MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear for Many Graham Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read a Graham case: Mrs. W. T. Ezell, N. Maple Street, says: "I was almost disabled with pains in the small of my back, and I suffered all the time. I was so nervous and had such headaches, I could hardly endure the misery. One of our family had used Doan's Kidney Pills with good results and told me to try them. I took this remedy and the pains and all other troubles disappeared."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ezell had. Foster-McBurn Co., Mfrs., Buffalo, N. Y.

Miss Marce Goley spent the week-end in High Point with friends.

As the Holiday Season approaches our hearts are filled with joy of living and giving, which is the true Spirit of Christmas, and who dares to say there is no Santa Claus as long as the world holds love and faith of little laughing children and the memory of our own happy childhood?

Not since that first Christmas Day in Bethlehem, two thousand years ago, when Jesus of Nazareth, born in a manger, came with His gift of Life Eternal, has the season carried with it such meaning as it does this year. A year of peace, the safe return of our army from over-seas, and the triumph of those things for which He lived and died, has put the heart back into the Christmas Season, and filled us with the joy that comes of forgetting ourselves in the happiness of others.

Wrapped in the sweetening power of Christmas, we seem to hear already the music of childish voices, with their joyous untrained melody, as they clasp each new and shiny toy.

Yes, it's going to be a wonderful Christmas.

This store has tried to the fullness of its ability to anticipate the Holiday needs of the buyers of this community. How well we have succeeded we leave to the judgment of our many friends and customers. We have endeavored to procure for you a full and attractive assortment of sensible, appropriate and altogether desirable gift goods—gifts that will reflect your good taste and assure lasting pleasure to the one who receives them.

We wish you and yours the best that the season has in store—peace, happiness, prosperity.

A Very Merry Christmas to one and all
