

WOMEN OF MIDDLE AGE

Praise Lydia E. Pinkham's Vegetable Compound

Mrs. Annie Kwiniski of 526 1st Avenue, Milwaukee, Wis., writes that she became so weak and run-down that she was not able to do her household work. She says the name Lydia E. Pinkham's Vegetable Compound in the paper and said to her husband, "I will try that medicine and see if it will help me." She says she took six bottles and is feeling much better.

Mrs. Mattie Adams, who lives in Downing Street, Brewton, Ala., writes as follows: "A friend recommended Lydia E. Pinkham's Vegetable Compound and since taking it I feel like a different woman."

With her children grown up, the middle-aged woman finds time to do the things she never had time to do before—read the new books, see the new plays, enjoy her grand-children, take an active part in church and civic affairs. Far from being pushed aside by the younger set, she finds a full, rich life of her own. That is, if her health is good.

Thousands of women past fifty, say they owe their vigor and health to Lydia E. Pinkham's Vegetable Compound, and are recommending it to their friends and neighbors.

WOMEN GETTING BALD

The next five years will show women with Bald Heads, or going in that direction. Men attribute it to Heredity. What will the women say is the cause for it? Thousands of young men bald, or going that way, who had no need for getting bald or even scarce of hair. You surely can give one or two minutes each day to take care of your hair. This is all the time required. You owe this to Nature, as it was given to us in the beginning by Nature. Grow hair on your Bald Head. Grow new hair, destroy dandruff by improving the condition of the scalp which feeds the hair. Then you have the problem solved.

Forest's Original BARE-TO-HAIR is not a tonic, but is a scalp fertilizer and germicide. The results from its use has really created its own demand over the entire country. Literature and information sent upon request.

"Did you enjoy the show?"

Stand Up for Bagpipe

Scotsmen are aroused over the recent declaration of Sir Alexander Mackenzie that the old-fashioned, fiddle and not the bagpipe, is the national instrument of Scotland. They claim that the statement is an assault on tradition that has been firmly established. When H. R. Hewels, an authority of the last century, was quoted to the effect that up to the sixteenth century the national musical instrument of Scotland was of Ireland, was the harp, it brought forth further protest from the champions of the bagpipe.

John Barrymore, whose favorite part is Hamlet, was telling Hamlet stories at a Hollywood reception.

"Then there was Garrick Betterton's performance in Milwaukee," Mr. Barrymore said. "His Hamlet wasn't anything to write home about. It went from bad to worse. In fact, 'When Betterton kissed on the line, 'There's something rotten in the state of Denmark,' a gallery god hissed down at him:

Help Kidneys By Drinking More Water

Take Salts to Flush Kidneys and Help Neutralize Irritating Acids

Kidney and bladder irritations often result from acidity, says a noted authority. The kidneys help filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Begin drinking lots of soft water, also get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will help neutralize the acids in the system so they no longer are a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by acid irritation. Jad Salts causes no bad effects whatever.

Have you a pleasant, effervescent, thirst-quenching drink, which may help you overcome bladder irritation, and

Are You Really Well?

To Be Fit There Must Be Proper Kidney Action.

Do you find yourself running down always tired, nervous and depressed? Are you stiff and achy, subject to nagging backache, drowsy headaches and dizzy spells? Are kidney secretions scanty and burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Doan's are endorsed everywhere. Ask your neighbor!

Century of Steam

Just 100 years ago the Baltimore & Ohio road laid the first commercial railway track in the world. Since that time more than 420,000 miles of railroad have been constructed in this country alone. This is more than one-third of the aggregate mileage of the world. The steel and steam lines are not to be pushed out of the picture by a gesture from the motorists and aviators. There is a notable centennial of service.

Do Something

When I was graduated from college, I attended a college society meeting at which Jack Siddall, then editor of the American Magazine, was present. He learned something of my plans.

"Did you ever hear the Arabian myth of the thousand handed cup?" he asked. "No," I replied.

"There is a thousand handed cup called success," he said. "Any handle will lift the cup, but it's important to get hold of one of them. Boiled down to everyday language, it doesn't make so much difference what you do in life, but for your own salvation do something."—Thrifty Magazine.

Want Supplied

Roger Kahn, millionaire airman and musician, said at a dinner in New York:

"We hear lots of stories about the conceit of movie actresses, but none about the conceit of movie actors. Here goes, then, to supply a long-felt want.

"A movie actor, on his return from his vacation, went about with his sleeves rolled up so as to show the big, bulging biceps on each arm. He was very proud of them. He got all his friends to feel how hard they were.

"Gosh, what a muscle!" a friend would say. "How did you raise it?"

"No," the actor would answer. "It comes from hugging girl admirers!"

Brevity the Highest Point of Eloquence

The story is told that when Abraham Lincoln was conferring with a committee over a speech the President was to make, he said: "If I am to talk 45 minutes I will not need any time for preparation, but if I am to speak 10 minutes I would like a week to get my remarks ready."

Lincoln could say more in a few words than any man of modern times. In literature and oratory, it has always been the brief, simple, lucid style of expression that has created the most lasting impression.

The late Senator Beveridge was never able to live down the quip of "Mr. Dooley," who described one of his oratorical flights in the senate as a "spache ye cud walts to."

Many of our writers and public speakers should learn with Cicero that "Brevity is a great praise of eloquence."—Thrifty Magazine.

The BABY

No mother in this enlightened age would give her baby something she did not know was perfectly harmless, especially when a few drops of plain Castoria will right a baby's stomach and end almost any little ill. Fretfulness and fever, too; it seems no time until everything is serene.

That's the beauty of Castoria; its gentle influence seems just what is needed. It does all that castor oil might accomplish, without shock to the system. Without the evil taste. Its delicious! Being purely vegetable, you can give it as often as there's a sign of colic; constipation; diarrhea; or need to aid sound, natural sleep.

Just one warning: It is genuine Fletcher's Castoria that physicians recommend. Other preparations may be just as free from all doubtful drugs, but no child of this writer's is going to test them! Besides, the book on care and feeding of babies that comes with Fletcher's Castoria is worth its weight in gold.

Never Too Late

Cortlandt Bleeker nodded from a window of the Knickerbocker club, toward a painted old lady with a golden bob who swaggered down Fifth Avenue in very high-heeled slippers of snakeskin, flesh-colored silk stockings and a skirt that ended an inch or two above her knees.
