GRAHAM, N. C., Oct. 16, 1919.

## Postoffice Hours.

Office open 7:00 a. m. to 7:00 p. m.  
Sunday 9:00 to 11:00 a. m. and 4:00 to 6:00 p. m.  
R. N. COOK, Postmaster.

## LOCAL NEWS.

—It is real warm again since the rain the first of the week.

—Miss Nell Ferguson arrived here Saturday from Nashville, Tenn., and is engaged in welfare work at the Traversa Mills.

—Mess. Rich & Thompson are installing an electric elevator in their furniture store in the Paris building on west side of court house square.

—The 13th Machine Gun Battalion with eight trucks, 3 men to the truck, passed through here last week going to Atlanta. Lieut. Smith was in charge.

—Mr. Banks Quakenbush has moved his furniture repair and upholstery business into the building at the Northwest corner of the court house square and next to Moon Motor Car Co.'s garage.

—Let everybody get behind the new hotel proposition and push it to a successful conclusion. The right kind of a hotel will draw the patronage—nothing to fear on that score. Push it along.

—Members of the Red Cross will bear in mind the meeting to be held at the court house at 10 a. m. Saturday. The purpose of the meeting is set forth by the County Chairman, Mr. E. S. Parker, Jr., in a notice elsewhere in this issue.

—A glorious and much needed rain began falling Sunday a little after sunset and continued through night and at intervals during Monday. It was a gentle rain—just what was needed, and was the first of any consequence that had fallen here in more than two months.

—“Free Air” is the wording on the electric light shade which tops the piece of mechanism standing at the edge of the sidewalk in front of the Graham Tire Co.'s place of business on the west side of N. Main St. The company sells all kinds of tires and furnishes “free air” for filling them, whether they sell you tires or not. It is a unique sign, attractive, and a utility—all combined.

—The Confederate Veterans who went from here to the reunion at Atlanta have returned. All express themselves as having had a good time. Mr. J. N. H. Clendenin was the last to get back. He returned yesterday, after visiting relatives at different points on the return trip.

—A giving away of the foundation on one side of the front entrance to the new garage building on W. Harden St. since the rain of Sunday night and Monday caused the front wall to bulge. That portion of the front is being taken down to mend the foundation and make it absolutely secure.

## Among the Sick.

Mrs. W. W. Garrett has been real sick for several days past.

Mr. E. Lee Henderson, at St. Leo's Hospital, is reported to be slightly improved.

## Club Meeting.

The Woman's Literary Club of Burlington and Graham was entertained yesterday afternoon by Miss Blanche Scott.

## Tribe Improved Order of Red Men Instituted.

On Tuesday night a Tribe of the Improved Order of Red Men was instituted here with twenty members to start with. About 100 members of the order from the Tribes at Carrboro, Haw River, Burlington, Gibsonville and Greensboro were present at the institution ceremony. The degree work was conducted by the Gibsonville team.

Mr. W. Ben. Goodman of Elizabeth City, Grand Council of Red Men, was among those attending the institution ceremonies.

The following officers were elected: Prophet—W. Ernest Thompson. Sachem—D. M. Johnson. Senior Sagamore—John A. Forlines.

Keeper of Wampum—E. E. McAdam.

Collector of Wampum—T. C. Moon.

Keeper of Records—Chas. N. Norwood.

Keeper of Wigwag—Lon. G. Turner.

Keeper of Forest—John M. Crawford.

## Mr. J. D. Lee's Store Burglarized.

Last Thursday night after 12 o'clock the dry goods store of J. D. Lee was burglarized and coat suits and shoes worth between \$500 and \$600 and jewelry to the amount of about \$300 were stolen. The entrance was effected through a window at the rear end of the store. L. G. Nichols at Raleigh was phoned to Friday morning to come and bring his bloodhounds. He arrived by auto with the hounds about one o'clock Friday. A trail was struck and followed over in a woods near Burlington and resulted in catching a negro who was placed in jail. At the hearing the negro was discharged for lack of evidence. No trace has been found of the goods or thieves, but it is hoped a real trail will be struck that will lead to the conviction of the thieves. Evidently the thieves had ample preparation for getting away quickly with their loot.

## PERSONAL.

Mrs. Jacob A. Long spent last Friday in Greensboro.

Mr. Robert Harden of Greensboro spent the first of the week here with relatives.

Mr. Cecil Cooke, in school at the State College, Raleigh, was here the first of the week.

Messdames C. S. Hunter and R. L. Holmes and Mr. Eugene Hunter spent last Saturday in Raleigh.

Miss Lucile Holmes, in school at Meredith College, Raleigh, spent last Sunday at her home here.

Mr. Scott Hunter in Y. M. C. A. work, headquarters in Greensboro, spent yesterday here on a visit to his mother, Mrs. C. S. Hunter.

Mr. W. A. Thompson has returned to his home at Columbus, Ga., after a two weeks' visit here to his parents, Mr. and Mrs. S. J. Thompson.

Mess. J. L. Scott, Jr., and H. W. Scott left yesterday evening on a business trip to New York and other points North.

Mr. J. D. Lee left Tuesday for Lumberton to attend the Fair at Lumberton, where he will act as judge of the poultry exhibits.

Mr. and Mrs. Ben B. Holt went to Pittsboro Saturday to visit Mr. Clark, Mrs. Holt's father, who is sick, and returned Tuesday.

Messdames J. W. Menefee and Will E. White and Miss Mamie Parker attended the State meeting of the U. D. C. in High Point last Thursday. Mrs. Allen B. Thompson was in attendance as delegate from Graham Chapter.

Miss Margaret Hunter, in school at Peace Institute, Raleigh, came home last Saturday evening and spent Sunday at her home here. She was accompanied by Messes Annie Landis of Oxford and Nettie Allison of Charlotte.

Mr. Junius S. Cates of Washington, D. C., was here Tuesday. Had been on a visit to his parents, Mr. and Mrs. H. M. Cates, near Swepsonville. Mr. Cates is on the staff of the Country Gentleman and is contributing some very interesting articles on the various phases of agriculture in the South, gathering first-hand information from farmers who have succeeded and how they did it.

## Broom Factory for Graham.

Alamance Broom Co. is the name of a new enterprise that is being started in Graham and will be located in the upstairs over the Nicks-Euliss stores at the Southeast corner of the court house square. Mrs. Allen B. Thompson is the enterprising proprietress and business manager of the new business.

The machinery for the factory is being set up and a supply of the necessary materials for making brooms is on hand. In about ten days the actual making of brooms will start and the capacity of the factory, according to the present plans, will be 75 dozen per day.

It is very fit indeed that a woman should be at the head of a business that makes a household article which is used to so large an extent by women; and we wish her all sorts of success and bespeak for her the cooperation and patronage of the town and community.

The opening up of this factory suggests two other industries—the raising of the necessary broom corn on the farms of the county and the making of the broom handles for which there is wood suitable and plentiful in this county.

## The Welfare Dinner in Honor Dr. Fleming.

On Friday, 3rd inst., public-spirited citizens of Burlington gave a dinner at the Piedmont Hotel in honor of Dr. P. H. Fleming, County Supt. of Public Welfare for Alamance county. In all about 100 guests—ministers, teachers and others—were present.

After dinner, the toastmaster, D. R. Fonville, Esq., introduced the speakers, as follows:

Organization and Principles of Public Welfare Work—R. F. Beasley, Raleigh, N. C., N. C. Commissioner of Public Welfare.

Public Welfare Work and its Relation to the County Board of Education—J. L. Scott.

County Commissioners and Their Relation to Welfare Work—C. P. Albright.

The Minister and Public Welfare—Rev. J. E. Pritchard.

Business and Welfare Work—W. E. Sharpe.

Education and Welfare Work—Dr. W. A. Harper.

County Welfare Work—Dr. P. H. Fleming.

It was a delightful occasion and the speakers showed a spirit of uplift that betokens betterment to a great degree along lines heretofore sadly neglected. Com'r Beasley, whose heart is in the work, spoke most complimentary of the occasion, saying he had not met a finer body of men on a similar occasion and seen a finer spirit manifested, and that the outlook in Alamance for success of the welfare work was most propitious.

## Tractor Demonstration.

On Monday of last week the Kirk Holt Hardware Co. gave a Fordson tractor demonstration on Mr. Layton S. Walker's farm near Graham station. A half dozen Fordsons were on hand to show to the more than 125 farmers from all parts of the county how power farming is done. The ground was dry and hard, for there had been no rain for nearly two months, but the little giants with disc and mold-board plows, disc harrows and cultivators, each going over the land one time, left a deep, fine, mellow seed-bed. Almost an impossibility was accomplished—by horse-power with ordinary teams it would have been. The result must have been a revelation to nearly everyone present, for few, if any, expected to see anything like what was accomplished.

If there were doubters, they had little to say when the work was finished. The work was not only done well but rapidly, and under almost any conditions the tractor appears capable of doing as much or more than four 2-horse teams and four men. Varily, the day of power farming has come!

At the noon hour Mr. W. K. Holt gave the visitors a splendid lunch of sandwiches, lemonade and soft drinks.

## Important Meeting Alamance Chapter Red Cross.

The members of the Red Cross in Alamance county are notified that there will be a special meeting of the Alamance Chapter of the Red Cross held at the court house in Graham on Saturday, October 15, 1919, at 10 o'clock a. m.

This meeting is called to take action on “Decentralization” and restoration of the local chapters at Burlington, Mebane and Graham.

All members of the Red Cross and particularly all officers are urged to attend.

This October 15, 1919.

E. S. PARKER, JR., Ch'm'n Alamance Chapter.

## Needed Protection

Keep your body well nourished and strong and there is little danger. It's essential that you keep up your resistance. There are thousands of families who would not dream of being without the protection that

## SCOTT'S EMULSION

affords. The right idea is to start in the fall with Scott's Emulsion and be protected for a strenuous winter.

It's Scott's you ask for.

The Norwegian cod-liver oil used in Scott's Emulsion is superior to any other.

## HEALTH WORK AMONG SCHOOL CHILDREN.

State Dentist and Nurse Examine Children for Diseased Teeth and Other Troubles—Emergency Hospital Opened and Operations Performed.

So many questions have been asked concerning the health work which is being done in the county that I shall take this opportunity to acquaint the people with some of the facts relative to this work. This work was begun two years ago by the teachers of the county when an examination was made of every child in school and the records recorded on cards furnished by the State Board of Health. The work being done now is a part of the State Health program and is following up the preliminary work done by the teachers. Dr. J. C. Johnston is the State dentist assigned to this county for a period of 3 months to do the dental work. All children between the ages of 6 and 12 are getting a dental examination and treatment free. A large number of children have already been treated and the parents are delighted with the excellent work done by Dr. Johnston. He examined and treated nearly 250 children in Burlington alone. Since leaving Burlington he has visited the other towns in the county and has been visiting the rural schools as fast as they open. The time which the State will give the services of Dr. Johnston will not be sufficient to allow the necessary time at each school. However, the County Board of Health, realizing the great importance of this work, has made arrangements to secure the services of Dr. J. C. Johnston for an extended period of two months, and has also secured the service of a colored dentist to do the work among the colored schools. The County Board of Health will depend on private donations from public-minded citizens to secure the funds. This step was taken so that it would not be necessary to rush the dentist from the school before the work in that school was completed. Any one wishing to help along this good work may send a check to C. P. Albright, chairman County Board of Health.

In addition to the dental work arrangements are being made for the treatment of all children who may have diseased tonsils and adenoids. Miss Mary Gail Hayes, a trained nurse employed by the State Department of Health, is in charge of this work in the county. A committee from the Parent-Teachers Association in Burlington, Mrs. W. E. Sharpe, chairman, has co-operated with Miss Hayes in fitting up an emergency hospital in the Armory Building in that city. This hospital will be opened October 14 and will continue for 10 days. It is most likely that another clinic will be established a little later. A corps of trained nurses will assist the doctors in taking care of the children. Children being operated on will remain in the hospital for 24 hours and will have the very finest care and most skillful attention. Dr. W. E. Walker and Dr. C. W. McPherson have been employed to do the operating. These doctors are employed by the day and paid by the State Board of Health. Their salary will be the same, regardless of the number of operations performed in a day. The cost of the operation will be \$12.50. This is exactly one-half the regular price charged by these doctors in their offices and is about one-fourth the usual price charged by specialists over the State.

These clinics, organized and carried on under the direction of the State Board of Health, have a finer record than the Bellevue hospital in New York city. This is due to the excellent care and precaution which is taken by the trained nurses as well as to the careful selection of specialists to do the work. Since July 1, over 600 children have been operated on in the State with no serious result in any case.

Any parents who have been notified by Miss Hayes that their children need operations and who have not informed Miss Hayes as to whether or not they wish this operation performed, will please address her at Graham as early as possible. If there are any school children who have not been seen by Miss Hayes and who would like to have this operation per-

formed may also address Miss Hayes, and, if possible, she will arrange to have them operated on in this clinic.

It is earnestly desired that no boy or girl shall be handicapped through life because of neglect. Every parent who has a child in need of such an operation should take advantage of this opportunity.

M. C. TERRELL, Superintendent.

## EDWARDS-SELBY.

Pastor Rev. John R. Edwards of Graham M. E. Church United in Marriage with Miss Gertrude Selby.

A very pretty wedding was solemnized Wednesday morning, the 1st inst., in the Methodist Episcopal church at Aurora, N. C., when Miss Gertrude Selby became the bride of Rev. John R. Edwards.

The pretty little church was decorated with pines and goldenrod, and filled to its capacity with relatives and friends of the bride and groom. Miss Mary Spence at the organ rendered “Traumeral” and “Hearts and Flowers,” while the guests of honor were ushered in to the strains of Lohengrin's wedding march.

The ushers, Mess. R. A. Thompson, J. R. Selby, W. L. Selby and H. G. Selby, entered and took their places inside the chancel. Then the bride's maids, wearing white organdie dresses, black picture hats, and carrying yellow dahlias, entered, namely, Miss Laura Brodgen, Miss Ola Edwards, sister of the groom, and Miss Rebecca Bonner. Mrs. D. H. Dixon and Mrs. H. G. Selby, were dames of honor. Miss Virginia, maid of honor, gown in yellow georgette, wearing a black picture hat, and carrying a large bouquet of yellow chrysanthemums, entered and took her place at the altar. Then came the bride accompanied by her uncle, Mr. D. H. Dixon, who gave her away. She was most becomingly attired in a going away suit of reindeer with shoes, hat, and gloves to match. She carried a large bouquet of bride's roses. She was met at the altar by the groom with his best man, Mr. Curtis Criesman. The ring ceremony was used. Rev. E. B. Troy, pastor of the bride, officiated.

At the conclusion of the ceremony the bridal party marched out of the church to the strains of Mendelssohn's march and proceeded to the A. C. L. station where Mr. and Mrs. Edwards, mid showers of rice and good wishes, boarded the train for a bridal tour to Norfolk, Washington, Philadelphia and other northern points.

Mrs. Edwards, the daughter of Mr. Beulah K. Selby, is a graduate of Trinity College and is pastor of the Methodist Episcopal church in Graham, N. C. He is a progressive young minister and is liked by all who know him.

An elegant reception was given the bridal party at the home of her mother on the evening preceding the wedding.

Mr. and Mrs. Edwards arrived here Tuesday afternoon and went to the M. E. Parsonage on N. Maple St., which the ladies of his congregation had set in order for his coming, and were given an informal reception during the evening.

## SALE OF REAL ESTATE UNDER DEED OF TRUST.

Under and by virtue of the power of sale contained in a certain Deed of Trust executed June 10, 1918, by J. E. Mariette and wife, which deed of Trust is duly recorded in Book of Mortgages and Deeds of Trust No. 77 at page 117, in the Public Registry of Alamance County, default having been made in the payment of the bond said Deed of Trust was executed to secure, the undersigned trustee, will, on

## Better Roads for United States.

Maine, by an overwhelming vote, recently endorsed the proposal to raise the bonded indebtedness of State highways from two million to ten million dollars, giving an additional eight million dollars to be spent on the State road system. This is one of the instances showing a country-wide movement for better highways, as reported to the United States Department of Agriculture, which administers the Federal Aid Road Act.

## Brunswick Principles In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture.

The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, jealous of its good name. Since 1845 the House of Brunswick has been famous for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.

## 1919 TAXES DUE

The County Commissioners have turned over to me the Tax Books for 1919.

The last Legislature passed a State-wide law allowing a discount of 1 per cent. on all taxes paid before Dec. 1st, a flat rate for December, and adding a penalty of 1 per cent. per month after January 1st.

Pay and get the discount and avoid the penalty.

## 1919 Dog Tax Due

Dog license tax must be paid before Dec. 1st. The penalty is \$50 for failure to pay. Every dog must wear a tag. Respectfully,
