

THE GLEANER

ISSUED EVERY THURSDAY. J. D. KERNODLE, Editor. \$1.00 A YEAR, IN ADVANCE.

Washington, the national seat of government, is deeply stirred over the clash between the white and negro population. Occurring in the capital city, its effect and influence will be different from like clashes in other parts of the country.

At a Republican meeting lately held in Goldsboro, former Senator Butler introduced a resolution opposing the League of Nations.

President Wilson is inviting Republican as well as Democratic Senators to the White House to talk over the Peace Treaty and explain its provisions and why it should be ratified.

During the past three weeks many sections of the State have had almost unprecedented rainfalls. The Piedmont section of the State has suffered most on account of high waters which have washed away bridges and flooded crops along the water courses.

After months of arduous and incessant labor for peace, a thing vastly more difficult to make than war, the French Chamber of Deputies has given Premier Clemenceau a vote of confidence that stood 272 to 181.

HIGH COST OF TYPHOID.

During July Will Cost State Half Million Dollars, Says State Board Health.

Raleigh, July 17.—Typhoid fever in North Carolina during this month will cost approximately one-half million dollars, according to estimates made in the office of the State health officer.

Reports from all sections of the State show a rapid increase in the number of cases during the first fifteen days of July. On the fifteenth the total reached 332.

Durham county leads the State for the first half of the month in number of cases with 18, Wake running a close second with 15. Others having more than ten cases are Caldwell, Caswell, Catawba, Edgecombe, Gaston and Wayne.

PLEA FOR NEWLIN TOWNSHIP.

Gets No Federal Aid Road as Designations Now Made.

Cor. of The Gleaner. In last week's paper, in report of Commissioners' meeting held in Graham, July 12, we note the location of roads to be improved under the federal aid plan.

Looking the situation in the face some questions naturally arise: First, what is the objective in this road building? Is it, as specified in bill creating fund, for the benefit of rural free delivery routes?

Second, is it for the purpose of connecting county seat with county seat? If so, why Graham with Asheboro instead of with Pittsboro?

Third, is it for development of country life primarily? If so, why not some central route chosen instead of one very much to the side and through a section which, by reason of its very location, patronizes railroad points all the way from Liberty, via Greensboro to Graham?

Fourth, is it for development of county seat and adjacent towns? If so, why not located through a section which gives the patronage to these towns almost altogether, Newlin township for instance?

Prof. A. Verpont's play of the North Carolina Regulators, "Ester Wake," was given before a large audience in Memorial Hall last night. It will be taken to Raleigh Monday night, and presented in the auditorium there, at the special request of Governor Bickett, who saw it at the Orange county celebration.

Citizens in general do not know for what reason Asheboro is of such importance to Alamance as to make our Commissioners vote to cross both a sand-clay road and a railroad, to reach, at the expense of, or rather depriving the southern half of the county of the advantages of a State Highway.

Plant Hairy Vetch This Fall.

Hairy vetch, if used as a green manure crop, is the best winter-growing legume for improving poor soils in the South Atlantic States, says Mr. N. E. Winters, Extension Agronomist for the Agricultural Extension Service.

This crop may be planted from August 15th to October 15th at the latest working or after the first or second picking of cotton, or after corn. It is harvested at about the same time of year as oats.

For best results, the vetch should be planted with oats, rye or wheat and the mixture cut for hay when the small grain is in the dough stage. Six pecks of oats or three pecks of vetch seed and 20 to 30 pounds of vetch seed make a good seed mixture when planted in this way.

Break your Cold or LaGrippe with few doses of Col'd.

UNIVERSITY SUMMER SCHOOL ACTIVITIES.

Much to Interest and Instruct Teachers.

Chapel Hill, N. C., July 19.—The coming week will complete one month's work of the University of North Carolina Summer School. The six weeks' session ends on August 8, when examinations will be given in the various summer courses here and for the State teachers' certificates.

The second teachers' institute for high school teachers, principals and supervisors has brought many new students to the Hill this week.

On Monday and Tuesday nights the summer students will have an opportunity of seeing two plays in the new community theatre here, which was developed last year by the Carolina Slaymakers, under Professor Frederick H. Koch.

The summer music festival, directed by Prof. Gustav Hagedorn, will come on Wednesday and Thursday, July 23-24. The chorus will sing Gade's cantata, "The Holy City," along with other specially selected shorter numbers.

Prof. A. Verpont's play of the North Carolina Regulators, "Ester Wake," was given before a large audience in Memorial Hall last night.

The college swimming pool has been a popular place during the summer, and nearly a hundred women and boys have been taking advantage of the swimming lessons offered by the summer school.

How's This? We offer one Hundred Dollars reward for any case of Catarrh that cannot be cured by Catarrh Medicine.

The Monkey Driver

WHAT REAL THRIFT WILL ACCOMPLISH

Successful Men Began By Saving Their Money As a Matter of Fixed Habit.

Abraham Lincoln was a notable exemplar of the value of thrift of time. We can picture him trudging forty miles to borrow a grammar. We can see him prone before the pine fire at night after a hard day's work logging, reading and re-reading the statutes of Indiana, the only book he owned, or learning to write and figure with a piece of charcoal on the back of a wooden shovel, as he had no paper or ink.

Another example of what a boy can do who does not waste time is that of a Milwaukee man, Nels Anton Christensen, recently appointed by the United States government, through Secretary of the Navy Daniels, as the United States Naval Board, which includes the greatest inventive minds in the nation.

Born in Denmark, Nels Christensen's school days ended at 14 years. After that he worked in a machine shop days and attended a technical school in the evenings. From his savings he defrayed the expense of a course at the Copenhagen Technique Institute, from which he was graduated at 21.

During the three years he spent on an English steamer engaged in Mediterranean trade he learned enough English to secure a position with an English manufacturing concern. Since coming to the United States he has invented many compressed airplane starters for railroads, aeroplanes and engines that have brought him world-wide fame.

Thomas Edison began to save before he began to invent. The successful magazine editor, Edward Bok, started saving on a salary of 60 cents a week. Grover Cleveland's wages for his first year of work totaled \$50. Garfield could not have become president had he not saved early in life.

Every household is a corporation with certain definite obligations and a more or less certain income, and it should, therefore, have a definite budget. No general budget can be so framed as to fit the needs of every family.

HOW FAMILY INCOME MAY BE DISTRIBUTED

Every Home Should Have Own Personal Household Budget If It is to be Successful.

Every household is a corporation with certain definite obligations and a more or less certain income, and it should, therefore, have a definite budget. No general budget can be so framed as to fit the needs of every family.

It is an everlasting duty, the duty of being brave. Valor is still valor. The first duty of a man is still that of subduing fear. We must get rid of fear; we cannot act till then. A man shall and must be valiant, he must march forward. Now and always the completeness of his victory over fear will determine how much of a man he is.

HEARTBURN or heaviness after meals are most annoying manifestations of acid-dyspepsia. KI-MOIDS pleasant to take, neutralize acidity and help restore normal digestion.

Judge Slaughter of Spring Hill, Ala., in Signed Statement, says he Obtained Wonderful Results From Dreco.

"In relieving kidney, liver trouble and constipation, I have obtained wonderful relief in a very short time by taking the new root and herb medicine—Dreco.

"Before taking Dreco my back sometimes felt like it would break, and I often had to get up four or five times during the night to relieve my bladder. My liver was sluggish, and I frequently had dizzy spells, headaches and a vile taste in my mouth. Constipation was a daily annoyance. My nerves were shaky and my sleep broken.

"I am happy to say there is a marked improvement in my troubles since taking Dreco. My kidneys are very much better. I sleep sound, and the constipation is relieved. No doubt my liver is acting well, for the dizziness and headaches have ceased. I can testify to Dreco to those who suffer as I did."

Dreco is made from juices and extracts of many medicinal herbs which act on the vital organs in a pleasant and prompt manner.

Dreco is highly recommended in Graham by Graham Drug Co.

Official notification of the ratification of the peace treaty by the German national assembly was given the peace conference at Versailles. The notification was presented by Baron Kurt von Lersner, head of the German peace mission.

Three allied warships, one each from the American, British and French navies, have been ordered to proceed to Fiume, where there have been disorders recently between Italian troops and other elements in the force of occupation.

The council of five has decided to raise the blockade against Germany. So far as the action of the council concerns France the measure will be effective only after publication in the Journal Officiel of a decree annulling the preceding decrees regarding the blockade.

Trustee's Sale of Real Estate.

Under and by virtue of power of sale contained in a deed of trust executed by B. E. Teague (now deceased) and wife on September 20th, 1913, and recorded in the office of Register of Deeds of Alamance county in Book No. 62, pages 84, etc., the undersigned trustee will offer for sale at public outcry to the highest bidder for cash at the court house door in Graham, Alamance county, North Carolina, at 3:30 o'clock in the afternoon, on

SATURDAY, AUG. 16, 1919, the following described property: Lots Nos. 23, 11 and 12 in the and survey of the A. Lacy Thompson land, lying and being on the macadamized road leading from Burlington to Graham, said plot having been made by Lewis H. Holt, County Surveyor of Alamance county, and recorded in the office of Register of Deeds for Alamance county.

Lot No. 23. Beginning at a stake, the intersection of the road leading from the macadamized road to Graham and Thompson Street; running thence N. with Thompson Street 3/4 deg E. 200 feet to a stake, corner of Lot No. 24; thence S 82 1/2 deg E 80 ft to a stake, corner of Lot No. 24; thence N 3/4 deg W 200 ft to a stake on the road leading from the macadamized road to Graham and corner with Lot No. 24; thence N along the line of said road 82 1/2 deg W 80 ft to the beginning, containing forty-four one-hundredths (44/100) of an acre.

Lots Nos. 11 and 12. Beginning at a stake on the north side of Williamson Street and corner with Lot No. 13; running thence N 82 3/4 deg W 160 ft to a stake, corner with Lot No. 10; thence N 3/4 deg E 232 ft to a stake; thence N 85 deg W 160 ft to a stake, corner with Lot No. 13; thence S 3/4 deg W 229 ft to the beginning, containing eighty-two one-hundredths (82/100) of an acre.

For a more complete description of this property, reference is hereby made to plot of said lands. These lots were purchased at the auction sale of the A. Lacy Thompson property on January 30th, 1909, and March 27, 1909. This 11th day of July, 1919. PIEDMONT TRUST COMPANY, Trustee.

Summons by Publication

North Carolina, Alamance County, In the Superior Court.

C., and answer or demur to the complaint in said action, or the plaintiff will apply to the Court for the relief demanded in said complaint. D. J. WALKER, C. S. C. This 9th day of July, 1919. Long & Long, Att'ys for plaintiff. 17 July 4t

WARNING!

Last Call for 1918 Taxes

I have been mailing statements to those who have not yet paid their 1918 taxes, and there are many who have yet failed to respond, so I am taking this method to notify all, that unless these taxes are paid at once, I will be compelled to advertise and sell their property for these taxes, which will mean an added expense, so please come forward and settle at once and save this cost and the unpleasantness of being advertised.

C. D. STORY SHERIFF ALAMANCE COUNTY

North Carolina State College of Agriculture and Engineering WEST RALEIGH. A Land Grant College founded under an act of Congress by the State Legislature of North Carolina in March, 1887. Splendidly equipped for the education of the sons of the State in the technical and industrial arts.

Don't Quit Reading Newspapers Now!

Just because the war is over, or because you may be busy with raising a new crop, is no reason why you should cease to keep up with the great problems facing the world, and the United States.

The period of readjustment is at hand. New conditions are coming to pass and new issues must be met. You must read a daily newspaper to keep informed and to know what is happening and how decisions on important matters are reached.

The man who is informed is the man who will keep ahead. When you read a Daily Newspaper, read the best. We believe that we are giving you the greatest value for your money when you subscribe for the GREENSBORO DAILY NEWS.

Largest Market Report. Washington and Raleigh Bureaus. David Lawrence Articles. London Times Cable Service. Special Sunday features, including comics, special sections, and magazine features.

You get a NEW EUROPEAN MAP with 6 months' subscription. Write for sample copy. Subscription price: Daily \$5 per year; Daily and Sunday \$7.

"BAYER CROSS" - ON ASPIRIN

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine. "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin tablets were sold recently by a Brooklyn dealer which proved to be composed mostly of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else. proper directions and dosage in each Bayer package. Aspirin is the trademark of Bayer Manufacturing of Monacarcacidester of Salicylic acid.

FOR SUMMER COLDS Catarrh, Asthma, Hay-Fever, etc. Insert in the nostrils a small quantity of BRAMES' VAPORANTIA SALVE. Will not stain the Clothes. At all drug stores 30c, 60c and \$1.20 or mailed direct. BRAMES' DRUG COMPANY, E. Windsor, N. C.
