LOCAL NEWS.

Place a Red Cross Christmas Seal on each letter you mail and help a good cause.

Mrs. W. R. Gofly is entertaining the Graham Chapter of the U. D. C. this afternoon.

The Ladies' Aid Society of the Graham Christian church met yesterday afternoon with Mrs. J. B. Farrell.

An examination was held here last Saturday for Federal census enumerators by Postmaster R. N. Cook. There were eleven applicants from only eight townships. Looks like census enumerator jobs are going begging.

The Chas. A. Thompson farm just out of town on the Graham-Sweepville road, sold last Saturday for good prices. The 61.63 acres brought \$6750, an average of about \$109.50 per acre. The highest price paid was \$142.50 per acre and the lowest \$66.00 per acre.

Mr. Richard N. Burke met with a very painful accident in the machine shop at Oneida Mills this morning. His left hand was caught by a rip-saw which cut off or mangled the four fingers of the left hand up to about the first joint. Dr. J. J. Barefoot dressed the wound.

The new pastor of the M. E. church, Rev. C. T. Thrift, arrived last evening at 6:18. He went direct to the M. E. parsonage, where supper was awaiting him and family. His family consists of himself, wife, a son and two daughters. He comes from Danville, Va., having just been transferred from the Virginia Conference to the North Carolina Conference.

Hon. Joseph G. Camp of Atlanta, known as the "Imperial orator of the Southland," lectured to a good audience at the Presbyterian church Tuesday night. He spoke under the auspices of the Anti-Saloon League of America in advocacy of world prohibition, his subject being "Uncle Sam's relation to the new world conditions." He is a very interesting talker.

Parent-Teacher Meeting.

On Monday night at 7 o'clock at the Graded School building the Teachers will entertain the Parents. All parents of school children are cordially invited to come and mingle with everybody and help in the cooperative spirit between the parents and teachers.

County Demonstrator Serves Dinner.

Miss Irma K. Coble, County Demonstrator, served dinner at the court house Monday and had as her dinner guests the members of the Board of County Commissioners, the Register of Deeds and his office force, the Supt. of Schools and Mr. Jas. P. Kerr, the County Agent. Those who were privileged to partake enjoyed the meal and speak in high terms of Miss Coble's culinary accomplishments.

Red Cross Christmas Seals.

The Red Cross has on sale Christmas Seals at the drug stores and will arrange later to place them on sale at business houses and at the post office. The quota for Graham is \$200, twenty-five percent of which will be retained by the local Red Cross to be used for any necessary purpose. All business firms and others are urged to buy them to help the work of the Red Cross. Mrs. Lynn B. Williamson is chairman of the Red Cross Christmas Seals committee.

Mr. Walter E. Storey Chosen Secretary of Graham L. & T. Co.

The Graham Loan & Trust Co. is fortunate in securing Mr. Walter E. Storey as Secretary-Treasurer to succeed Mr. Edwin W. Lasley, who has had to give up the work on account of eye trouble, and who will soon go to a specialist for treatment. Mr. Storey is an energetic young man of good business qualifications and it is felt sure that he can and will manage the affairs of the company successfully and to the satisfaction of its patrons.

Graham Baptist Church "Over Top."

The great 75 million dollar drive by the Baptists is progressing most satisfactorily. From the reports from all sections of this State and the entire South splendid progress is indicated. Graham Baptist church could not be classed as wealthy, but it consists of a band of earnest and united workers. The drive closes on next Sunday, and it already has pledged amounting to \$7,001.80 to be paid weekly for 5 years against an apportionment of \$5,000.00. Pledges have been made by 101 out of a total membership of 129. This is a splendid showing.

Social Items.

The members of the Triangle Club gave a party Thanksgiving evening to some of their friends—each girl inviting one guest.

A speech of welcome was made by the president, Miss Letha Eaton, in which she explained purpose of the Club, and gave the motto: "True Womanhood." She then, in the name of the Club, thanked Mr. J. Harvey White, who was present, for making the Club possible. Mr. White responded.

The members of the Friendship Circle gave a party for their friends Friday afternoon, Nov. 28.

Pale, Anemic Girls Need a Blood Tonic

Pepto-Mangan Enriches and Builds Up the Blood.
Pallor, Headaches and Shortness of Breath Disappear.
Pepto-Mangan Sold in Liquid and Tablet Form.

Why should any girl or young woman continue to have a pale, sallow complexion and a listless, run-down system devoid of energy and vitality? Such young folks are continually unhappy and dejected simply because they accept such a condition as their misfortune, and envy their friends who are in the bloom of health and enjoying all the good things of life.

If such young women would realize that their anemic condition is probably due to thin, impoverished blood, which could easily be enriched by Gude's Pepto-Mangan, how much happier and attractive they would be. Gude's Pepto-Mangan is a safe, beneficial and pleasant tonic for anyone suffering from any ailment caused by poor blood. If taken regularly for a few weeks it will enrich the blood with thousands of the healthy red-blood cells that are needed to carry nourishment to every part of the body. Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients.

Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.

Fifty Thousand Bond Issue

Graham Township to Vote for \$50,000 to Build Roads and Bridge.

A petition signed by almost every voter in Graham township was presented to the County Commissioners Monday, asking for an election on issuing \$50,000 in bonds to building roads and a bridge. The Board granted the petition and ordered the election to be held on the 6th day of January, 1920.

From the funds arising from the sale of the bonds a road will be built north from Graham to or near the old Sella's mill place on Haw river and a bridge will be built over the river. This road will connect with the Federal aid road coming this way from Caswell county agreed upon at a citizens' meeting last spring. Whatever is left of this fund will be used for other roads in Graham township.

A road north from Graham as proposed will tap one of the most prosperous sections of Alamance county. Extended from the Sellars mill place it will pass through Faucette township and will be of the greatest advantage to the people of that township. It will also be of great convenience to the people of Pleasant Grove, and will save the people of these two townships several miles travel when coming to Graham. A splendid section lies between Haw River and Big Falls (Hopdale) and northward from Haw river that few people than those living there know much about; because no improved road of consequence traverses it. We are sure it will rejoice those people to be put upon and near to a highway that will always be kept in passable condition, for in upkeep this road will have the advantage of a number of other roads, for the reason that it will be removed from the heavy truck traffic that is so trying on some of the other county roads.

Atlantic Coast Inventors.

The following patents were issued last week to Atlantic Coast inventors, reported by D. Swift & Co. Patent Lawyers, Washington, D. C., who will furnish copies of any patent for ten cents apiece to our readers:
Virginia—James B. Belk, Charlottesville, pump; Eugene A. Laughon, Roanoke, train control system; Frank Marthay, Oseka, safety envelop; Perry S. Martin, Harrisonburg, thermostat.
North Carolina—Otto H. Strom, Hot Springs, lubricating system, (sold).

Bazaar Saturday Night.

The ladies of the M. E. church of Graham will hold a bazaar at Hotel Graham Saturday afternoon and night. Oysters, salads, coffee, homemade cakes and candies, and ice cream will be served. There will also be on sale articles of fancy work suitable for Christmas presents. The public is cordially invited to come.

County Commissioners' Proceedings.

The Board met Monday in regular monthly session with all members present except E. L. Graves, and transacted business as follows:
T. M. Sharpe was granted free license to peddle soaps and toilet articles on account of having poor eyesight.
Augustus Allison, colored, was hired to Julian E. Sellars for one year as per order of Judge Stacy, upon payment of the court costs and the sum of \$30 every three months.

A petition signed by the required percentage of citizens of Graham township, asking for an election on a fifty thousand dollar bond issue for road and bridge construction, was granted and the election was ordered to be held on the 6th day of January, 1920. A new registration was ordered, and A. R. Henderson was appointed registrar and Chas. P. Harden and J. S. Cook were named as poll holders.

Upon petition from the County Board of Education an election was ordered to be held in Morton township, embracing Gilliam's Academy, for a special school tax election. The election will be held on the first Tuesday in January, 1920. W. H. Gilliam was appointed registrar and R. V. Moore and C. L. Lewis poll-holders.

A petition from the Melhops school district, asking for an election for a \$25,000 bond issue to build and equip building, was granted, and L. T. Johnston was appointed registrar and T. A. Albright and M. B. Miles poll-holders. The election will be held on the first Tuesday of January, 1920.
