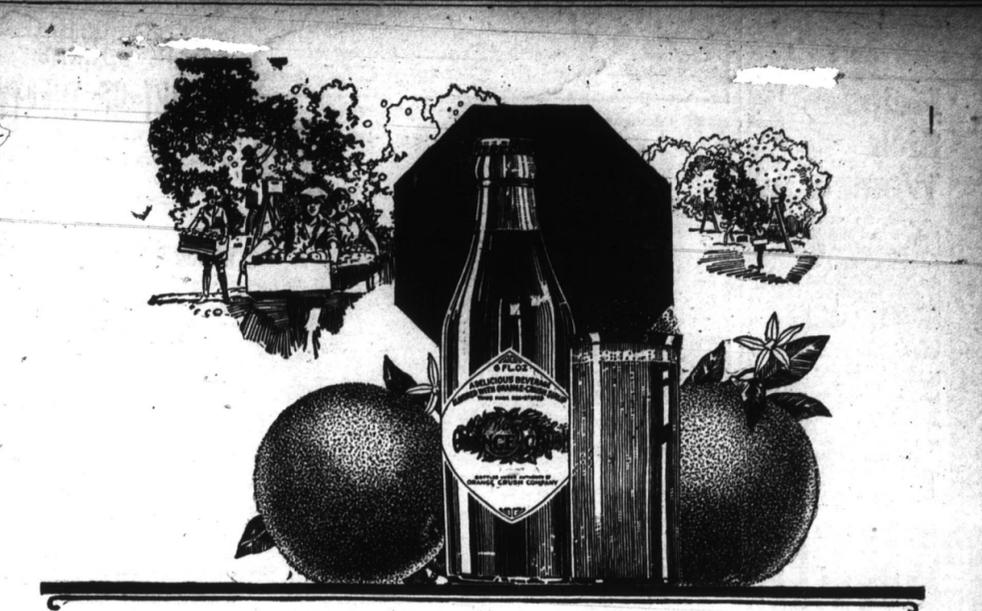

A white man named Jesse Creel, aged about 70 years, alleged to be an escaped convict serving a term in the penitentiary for killing a white man at Newbern, on Sunday afternoon went to the house of Will Sutton, a young negro man near Seven Springs, Wayne county, and shot him dead as he was sitting on the side of a bed. After the shooting Creel was located at a tobacco barn by a deputy sheriff at whom he shot but missed and before he could reload the officer shot him twice with a shot gun, inflicting serious wounds.

It appears that Lenine is going to pass from the public stage just as the newspapers are learning to spell his name correctly. And it is an alias at that.
