GRAHAM, N. C., Oct. 21, 1920.

Hamilton Holt, editor of The Independent, long one of the national leaders of the Progressives, announced his support of Governor Cox and says, "The League of Nations is the greatest moral issue since slavery."

If you have a Democratic friend or acquaintance, man or woman, that would like to vote on Nov. 2nd, or that you think would probably care to vote, that has not yet registered, see to it that that one's name is on the registration book not later than Saturday, 23rd—the last day.

Republicans have made the Covenant and League of Nations an issue in this campaign. All the nations of the earth, save Russia, Turkey and Mexico, and the United States, are now members of the League. The United States through its representatives wrote more of the pact than any other country. And though actual war ceased nearly two years ago, the United States is yet, theoretically, at war with Germany, because a Republican Senate has not and will not accept a peace pact under a Democratic President.

DR. DELIA DIXON CARROLL.

A good audience, composed about equally of men and women, gathered in the court house this morning at 10 o'clock to hear a woman, Dr. Delia Dixon Carroll, make a Democratic speech. She took off her gloves and waded in. Neither Democrats nor Republicans of North Carolina were given any credit for women voting in this State—but thanks was given to Tennessee. She said neither wanted the women this year.

Though she spoke only little more than half an hour, she touched the vital points in the campaign, State and national. Republicans are making capital of the revaluation act, for which they voted unanimously in the Legislature. They are against the League of Nations, because it originated under a Democratic administration.

Dr. Carroll is a brilliant woman and a good speaker. She leaves off most of the frills and handles the issues pointedly and directly. During her speech she was frequently applauded.

Let It Be Remembered.

It should be constantly borne in mind that the League of Nations is not one man's work, not one man's ideas. The Prime Ministers of other great countries participated with the American delegation in its formation, and President Wilson consulted not only with Democrats but with Republican leaders, and many of their suggestions were adopted and incorporated in the Covenant of the League.

Former President Taft suggested four amendments and they were all adopted. Charles E. Hughes, former Justice of the Supreme Court and Republican candidate for President in 1916, offered seven amendments, five of which were adopted. Elihu Root presented six amendments and five of them were adopted.

There was no "one-man government" in the formation of the League.

MRS. B. FRANK MEBANE FOR DEMOCRACY.

Mrs. B. Frank Mebane of Spry, the wife of a prominent Republican, is talking for Democracy and the League of Nations. She has been to Europe and saw the battle-scarred fields where hundreds of thousands of brave men gave up their lives fighting for home and country against territorial greed. She believes the league will not only enforce peace, but prevent war, and that is what Europe wants and all the world needs. She spoke to a great throng in Reidsville Monday night.

It will be remembered that Mrs. Mebane is one of the ladies who toured the West four years ago for Mr. Hughes, the Republican candidate for President, on his campaign. Since then she has witnessed what the world-war did for Europe and now she is for the league and Democracy.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists sell.

Rev. Dr. Gilbert T. Rowe, an eminent Methodist minister, has been elected editor of the North Carolina Christian Advocate at Greensboro. The former editor resigned some weeks ago.

Gov. Coolidge of Massachusetts, Republican candidate for Vice-President, spoke in Asheville Wednesday night. He was accompanied by Gov. Lowden, of Illinois, and Gov. Morrow of Kentucky.

WHOLE SYSTEM RUN-DOWN

Quick Improvement is Noted After A Few Doses of ZIRON Iron Tonic.

Increase in appetite, the coming back of strength, disappearance of headaches and other ills, are a few of the many good results obtained from the use of a new remedy (Ziron Iron Tonic).

Mr. Sim Grimsley, of Cordale, Ga., tried Ziron and has this to say: "When I began to take Ziron, it seemed that my whole system was run-down, but soon after I began to take Ziron, I could eat more each day and would feel a great deal better. Ever since it seems that my health has been improving, as I seldom have the headache or feel bad the least bit."

Ziron is a new scientific combination of pure medicinal inorganic iron, combined with phosphorus, the active principle of sux vomica and the hypophosphites of lime and soda. It will help to add more red corpuscles to your blood, resulting in more color in your cheeks—more vitality in your system.

DO YOU KNOW WHAT IS THE MATTER?

When You Feel Out of Sorts and See Things with a Dull Eye

LOOK TO YOUR BLOOD

Pale Complexions, Languid Feelings, Lowered Vitality, Need More Red Blood. Take Pepto-Mangan

So many people spend week after week feeling down and out. They never stop to think that something really is the matter. They satisfy themselves by saying, "Oh, I'm not sick. I'll be all right tomorrow."

And tomorrow comes again and again. Still they feel depressed and languid, scarcely able to get around.

If you don't feel like yourself, you are not yourself. If you are weak and pale, your blood needs strengthening. You should know about Pepto-Mangan, that famous blood tonic. Physicians recommend it and prescribe it because it contains just the ingredients needed to make red blood. It renews your energy, puts you where you ought to be. Begin with it today. Get the tablets if they will be more convenient to take than the liquid. Both have the same medicinal properties. But be sure you get the genuine Pepto-Mangan. Ask for "Gude's" and be sure that the full name, "Gude's Pepto-Mangan," is on the package.—Adv.

"Ziron Did Us Both Good," Writes Mr. Gentry, of Norene, Tenn.

It is a well-known medical fact, that iron is a necessary constituent of the blood, and that blood lacking iron is the cause of many troubles that only iron will cure.

Ziron, a scientific compound of iron with other valuable ingredients, is the remedy to take when your blood needs more iron, and your system requires a tonic. Ziron is mild and harmless, does not stain the teeth, and is good for children as well as adults.

Mr. F. G. Gentry, of Norene, Tenn., writes: "Ziron Iron Tonic has made good in my family. I have used it to a very great advantage to myself and my 14-year-old boy. It did us both good. I think it is a good medicine for what it is recommended."

If you are pale, weak, tired, feel down and out, take Ziron. It will put iron into your blood, and should help build you up. Get a bottle from your druggist today, and give ZIRON a fair trial. Sold by him under a money-back guarantee.
