DEMOCRATIC SPEAKINGS.

Mrs. B. Frank Mebane speaks at Mebane at 2 o'clock and at Burlington at 4 o'clock Saturday afternoon.

A good speaker will speak at the court house Saturday night.

Hon. J. Bryan Grimes made a strong and convincing speech to a large audience in the court house Monday night.

Next Tuesday should be Democratic day in county, State and nation. Make your ballot count in that direction.

Nov. 2nd—election day. Vote the Democratic ticket from the national on down. It means better things than does the opposition.

Republicans have spent more than three millions on the campaign; the Democrats considerably less than one million. Some evidence of a "slush" fund.

Whether next Tuesday sees the election of Cox or Harding, business will take on new life. The political game of the presidential size always affects business.

A vote for Cox means the determination to have no more world-wars. A vote for Harding means opposition to the plans worked out by the Council of Nations to prevent future wars.

The defeat of the ratification of the Versailles treaty was procured by corruption. Only one majority—Newberry—against it. His election was compassed by corruption.

Senator Harding says he will favor an "association of nations" for peace. If the covenant of peace and league of nations had come into existence under a Republican administration it would have been alright and the biggest thing since Moses received the tables of stone. It's the child of the wrong parent and it must be strangled.

GEN. JULIAN S. CARR.

Lately, on Oct. 15th, Gen. Julian S. Carr celebrated his 75th birthday. Rather the City of Durham, of which he is the most distinguished citizen and one of the pioneers and founders, celebrated his anniversary. On the afternoon of that day, from 3:30 to 5:30, every business suspended and the people filled the large grounds about the Carr home. The blast of whistles proclaimed the occasion. The Governor of the State and Mayor of the city made speeches. Representatives of Trinity College, the University, his church and the business interests also spoke. Citizens presented a silver loving cup three feet in height, and the negro citizens a costly walking cane. It was an occasion worthy of the city and the citizen in whose honor it was.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rattling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. F. J. O'NEIL & CO., Toledo, O.

The League Issue.

As the political campaign draws to a close, the people throughout the country who are patriots first, and partisans afterwards are beginning to fully realize the importance of settling the issues right, which are involved in the present political contest.

The league of nations has been assailed by more political prevaricators than was ever known before in a political campaign. The hirelings of Will Hays, who is trying to buy the Presidency, are going to all extremes in their endeavor to mislead the public and to becloud the issues. They are trying to tell the public that the league will be a promoter of wars instead of a preventive. The way they picture the league is that we will be constantly called upon to send our soldiers and navy to fight Europe's battles. The fact of it is that when the United States joins the league, as it should do without delay, Europe will have no more battles, and with the powerful aid of the United States the league will be able to prevent any war between organized governments from ever getting started.

The league provides for a commission to keep track of the military and naval preparations going on in any country. If any country is found to be building a war machine such as Germany built up before she started the last great war, the league will say to that country: "Quit your preparations right there". If such a country refuses to quit its military preparation, the other great powers of the league will apply the commercial boycott, and will neither buy nor sell the goods of the offending nation. In other words by applying its power of commercial strangulation the league will be able to paralyze any nation that attempts to start preparation for war. So this great league will not only prevent wars in the future, but it will prevent them without the firing of a gun or the shedding of blood.

People with kidney ills want to be cured. When one suffers the torture of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but not permanently. Doan's Kidney Pills have brought lasting results to thousands. Here is proof of merit from this vicinity.

T. J. Hargrove, grocer, 761 Maple Ave., Burlington, N. C., says: "I was troubled with a sore and lame back and at times the pains were severe. My rest was disturbed by the kidney secretions passing too freely. Doan's Kidney Pills were recommended to me by friends, so I bought a box. After I took them, the soreness and lameness went away, my kidneys were regulated and I was entirely cured."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hargrove had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Worn Down, Out of Heart

Georgia Lady, Worn-out and Tired, Tells How She Was Helped by Ziron Iron Tonic.

THE personal experience of Mrs. Nannie Phillips, of Powder Springs, Ga., is printed below in her own words: "I was in a worn-out condition. My stomach was out of order. I didn't sleep well. I was tired all the time. I couldn't half eat, and didn't rest well at night. "I would get out of heart and blue. I would feel like I was going to be down in bed. Yet I kept dragging around. "We heard of Ziron, and from what I read, I was sure it wouldn't hurt me. If it didn't help me. But after taking it, I found it really helped me, and I sent back for more. I ate better, felt much stronger. I am sure Ziron is a splendid tonic."
