OFFICIAL VOTE OF ALAMANCE COUNTY.

In this issue we are publishing the county official vote for 1918 as a matter of information and interest to the readers of THE GLEANER.

Next week we will publish the official vote for 1920. By comparison—those inclined to look into it closely—can be seen how and where the vote varies from what it was two years ago.

NORTH STATE SAFE.

North Carolinians have much to be thankful for and proud of in Tuesday's election. The Democratic ticket has won by an unprecedented majority, around 80,000. The Old North State will at least have good government. Three cheers for North Carolina Democracy!

The women marched up and voted like veterans. Whoever had a notion they knew nothing about politics, should have seen them fixing their tickets and passing them in and, at once, his mind would have undergone a change.

The Republicans have the presidency and Congress. If they fulfill their promises, good times will continue. Whether prosperity continues or not, all will fare alike in most cases.

Already the pie counter has loomed up. Republicans have been out so long that many of them are hungry for jobs.

PUT FIGHTING QUALITIES IN YOUR BLOOD

If You Are Pale and Weak, Without Ambition, You Need a Tonic.

TRY TAKING PEPTO-MANGAN

Rich, Red Blood Fights Off Disease and Keeps You Well and Enables You to Work With Pleasure

Serious sickness often comes when you least suspect. You may feel a little over-tired. You haven't been exposed to contagion, yet all of a sudden you are flat on your back and in for a siege of sickness.

Your blood did not have fighting qualities. It was weak and thin. Your vitality and powers of resistance were low.

When you overdo you use up energy. Your blood is driven to do more than it can. It becomes clogged with waste. The waste acts like poison. Disease germs get in your blood and dominate.

Don't let yourself get run down. Take that good tonic, Pepto-Mangan. It makes rich, red blood that will resist and rout out disease germs. Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. Comes in either liquid or tablet form. Both have the same effect.

Sold at any drugstore. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the name and be sure the full name, "Gude's Pepto-Mangan," is on the package.—Adv.

Doctor's Thrilling Struggle With Death Was Victorious

Fierce Battle with Grim Spectre Brought Health to Dr. H. V. Reese and a Message of Hope to Millions of Sufferers

AT SEVENTY-FOUR HE WEIGHS FORTY POUNDS MORE THAN AT FIFTY

While a Practising Physician in 1898 Dr. Reese Was Unable To Eat and Drink and Had to Wash Out His Stomach Three Times Daily—Decided To Devote Remainder of Life To Relieve His Own Condition Which He Did With R-11 and Now Is Hale and Hearty.

Although his life was despaired of twenty-two years ago by some of the country's foremost authorities on stomach troubles, of which he had been a sufferer for more than ten years, Dr. H. V. Reese today, at seventy-four years of age, weighs forty pounds more than he has ever weighed, is hale and hearty and possesses more vigor than most men of fifty.

It was in 1898 that Dr. Reese, then a practising physician of Huntington, W. Va., was told there was no hope for his recovery. His condition at that time was so critical that it was impossible for him to retain either food or drink in his stomach, and when, after going as long as possible without any nourishment, he would finally eat or drink something he would have to wash out his stomach before he had hardly swallowed a second mouthful. In fact, Dr. Reese's condition finally required the washing out of his stomach two and three times daily. In addition to stomach trouble Dr. Reese suffered from severe liver and kidney troubles, which generally accompany stomach ailments.

After he had sought relief through every known agency of the medical profession and had spent the major portion

of his earnings for many years previous, Dr. Reese finally determined to spend his remaining days in experimenting upon himself in an endeavor to discover a remedy for stomach, liver and kidney troubles. After months of heartbreaking failures and with his condition growing worse, Dr. Reese finally hit upon the formula which now is known as The Reese Formula R-11, that completely restored his health.

Dr. Reese has been persuaded for years by friends and users of The Reese Formula R-11 to put his remedy on the market, already compounded at a price within the reach of everyone. This he has done, and any leading druggist will explain to sufferers the merits of The Reese Formula R-11. This great medicine is not so-called patent medicine, but the ingredients, one or more of which are prescribed by every physician daily, are printed with each bottle.

Onyone suffering from indigestion, nervousness, rheumatism, backache, lumbago, sour stomach, heartburn, urinary, kidney or liver troubles of any kind will do well to talk over their case with their druggist today. It does not cost one penny to do this and you are under no obligation whatever.

RHEUMATISM SO BAD MRS. BLAIR COULD NOT MOVE HANDS OR FEET

Treatment of Several Doctors Was Without Result, but After Taking The Reese Formula R-11, Woman Now Can Do Her Own Housework.

Mrs. E. T. Blair, of Kitts Hill, Ohio, suffered so severely from rheumatism that at times she could not move her hands or feet. She began taking Reese Formula R-11, with such remarkable results that she can now do her own housework.

Local Drug Stores Buy Big Quantities of Wonderful Remedy

Large Purchases of The Reese Formula R-11 Are Made to Meet the Big Demand for Great Tonic and Body-Builders.

Graham Drug Co., with all the other leading pharmacies of this city and section, have purchased large quantities of The Reese Formula R-11 to meet the ever-increasing demand for this wonderful remedy for stomach, liver and kidney troubles. Leading druggists everywhere readily appreciate the merits of this great tonic and body-builder, and are supplying themselves with sufficient quantities to meet the big demand.

The Reese Formula R-11 is the result of a practising physician's own need for a remedy for stomach, liver and kidney troubles. Every one of the ingredients used in its preparation is prescribed daily by practically every doctor treating these ailments, because of the fact that they have been proven positively to be the best for its action on the organ it is intended to aid. The superiority of The Reese Formula R-11 lies in the skillful and scientific manner in which these tried and proven drugs are combined to give just the proper amount of each ingredient at each dose. It is for this reason that R-11 has succeeded in relieving cases where perhaps the same ingredients given in improper doses have failed.

Stomach Trouble Relieved by R-11 After Doctors Failed

James M. Long, of 435 North Second St., Ironton, Ohio, an employee of the Union Iron and Steel Company, has to say of The Reese Formula R-11:

"I have been doctoring for over six years for stomach trouble. Six doctors in Ironton and four in Portsmouth did not help me a bit. I have taken all sorts of remedies without results until I began taking The Reese Formula R-11. I have taken but one bottle but my stomach does not trouble me at all and I feel stronger in every respect. I am going to take another bottle although I feel that I am entirely well now. I most heartily recommend this remedy as it has, by relieving me, done something I did not think possible."

Union Labor Leader Says None Could Be Disappointed in R-11

Secretary of Central Labor Union Declares He Was Benefited More by The Reese Formula R-11 Than by All Other Medicines, and Says Sufferers Need Never Experiment When This Wonderful Remedy Can Be Had.

Sufferers of stomach, liver and kidney trouble "will never have to experiment if The Reese Formula R-11 can be procured," says W. F. Dodson, corresponding and recording secretary of the Lynchburg Central Labor Union. Mr. Dodson says "No one can be disappointed in this wonderful remedy, which I am absolutely sure I am right in recommending to anyone and everyone." This labor leader continues:

"I had stomach and liver troubles for a number of years, and took many kinds of remedies, which, it seemed, did me very little, if any, good. I had no appetite, and nothing that I ate seemed to agree with me. I just about decided to let the medicines go and tough it out when I saw an advertisement of The Reese Formula R-11. I gave this very little notice, however, as I had tried so many remedies that had only disappointed me. One day while I was talking with Mr. R. M. McGhee, who works in the shops with me, I asked him how he felt, for I knew he had been sick with a very serious stomach trouble. He told me he was a great deal

better; that he was taking a medicine that did him more good than anything he had ever taken. This remedy, he said, was The Reese Formula R-11, which he bought at the Union Crafts Cooperative Store. Knowing Mr. McGhee to be a conservative man and on the strength of his recommendation I decided to get a bottle of R-11, which I did that evening. I can state positively and truthfully that I received more real benefit from this remedy in one week than I ever got from all medicines I had tried. My appetite improved, indigestion disappeared, and I felt better generally than I had in months. I am very thankful I found out about this splendid remedy for stomach, liver and kidney troubles, and feel that no one will have to experiment any more if The Reese Formula R-11 can be procured. I would qualify this only to say that I think anyone that has had these troubles for any length of time should take two or three bottles of R-11 and I feel sure they will not be disappointed."

Anyone suffering from the after-effects of "flu" and pneumonia, indigestion, nervousness, sleeplessness, lumbago, backache, female weakness, urinary, bladder, stomach, liver and kidney troubles, will do well to get a bottle of this wonderful remedy today, or write the Medical Adviser, Medical Department, The Reese Formula Company, Huntington, W. Va., for advice concerning your own particular case.
