Sold Sugar at 15c. and Fined \$500—How Much Fine for 20c. Seller?

This morning's papers bring the news that a profiteer at Binghamton, N. Y., retailed sugar for 15 cts. per pound, was convicted and fined \$500. The government is "going after" profiteers, not only in sugar, but in other necessities. Indications are that amazing quantities of necessary food are in cold storage and hoarded for the purpose of unreasonably increasing the price to the consumer.

It is reported that a retail dealer in a town in the western part of the county sold sugar this week for 20 cts. per pound. How big should his fine be? or should he be let off with a fine?

A traveling man was in Graham yesterday and is reported to have given the name of a firm somewhere down South that would sell sugar at a price in 5,000-pound lots. The "traveling man" may, or may not, have been an agent of the firm. We did not get the name of either, but we feel sure somebody is scared. The hoarder ought to get something else than a scare. It's a job for the government.

It is reported that a lot of the aforesaid sugar was bargained for by local dealers in Graham at a price that will force them to sell at 15c. to get out with whole bones. The government should get hold of this firm.

Mr. McIntyre, and arrived here Monday evening at 6:18. They are for the present at the home of the groom's parents, Mr. and Mrs. James C. McAdams. The bride is a bright and attractive young woman. Congratulations and best wishes.

Greeks Prize Rugs.

Rug making is as old as Greece itself, but it was never made a commercial item, and it was rare indeed that a weaver could be persuaded to part with his rug. Greek rugs are of two kinds, the heavy ones used in winter and the light ones used at all times. In the beginning the designs were of the simplest, but later the Greeks borrowed floral designs from the Persians, which loan was amply repaid with the development of Grecian art. Venetian rugs are also very rare.

Ticket Not Filled Out.

There was a new baby in the corner house, and the proud parents had sent out announcement cards to friends and neighbors. Mary, who lived in the same block, was anxious to see the new baby, and was waiting impatiently for the time to come when she could go. One afternoon at another neighbor's house she saw that she, too, had an announcement of the baby's arrival. "Oh, did you get a ticket to see the baby?" she said. "We did, but it didn't say what day to come."

She Struggled to a Certain Hilltop.

She struggled to a certain hilltop and saw before her the silent in-flood of the day. Out of the east it welled and whitened; the darkness trembled into light; and the stars were extinguished like the street lamps of a human city. The whiteness brightened into silver, the silver warmed to gold, the gold kindled into pure and living fire; and the face of the east was barred with elemental scarlet.—R. L. Stevenson.

Fingers Tireless Travelers.

Typists' fingers are the most amazing travelers in creation, and are capable of going tremendous distances without the fatigue that would come to the feet and legs in performing a similar journey. In ordinary typewriting the hand may travel, according to an expert, 10,000 miles a year and not indicate any impairment in efficiency. This refers, of course, to the average typist in an office.

Poor Papa!

"Father, you took a science degree at college, didn't you?" "Yes, my boy; I spent two years on science." "When you look in a mirror the left side of your face appears to be the right side and the right side seems to be the left. The looking-glass reverses it, doesn't it?" "Yes, my lad." "Then, why, papa, doesn't it reverse the top and bottom of your face in the same way?"

About the Diamond.

The diamond is the hardest stone known. Its name (Greek, diamond) is derived from the French adamo—untamable. The word was probably attached to the stone because it conveyed the idea of invincible hardness. No acid will scar it; no solvent will dissolve it. Ages may pass without dimming the luster of its adamantine face.

Male and Female Swimmers.

Swimming comes easier to women than men because the specific gravity of their bodies is less than those of men. The proportion of flesh is greater in the body of a woman than in that of a man and the proportion of bone is less. Therefore the woman is lighter in proportion to her size and floats more readily. This gives her an advantage as a swimmer.

KEEP STRONG As an aid to robustness, thousands upon thousands use Scott's Emulsion as regular as clock-work the year around. A rich tonic, Scott's Emulsion is abundant in elements that contribute to the up-building of strength. Be sure that you buy Scott's Emulsion. Scott & Borne, Bloomfield, N. J.

A TWICE-TOLD TALE

One of Interest to Our Readers.

Good news bears repeating, and when it is continued after a lapse of time, even if we hesitate to believe it at first hearing, we feel secure in accepting it truth now. The following is the experience of a Burlington man, and is confirmed after 11 years. C. B. Ellis, music dealer, Davis St., Burlington, N. C., says: "I have no hesitation in saying that Doan's Kidney Pills are a good, reliable kidney medicine. I suffered from a light attack of kidney complaint and I got a supply of Doan's Kidney Pills from the Freeman Drug Co. After I took them the pain left me and I give them all the credit for relieving me." Mr. Ellis gave the above statement in December, 1907, and on July 16, 1918, he added: "Doan's Kidney Pills have given me a permanent cure, and I can certainly praise them as being a wonderful kidney medicine." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ellis had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin", the true, genuine, American made and American owned tablets are marked with the safety "Bayer Cross". Ask for and insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage.
