LOCAL NEWS.

The County Commissioners will meet in regular monthly session next Monday. The Bright Jewel band of Graham M. E. Church will meet next Monday evening at 7:30 o'clock. Graham Chapter of Daughters of the Confederacy will meet with Mrs. J. J. Henderson at 3:30 p. m. of Thurs. day, Aug. 7th.

The Ladies' Aid Society and Mission Study Class of Graham Christian church will meet with Mrs. Jas. P. Harden on Wednesday afternoon, Aug. 6th, at 3:30 o'clock. Hon. A. M. Seales of Greensboro passed through Monday with his Sunday school class of 16 boys in three automobiles on their way to Morehead City to spend ten days.

Graham is experiencing a shortage in sugar. Reports all along have indicated that sugar would be plentiful. Is somebody hoarding or is the fault with the refineries? An investigation is in order.

The young people of Graham gave a dance last Thursday night in the Graham Loan & Trust Co. building. Quite a number of out-of-town young people were present. The music was furnished by Franks' Orchestra.

Mr. Robt. L. Holmes returned Monday from Greensboro where he spent last week taking hospital treatment. The latter part of the week his condition was reported quite serious. He made rapid recovery, however, and is now at business as usual.

The store and goods of Mr. W. P. Ireland were burned at Oaspee yesterday morning between midnight and day. The origin of the fire is unknown. The loss is heavy as a large stock of goods was carried. There was \$600 insurance on the building and \$1500 on the stock.

The Woman's Missionary Society of Graham, M. E. Church will hold their regular meeting next Monday evening at 8 o'clock. Instead of the study period they will enjoy a social hour when they will have as their guests the lady members of the church.

A large congregation attended the installation services at the Presbyterian church last Sunday morning, when Rev. E. N. Caldwell was formerly installed pastor of the church. The sermon by Dr. Myers and the charge to the congregation by Hon. A. M. Seales, both of Greensboro, and the charge to the pastor by Dr. Shaw of Mebane were fine and enjoyed by the congregation. Mrs. M. C. Terrill of Burlington sang a solo that was very much enjoyed.

Lieut. W. Ross Freshwater was making his home here and was with the Graham Loan & Trust Co. when he entered service about two years ago. He volunteered and went to Ft. Oglethorpe, Ga. Here he won his commission as Lieutenant. A few months later he was detailed to go to Knoxville, Tenn., where he was military instructor for a few weeks. Then he went overseas and wears two bars on his sleeve, indicating two 6-month periods of overseas service. He also wears the decoration of "Expert Rifleman." He got his discharge at Camp Lee, Va., on 19th inst., having landed a few days before. He is spending a few days with friends before going to Rock Hill, S. C., to engage in the wholesale grocery business with the former Colonel of his regiment, Lieut. Freshwater has lots of friends who will wish him all sorts of success.

Next Sunday at New Providence. On next Sunday morning at 11 o'clock, at the New Providence Christian Church, the Pastor, Rev. F. C. Lester, will speak on "The Meaning of the Lord's Supper." After the sermon the supper will be observed. It is hoped that all members and as many friends as possible will be present to engage in this service.

Under the efficient leadership of Mrs. W. H. Holt the children of the church will, at 8 o'clock in the evening, give a missionary program. The public is cordially invited to be present and enjoy the exercises given by the children.

Among the Sick. Mr. E. L. Henderson is very much improved and able to be out again. Mrs. Charlie Jones is at Rainey Hospital for treatment.

Reunion of Coble and Allied Families. The 4th annual reunion of the Coble and allied families will be held on Wednesday, August 13th, at Coble's church, located five miles north of Julian and 12 miles southeast of Greensboro. The principal address will be made by Hon. Robt. N. Page. A picnic dinner will be served and music will be furnished by a brass band for the occasion.

Flag Presentation Next Sunday. On Sunday afternoon, Aug. 3, at 3 o'clock, the Sons and Daughters of Liberty will present the Graham Troop of Boy Scouts with a Troop Flag. The flag will be presented by Rev. J. R. Edwards and accepted by Mr. Lynn B. Williamson. The address will be delivered by Mr. J. Dolph Long. Everybody invited to attend.

For Sale. A gentle pony, good saddler; right size for buggy, light wagon, or garden plowing. If interested, see F. C. Lester, Graham, N. C.

Senator Borah's senatorial fire alarm system rings too many false alarms.

HEALTHFUL ADVICE During the aftermath of influenza or any other prostrating illness, the logical tonic is SCOTT'S EMULSION which enriches the blood and strengthens the whole body via nourishment. If you would renew your strength—try Scott's.

Building Notes.

Mr. W. F. R. Clapp, N. Maple St., is putting the material on the ground to build an addition to his home, which will include a dining room, a bed room and other improvements.

Mr. J. B. Farrell, N. Maple St., is remodeling his home. A new porch, another room and a bath room are among the features to be added.

A big lot of grey brick has been put on the ground to be used in the construction of the Alamance Motor Co.'s new garage. A new front is being built to the store occupied by the Ladies' Emporium, N. Main St.

Deaths. Mrs. Lucinda Turner died at her home near Long's Chapel on July 11th, aged 81 years, 6 months and 16 days. She was the mother of John H. and Wm. J. Turner, two of the leading farmers in the McCray community. The remains were buried at McCray.

Mrs. Mattie L. Smith, wife of Mr. G. H. Smith near Haw River, died at Alamance Hospital on July 24th, aged 42 years. Mrs. Margaret S. Tillett, wife of Mr. Wilbur F. Tillett, died at Burlington July 27th, aged about 40 years. The remains were carried to Durham for burial. Her maiden name was Sanford and she was a sister of Mrs. Walter E. Walker of Burlington.

Mr. Hanson K. Hall, an aged citizen of Burlington, died Monday evening, aged about 89 years. His widow, two sons and a daughter survive him. Mr. Hall served as a Confederate soldier in the Civil War.

Year-Old Soy Beans Good for Seed. Many farmers did not get all the soy beans they bought sowed before the wet spell set in, and they may feel that those yet on hand will be a loss. But, not so, says a report from the State Experiment Station. The report says: When properly stored, soy beans that are kept for an entire year will give practically the same germination results as those which are harvested the previous fall. This was proven by a recent experiment by the Division of Agronomy of the North Carolina Experiment Station. To find out if year-old beans could be used with good results, Mr. C. B. Williams had some beans taken from a lot saved from the year 1917 and these tested for germination. The Virginia variety was used. The tests indicated that 99 per cent of the beans had germinated.

After thoroughly ripening in the field, the beans used in this test were cut and stored in a well-ventilated barn until February, when they were threshed. After threshing they were placed in burlap bags in lots of two bushels each. In March, 1919, exactly thirteen months later, a small sample was taken from each bag, thoroughly mixed together, and the test made of beans from this composite sample. As 99 per cent of these germinated, this indicates that when properly stored and cared for, year-old beans can be used for seed in perfect safety.

The Day of Salvation. VISCOUNT JAMES BRYCE. If we do not try to make an end of war, war will make an end of us. In every free country the best minds now address themselves to the means of deterring aggressive Governments from war and overthrowing Public Right as the supreme Power in international affairs. With good will, with an unselfish devotion to the highest and most permanent interest of humanity, nothing is impossible. If we let slip this opportunity for the provision of machinery by which the risk of future wars may be averted or reduced, another such opportunity may never present itself.

If things are not made better after this war the prospect will be darker than ever. Darker because the condition of the world will have grown so much that the recurrence of like calamities will be expected and the cause of those calamities as beyond all human cure. Rather, let us strive that all the suffering this war has brought, and all the sacrifices, shall not have been in vain.—Essays and Addresses in Wartime.

NATURE TELLS YOU As Many Graham Readers Know To Whom Nature tells you about it. The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ailments. Doan's Kidney Pills are for disordered kidneys. People in his vicinity testify to their worth. T. J. Hargrove, grocer, 701 Main Avenue, Burlington, N. C., says: "About two years ago I was troubled with a lamelback and at times the pains were severe. My rest was disturbed by the kidney secretions passing too freely. Doan's Kidney Pills were recommended to me by friends and I bought a box. After I took them the soreness and lameness went away, my kidneys were regulated and I was entirely cured." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Hargrove had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Colored Preacher On Race Conflict.

The following communication from Rev. W. A. Cooper, a colored preacher of Burlington, has reference to the race conflict in Washington and what the New York World said about it and what Judge Carter said about the World article: As one wishing to give his country regardless of race or creed, please allow me to make this statement through your paper: After noticing the newspapers for the past week, I feel it highly essential that a better understanding exist between the white and black races of America. The world's conflicts are all caused by a misunderstanding on the part of some one, and the uneasiness on the part of some of our white friends is due to this same general cause. We wish Judge Frank Carter, who wrote the article which appeared in the Greensboro Daily Record, July 28, and all our white friends, to know that the sensible negro preacher values his religion too much to preach anything but "The blessed old gospel of Peace," and that the few radicals who preach any other gospel than this, if there be any, as well as those who commit crime, are the lawless minority with which no race and every other race is burdened.

While it is true that, as the New York World stated, and Judge Carter admitted, in many instances we do not get justice as a race, we realize that evolution and not revolution is the plan of God. And we are calling our people to their knees, and the Old Christian Landmark, which stands alone, if adopted by both races, will keep peace and prosperity in our country. And we feel it the patriotic and christian duty of our white brethren of both pulpits and press to join the true negro minister in his effort to keep the Spirit of Christ, Peace and Justice in America.

A Monument of Love. Houston (Texas) Post. After being surfeited with accounts of man's inhumanity to children in the four years of barbarous war in Europe and Asia Minor, what a noble and welcome contrast is this story coming out of North Carolina of the trustees of the university of that State legally adopting and providing for the care and education of the little son of the deceased president of that institution. Little "Sonny" Graham, the beautiful, smiling faced child of eight years, was left alone in the world, except for some distant relatives. Two years ago his mother died, and a few weeks ago his father, Dr. Edward Kidder Graham, the distinguished head of the North Carolina University, passed away. But the child who had been a favorite among the students and faculty in Chapel Hill is not to be lost from the university, for the big-hearted trustees have taken action which makes the little fellow legally the child of the university.

No more noble and tender tribute could be paid to the memory of the late president of the university, who had served his State with distinction, than in making provision for his little orphan son, and the dead educator could have wished for no greater reward. No monument could have been so expressive of their love, and no other form of memorial could have so revealed the splendid impulses of the trustees and the people of North Carolina.

This act will touch the hearts of fathers and mothers and others who love children throughout the nation, and as with the faithful woman who broke the box of alabaster upon the Master's head, it shall be told of them as long as the gospel of love shall be preached.

Free To North Carolina Farmers. The N. C. State Seed Laboratory will examine and test all kinds of agricultural seeds for the farmers free of charge. Most crop failures are due to poor seeds—seeds filled with weed seeds or seeds of low germinating power. This cause of crop failure can be entirely eliminated by taking advantage of the seed laboratory at Raleigh and having all agricultural seeds, wheat, rye, oats, clovers, alfalfa, the grasses, and so on, tested before planting. Do not sow crimson clover seeds this fall without having them tested for germination. It costs nothing and may save thousands.

W. A. GRAHAM, Commissioner of Agriculture, Raleigh, N. C.

The German premier has issued a warning to the country against hasty revolution. He admitted that the great masses of the people had just ground for discontent, and said it was the government's task to alleviate their sufferings.

Bulgarian oppressions in eastern Macedonia loom up as ominous as the Turkish atrocities in Armenia. During the period of occupation of that territory they reduced the population by almost one hundred thousand, of which thirty-two thousands were deaths caused hunger and ill-treatment. This statement comes from the inter-allied commission. Twenty thousand Russians, many of them barefoot, and without rifles and unsupported by heavy artillery, compose the northern Russian army, the front of which extends from the Finnish coast to Pskov, and which is driving back toward Petrograd a Bolshevik army four times as large, says a Paris statement.

A new political party has been born in Cuba, formed by a coalition of the most prominent leaders in the Liberal and Conservative parties, the purpose of which is to prevent interference of other nations in Cuban affairs.

King George is eager to show appreciation of the services of David Lloyd-George during the war. George will not accept a peerage, and it is stated that the king may create him a Knight of the Garter, the highest gift the king can bestow.

Henry Morgenthau, former United States ambassador to Turkey, has been made a commander of the Legion of Honor by the French government.

As a protest against the increase of six shillings in the price of coal, which came into effect following the refusal of the English miners' federation to accept a compromise on the wage and other questions, thousands of miners in the Mansfield district of Nottinghamshire refused to go down into the pits.

Lloyd-George told the British house of commons, replying to his critics, who believe that the ex-kaiser should be tried in a neutral country, that the ex-kaiser must be treated as a criminal, and that "whoever comes to Britain for trial will receive a trial equal to the highest traditions of the British nation, and there are none higher in the world."

Lloyd-George, British premier, says: "It was not to be abolished it must be treated not as an honorable game with the prospect of personal glory, but as a crime."

LEMONS WHITEN AND BEAUTIFY THE SKIN Make this beauty lotion cheaply for your face, neck, arms and hands. At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of five lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in. Then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiten and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

RUB IT ON BRAME'S VAPORANTHA SALVE WILL NOT STAIN THE CLOTHES LIFT OFF CORNS! Apply few drops then lift sore; touchy corns off with fingers.

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

As I was As I am DRECO made me well. Mr. A. N. Sparr of 446 Magnolia street, Jacksonville, Fla., says: "The 'Pig' left me in a very weak, run-down condition. I was so nervous that my hands shook like an old person with palsy, and I am only 26 years old. My kidneys also were in bad shape, and my liver sluggish. My food digested very poorly, and I often had cramps in my stomach, and was bloated with gas. I took a bottle of DRECO, and I've found it the finest medicine I ever saw. It went right after my troubles quick, and now they are all gone. My nerves are steady and my sleep sound. Pains all gone over my kidneys and stomach, and liver acting fine. DRECO is made from juices and extracts of many medicinal herbs, plants which act on the vital organs in a pleasant and prompt manner."

HEY!! YOU FORGOT YOUR GREEN FLAG MOTOR OIL! IT'S A TERRIBLE RISK TO "FORGET" OIL—AND IT'S A WORSE RISK TO FORGET "GREEN FLAG" OIL. If 90% of engine troubles were traced to their source, it would be found that inefficient and underquality lubrication was the "scape grace." SO DON'T FORGET TO "OIL UP"—and if you'll keep "GREEN FLAG" MOTOR OIL in mind when you lubricate, you've got maximum efficiency in lubrication. You can't buy better, and you'll pay no more for this "named" oil, than the kind you get when you drive up and say "give me a quart of oil." Too little regard to lubrication is the common fault of the man or woman who drives a car. We are stating no news when we repeat what the greatest engineers in the country have said—that "Oil is the life of the engine." Without proper lubrication, and QUALITY lubrication, rapid depreciation takes place, sometimes irreparable. An automobile motor and engine are finely made, expensive pieces of mechanism, deserving of the greatest care. It is this care that gives them long life, satisfactory operation, and genuine pleasure. There are a number of first-class dealers in this county who are exclusive agents for "GREEN FLAG" MOTOR OIL. It will pay you to drive out of your way to reach one. The following named dealers in this county will supply you with "GREEN FLAG" MOTOR OIL: GRAHAM MOTOR CAR CO., Graham, N. C. ELKIN MOTOR CO., Mebane, N. C. ANDERSON MOTOR CO., Burlington, N. C.
