GRAHAM, N. C., Nov. 27, 1919

Southwest Alamance.

Cor. of The Gleaner.

We have been having unusual fine weather and people are having good health, except an epidemic of whooping cough that has struck some of the public schools. It seems to be in a mild form; as yet there has been no serious cases, though some of the schools will close for a few days.

Cortez Clapp is in a right serious condition from a fall he got while playing basket ball.

Our four-minute speakers on the seventy-five million drive are right on their job. We have had speaking for the past four Sundays and billed for one more. I think they are spending more for the literature they send to Mt. Zion church than the church will be able to pay on the drive, though that church always responds to every christian call as far as it is able and the able speeches that have been made to that church is enough without any expense for printed matter.

Vallie Spoon of Greensboro spent the week-end at home and attended the speaking at Mt. Zion Sunday.

L. H. Coble and family visited his brother Sunday and attended the speaking.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Graham People Know to Save It.

Man Graham people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Doan's Kidney Pills are a remedy that has helped thousands of kidney sufferers. Here is a Graham citizen's recommendation.

Mrs. C. E. Moore, E. Harden St., says a year ago an operation left with weak kidneys. I suffered with dull headaches, was very nervous and was annoyed by my kidneys acting irregularly. After I took Doan's Kidney Pills my kidney troubles were regulated and the other troubles all disappeared.

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same Mrs. Moore had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

NEW FORM OF IRON RELIEVES STOMACH TROUBLES

Eat What You Like—Stop Suffering From Acid Stomach—Gas, Pains and Other Forms of Indigestion—Results Almost Immediately

For years physicians have been searching for a form of iron that could be combined with certain other ingredients like pepsin, etc., for use in treating chronic disorders of the digestive tract, mal-assimilation etc., etc. This is sufficient evidence that the medicine recognizes the great value of iron for stomach troubles when administered in proper form.

If you have been disappointed with lack of results from pills and tonics said to contain iron you can now understand that the iron was not presented in a form that could be absorbed by the stomach into the system. And therefore could not possibly bring you benefit.

This new form of iron is not prepared by chemists—it is found in Nature itself combined with other highly beneficial medicinal agents. It is quickly absorbed by the system and its sufficient measure to bring results.

that you can feel in a very short time. Just ask your druggist for Acid Iron Mineral. He will also tell you that stomach troubles are relieved by taking a spoonful in a glass of water three times a day. And for acute conditions like "sour stomach" etc., a single dose will in most cases bring relief. This natural form of iron seems to neutralize the excess acid in the stomach as nothing else in all medicine. Stomach disorders of long standing where the patient is subject to distress after eating, gulping, headaches, dizziness, etc., yield positively to steady treatment with Acid Iron Mineral.

And don't forget that the general system is strengthened and invigorated owing to the iron content of this great medicine. All druggists cheerfully refund the purchase price if the results are not satisfactory to you in every way.

For Sale by All Good Druggists.

Why is A Headache?

Various Causes for this Common Affliction

Anemia or Bloodlessness a Very Common Cause

Pepto-Mangan Overcomes Anemia and Tends to Prevent Headaches

When one has an occasional headache it is usually due to some transient or passing cause, such as indigestion, eye-strain, over-tiredness, etc. When, however, one suffers from frequent periodic headaches there is always some special reason for it. Among the most common of such reasons is Anemia or Bloodlessness. This condition is especially frequent among girls and young women and those whose occupation or habits of life keep them too much indoors. The one important necessity in such cases is to build up the quantity and quality of the weak and watery blood. Gude's Pepto-Mangan is exceptionally valuable for this purpose. It increases the number and improves the quality of the red blood cells, those vital little bodies which carry nutrition to all parts of the body. It improves the appetite, imparts color to the face, and restores health and strength to the body generally. After a short course of Pepto-Mangan the headaches decrease in frequency and severity, and finally disappear, if they are due to Anemia. Pepto-Mangan may be had either in liquid or tablet form, as preferred. When buying Pepto-Mangan be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.

Every farmer is interested in getting large crops and ample profits this year. This is laudable and highly desirable. But good crops will be needed next year and the years that follow. To make this possible the soil must have such culture as will improve its fertility.

DELCO-LIGHT

"Electricity for every Farm"

The Delco-Light engine is the valve-in-the-head type—used in the best and most powerful airplane engines and in hundreds of thousands of automobiles.

It is air-cooled—runs on kerosene in any climate—has only one place to oil and has a simple mixing valve in place of carburetor.

The storage battery is exclusively designed and built for Delco-Light with thick plates, wood and rubber separators and many improvements that insure long life.

Delco-Light long ago passed the experimental stage and has gone through the refining influence of three and one-half years of production and of usage by 75,000 customers.

You will find plants in the homes of your community. Just ask your neighbor about his Delco-Light plant.

Delco-Light makes happy homes; it saves time and labor, taking away lots of hard, unpleasant tasks. It "Pays for Itself" by the work it does and the time it saves.

Of the more than 75,000 Satisfied Users of Delco-Light, the first are among the most enthusiastic—proof that the simplicity and durability of Delco-Light meets the requirements of its customers.

"The 52 Biggest Problems of the Average Southern Farmer"

EVERY member of The Progressive Farmer staff has had actual farm experience—most of us are running Southern farms now—and from our own experiences, and from the multitude of farmers' letters that come to us every year, we believe we have figured out a pretty nearly perfect list of these "fifty-two biggest problems" of the average Southern farmer, and we are going to treat them in next year's Progressive Farmer.

We are going to treat them, too, in order of timeliness, just as far as possible. For the aim of The Progressive Farmer, always, is to tell the subscriber just what he wants to know, just when he wants to know it, and in as few words as possible.

Here's the list of big problems we shall treat during the fall months, and the date on which each discussion will appear:

November 1—Financing the Farmer: (Personal and Short-term Credit; Long-term Credit for Land Purchase; Avoiding "Time-prices"; Utilizing National-Farm Loan Associations, etc.)

November 8—Systems of Farming—Affecting Soil Fertility, Money Profits, Prosperity and Permanence of Rural Life.

November 15—Arranging and Erecting Fences; Relative Values of Different Systems, Material, etc.

November 22—How to Reduce Land-washing to a Minimum. (Terracing, Ditching, Filling Land with Humus, Proper Use of Steep Hillsides, etc.)

November 29—What Changes Are Needed to Insure Better Health for Men, Women and Children on the Farm?

December 6—Winter Care and Feeding of Horses, Mules, Cattle and Hogs.

December 13—Getting Rocks and Stumps Off the Land.

December 20—How Farm Neighbors May Work Together for Greater Profits and Happiness.

December 27—Business Methods on the Farm; (Inventories; Records; Accounts; Banking; Cost-keeping; Advertising; System in Correspondence and Making Sales, etc.)

The above subjects are of vital importance to you and alone are worth the price we ask, and remember The Progressive Farmer carries many other big features not mentioned above.
