SCOTT'S EMULSION. which does what your regular food should do but all too often fails to do—nourishes and strengthens the whole body. It is the results that follow the use of Scott's Emulsion that have made its multitude of friends.

SCOTT'S EMULSION. The Norwegian cod-liver oil used in Scott's Emulsion is superior to any other because of its purity and quality. Its purity and quality is unexcelled.

Church Social Last Friday Evening.

Last Friday evening at 8 o'clock the membership of Graham Presbyterian church gave a social at the church for the purpose of having them meet Rev. Mr. Caldwell and his bride, who arrived Tuesday afternoon before. They were married at Midway, Ky., on the 11th. Mrs. Caldwell, who was Miss Mary Clark, is a very charming young woman. The evening was one of real enjoyment, and it was well if the membership of every church would occasionally have such a gathering that the membership could get better acquainted and cultivate bonds of fellowship and friendship. A feature of the evening was the music led by Miss Annie Folger, assisted by a chorus of young ladies. During the evening a dainty salad course and coffee were served. A large part of the membership of the church was present, besides a number of invited guests.
