LOCAL NEWS.

Ardmore Orchestra, a Redpath Lyceum attraction, will be at the Opera House tomorrow (Friday) night. It should appeal to all music lovers, and will be enjoyed by all who hear it.

Some one with a disposition to figure has given out that a pair of flies swatted now will forestall the production of 324,000,000,000 of the breed during the coming fly season. That's lots of flies—the truth and correctness of which we neither confirm nor deny. But if the swatting of a pair now will reduce the breed to be contended with by a hundred millionth part, there will be many less to bother and vex during the coming season. However it may be, get your swatter and go after them in and out of season.

At the Presbyterian Church.

Rev. E. N. Caldwell will preach Sunday at both services. At 11 o'clock: "Pilgrims," and at 7 p. m. "Sears." All are cordially invited to worship with us.

Among the Sick.

Mrs. Chas. C. Thompson is improving daily, her many friends will be glad to learn.

Mr. T. P. Bradshaw, one of the oldest citizens of Graham, suffered a slight stroke of paralysis Monday morning. He has been in bed since and unable to speak. His condition is critical, we regret to state.

Rain, Hail and Snow.

It commenced to rain Tuesday night and continued on through yesterday. In the early afternoon some hail came along with the rain. Near night it ceased to rain and the snow and hail came thick and fast and when it stopped about ten o'clock the hail and snow was some two inches deep. It not being so cold and the ground being wet nearly all of it disappeared today.

Died.

Mr. William S. Kernodle, about 79 years of age, after a brief illness, died about noon last Sunday at his home on Haw river in the northwestern part of Morton township and the burial was at Bethlehem, near Alamahaw, at one o'clock Monday. Deceased was a veteran of the Civil War and was wounded at the battle of Gettysburg. He is survived by a son and a daughter and a sister, Mrs. I. N. W. Garrison, of Morton township.

CHAS. D. JOHNSTON CHAIRMAN.

New Board County Commissioners Met Monday.

The Board of County Commissioners, composed of W. O. Warren, Chas. D. Johnston, E. P. Dixon, J. H. Wilkins and John T. Love, convened Monday and organized by electing Chas. D. Johnston chairman. All are new members except Mr. Warren.

Mr. Johnston's fourteen years service as Register of Deeds and Secretary to the Board qualifies him peculiarly to be at the head of the Board.

Among matters before the Board were the following:

Dr. W. P. Lawrence, former member of the Board, elected at last election to represent Alamance in the Legislature, appeared before a joint meeting of the Board and the Democratic Executive Committee and discussed new legislation, and advocated a million dollar bond issue for good roads.

R. A. Lutterloh and John T. Love were appointed a committee to mark the official detour from Burlington to Elon.

Dr. P. H. Fleming, Welfare Officer, made his report, which was accepted.

Mrs. J. C. Cheek of Greensboro was elected official court stenographer for the next two years at a salary of \$7.50 per day and expenses.

Supt. Lutterloh and Jno. H. Wilkins were appointed committee to look after the proposed change in the road from G. R. Garrison's to Sterling Foster's in Faucette township.

T. J. Gwynn was elected registrar of vital statistics for Morton township.

Road Supt. Lutterloh and W. O. Warren were appointed committee to look after proposed change in the road from Hawfields to Haw River.

AFTER TWELVE YEARS

This Testimony Remains Unshaken.

Time is the best test of truth. Here is a Burlington story, but has stood the test of time. It is a story with a point which will come straight home to many of us. C. B. Ellis, music dealer, Davis St., Burlington, N. C., says: "I have no hesitation in saying that Doan's Kidney Pills are a good, reliable kidney medicine. I suffered from a light attack of kidney complaint and I got a supply of Doan's Kidney Pills from the Freeman Drug Co. After I took them the pain left me and I give them all the credit for relieving me."

Mr. Ellis gave the above statement in December, 1907, and on July 10, 1918, he added: "Doan's Kidney Pills have given me a permanent cure, and I can certainly praise them as being a wonderful kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ellis had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Mr. John T. Kernodle's Home Burned Tuesday Night.

The home of Mr. John T. Kernodle at Osage was burned Tuesday night, also his crib containing the year's crop of corn a few yards to the rear of the residence. The fire originated in the rear part of the residence where there was some fire during the morning. It was about 11 o'clock when some member went on the back porch and discovered the fire. A line of hose was laid from the Osage mills, but not soon enough to keep the home from being a total loss, but it helped to save other near-by buildings. Only a part of the furnishings in the front of the house was saved. The home was built by Mr. K.'s father before the civil war and at that time was one of the best country homes in that section.

Community Christmas Tree For Graham

Mayor R. L. Holmes has appointed the following committee to meet with him Monday night, 13th inst., to discuss and begin making plans for a Community Christmas Tree for Graham on Christmas Eve night, viz:

Rev. E. N. Caldwell, Arthur Williams, M. E. Young, C. H. Phillips, P. A. Holt, E. Lee Handerson, J. L. S. Dixon, J. O. Corbett, Boyd K. Trolinger, Dan E. Scott.

This will be a Graham affair and every citizen will be asked to take a part, both young and old. Announcement of definite plans will be made later. The general idea is to have a large, stage built in front of the Confederate monument. A big Christmas tree will be placed in the middle of the stage. This tree will be decorated with all colors of lights. A choir composed of the best voices of the town will be on the stage and will sing Christmas carols.

It is in the plan to carry out "THE WHITE CHRISTMAS" idea—giving instead of receiving. Churches, Secret Orders, Societies, individuals, everybody, will be expected to bring some article of foodstuff; non-perishable food, such as canned goods, potatoes, flour, meal, etc. This foodstuff will be turned over to the local Red Cross and will be distributed during the winter from time to time to families of our town who become in need.

The outlook for the winter does not seem so bright, and this is a chance to look out for our unfortunate ones who may become in need, and, too, at the same time it will be "A GET-TOGETHER" for all the people of our town. Every citizen should take a part in this affair, for it will be yours, Graham's, and not for any special one or class. Begin talking OUR COMMUNITY CHRISTMAS TREE at once, get in behind the movement, and if you should be placed on a committee to help, then throw your whole heart into the work and let's make it a howling success for OUR TOWN.

WELL, HERE WE ARE! Santa Claus Has Come!

Hurrah for everybody! The elections are all over—the returns are all in. Out of 100,000,000 votes in the United States Santa Claus made a clean sweep, burying both Harding and Cox under a regular land-slide. Santa Claus has swept the whole civilized world, including the League of Nations, the isles of the seas, and Jerusalem. Undoubtedly this is the greatest victory for the little boys and girls in the history of the world.
