Give Thanks. Thanksgiving Day—this. Graham Graded School suspended yesterday afternoon for the Thanksgiving holiday, and will reopen Monday. Indications are that the day will be an ideal one for Thanksgiving activities—football, family reunions, dinners, hunting and such. On next Thursday afternoon, Dec. 2, at 3 o'clock, Graham Chapter of United Daughters of the Confederacy will meet with Mrs. R. N. Cook. The Ladies Aid Society and Missionary Study Class of Graham Christian Church will meet at 3 o'clock next Wednesday afternoon, Dec. 1st, with Mrs. J. B. Montgomery. The cotton mills of the county (all of them, a report says) closed yesterday at 3 o'clock for the remainder of the week. It is also reported that some of them will run three days next week; some will not start till the week following, and some may not start again till the first of the year. It is hoped that none of the reports is wholly true. However, part of the mills have been running on part time for several weeks already.

A party composed of Dr. and Mrs. J. Moll Thompson of Mebane and Maj. and Mrs. John J. Henderson and Miss Lorena Kernodle of Graham left yesterday evening for New York to witness the football game between the U. S. Military Academy and the U. S. Naval Academy teams on Saturday on the Polo grounds in New York City. The Army-Navy game is the biggest football event of the year.

There is more Ostarrah in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Ostarrah to be a constitutional disease, and therefore requires constitutional treatment. Hall's Ostarrah Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists; 7c.

Expected Horse Would Die—Now Sleek and Healthy. In reporting his experience, Mr. J. C. Huete, of Rock Bridge Baths, Va., stated: "My horse is the best advertisement you would want for Dr. LeGear's Stock Powders. He was in a run down fix and poor and I thought he would die soon. I got some of Dr. LeGear's Stock Powders—and today he is as fine a looking horse as you can see in this section. I only used a few boxes of Dr. LeGear's Stock Powders."

Mr. Huete benefited by the advice of Dr. LeGear, Graduate Veterinary Surgeon of 27 years' experience. By following the Doctor's treatment, you can keep your stock sleek and healthy. Here's his offer to you. Get a package of Dr. LeGear's Stock Powders from your dealer; feed it to your horses, milk cows, steers, hogs, and sheep as per directions. If after a thorough trial, the results are not satisfactory, just return the empty carton and your money will be cheerfully refunded. Dr. L. D., LeGear Med. Co., St. Louis, Mo.

HAD TERRIBLE SKIN DISEASE

Little Girl Improves Rapidly When Given ZIRON Iron Tonic.

Many mothers try one remedy after another, for the sufferings of their little ones, without apparently being able to find the right one. If anything seems wrong with the blood, or stomach, or if the child's system is run-down and needs strengthening, you may benefit by the experience of this Westmoreland, Tenn., mother, Mrs. John F. Angles, who writes: "My little girl had a terrible skin disease and her stomach was in such a bad condition. Nothing helped her, so we finally started to give her Ziron. She improved so rapidly from the first bottle, so we have given her two more. She is much better." Don't try other remedies first! Choose Ziron from the start. It has benefited many people suffering from poor blood, general weakness, loss of appetite and other symptoms which indicate lack of iron in the blood. Sold by druggists on a money-back guarantee.

Your Blood Needs ZIRON

DISCARDED AS DANGEROUS Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

The following case is but one of many occurring daily in Graham. It is an easy matter to verify it. You cannot ask for better proof. W. W. Garrett, proprietor restaurant, court house square, Graham, gave the following statement: In January, 1915: "I had a bad attack of kidney trouble and I thought my back was broken. I would be laid up for days, unable to help myself. My kidneys caused me a great deal of trouble, too. I had these spells every little while until I began using Doan's Kidney Pills. They did me more good than anything else I ever used. My back got stronger and my kidneys began acting as they should." On July 11, 1918, Mr. Garrett added: "I have no need of Doan's Kidney Pills lately. I think this remedy is just what it is represented to be. Every word of my former statement still holds good." Price 60c at all dealers. Don't pay ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Garrett had. Foster-Milburn Co., Prop's, Buffalo, N. Y.

WELL, HERE WE ARE! Santa Claus Has Come!

Hurrah for everybody! The elections are all over—the returns are all in. Out of 100,000,000 votes in the United States Santa Claus made a clean sweep, burying both Harding and Cox under a regular land-slide. Santa Claus has swept the whole civilized world, including the League of Nations, the isles of the seas, and Jerusalem. Undoubtedly this is the greatest victory for the little boys and girls in the history of the world.

It is a pleasure to announce that I now have in stock the greatest variety of Toys, and the most beautiful and valuable presents ever offered in Graham.

The prices are as low and lower than others. You will be pleased if you'll come and look them over. I am looking for you every day to come and pick your choice.

ASPIRIN LIFT CORNS OR CALLUSES OFF

Name "Bayer" on Genuine. Doesn't hurt! Lift any corn or callus off with fingers.

Take Aspirin only as told in each package of Genuine Bayer Tablets of Aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. If you see the Bayer Cross on tablets you can take them without fear for colds, headache, neuralgia, rheumatism, earache, toothache, lumbago and for pain. Handy tin boxes of 12 tablets cost few cents. Druggists also sell larger packages. Aspirin is the trademark of Bayer Manufacture of Monoaceticacidester of Salicylic acid.

Don't suffer! A tiny bottle of Freezon costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet and then lift them off.

When Freezon removes corns from the toes or calluses from the bottom of the feet the skin beneath is left pink and healthy and never sore, tender or irritated.
