As shown by the complete election returns of the State, there are yet some irreconcilable in the Republican ranks on the question of woman suffrage. Mrs. Mary Settle Sharpe as Republican candidate for State Superintendent of Schools started in the race with very considerable prestige. Her father was at one time Judge on the State Supreme Court bench and candidate for Governor; her brother was a Republican Congressman and also a candidate for Governor; herself a highly educated woman, a good campaigner, and popular with the thousands of young women who had been under her tutelage at the State College for Women. Notwithstanding the "pull" she had to start with Dr. Brooks, her opponent, received the largest majority, 81,976, of any Democrat on the State ticket, and her vote was next to the lowest on the Republican State ticket. Alamance Republicans helped to reduce her vote, feeling, perhaps, that the office to which she aspired was a "man's job."

Good kinds of green feeds for hens in winter, recommended by the United States Department of Agriculture, are sprouted oats, alfalfa meal, chopped alfalfa and cover hay, cabbages, and mangel beets. Cabbages may be hung up in the poultry house; the beets are usually split and stuck on a nail on the side wall of the pen about a foot above the floor to keep the feed clean. Keep oyster shells, grit, charcoal, and plenty of clean drinking water before the hens all the time.

Pepto-Mangan Makes Rich Red Blood and Lifts You Out of Bad-Health Ruts

There are days when you feel down-right sick. You think you couldn't feel any worse. Yet, as far as you know, there's nothing the matter with you. From the time you get up in the morning till you go to bed at night you are tired. You feel as though you'd like to sit down and do nothing. You look tired and pale and haggard. You get careless about your dress.

No wonder! Your blood is all clogged up with poison. Your power of resistance is at a low ebb. Your blood needs food. It needs the help that the vitalizing tonic, Pepto-Mangan, will give you. Instead of feeling exhausted and tired out for months, you will soon pick right up and feel well and strong again. And with good red blood you are able to fight off ailments.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form, and you can take one or the other and receive the same benefits. Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the full name and be sure the full name, "Gude's Pepto-Mangan," is on the package.—Adv.

Sleeps Like a Farmer's Boy, Eats Like a Horse

B. L. Allen Feels Like a Sixteen Year Old After Taking Less Than a Bottle of The Reese Formula R-11 for Stomach, Liver and Kidney Troubles.

"Put me down as a life-long booster of The Reese Formula R-11," writes B. L. Allen, assistant foreman for the Norfolk and Western Railway at Portsmouth, Ohio, in telling how this wonderful stomach, liver and kidney remedy converted him from a man who suffered "almost unbearable pains after every meal" into one who "eats like a horse, sleeps like a country boy and feels like a sixteen-year-old."

never closed my eyes, and after almost every meal I had almost unbearable pains in my chest. I saw The Reese Formula R-11 in Fisher and Strein Drug Store here and decided to get a bottle, as I always tried everything for stomach, liver and kidney troubles. I have taken only two-thirds of this bottle and now eat like a horse, sleep like a farmer's boy, and feel like a sixteen-year-old. If you wish to live me you are at liberty to do so, as I will always recommend The Reese Formula R-11. If you suffer from rheumatism, indigestion, sour stomach, backache, lumbago, urinary, or liver or kidney troubles, The Reese Formula R-11 will benefit you. Get a bottle today at Graham Drug Co., or at your own druggist.

WEAK, NERVOUS. Mr. Enoch Moore, of Oconee, S. C., tells how Ziron helped him: "I was nervous, and my limbs seemed to ache as though I was scared—or some such feeling. I can hardly describe it. I would have weak "trembles." I was shallow, had a draggy, worn feeling; didn't rest well at night. I read of Ziron and thought if it had helped others it might do the same for me. I knew I could at least try it. I began using ZIRON The Scientific Iron Tonic and very shortly I felt better, ate and slept more, and the weak, nervous feeling gradually left me. It was a tonic—a builder—I needed, and Ziron seemed to hit the spot." If Mr. Moore had not been benefited by the first bottle of Ziron he took, he could have gotten his money back, for Ziron is sold by reliable druggists everywhere on a money-back guarantee. Insist upon Ziron Iron Tonic. When you need Ziron, there's nothing else as good, so refuse imitations and substitutes. Ask your druggist for Ziron. Accept no substitutes. ZJ.3
