GRAHAM, N. C., MAY 24, 1928.

PRIMARY JUNE 2nd.

The State and county primary elections will be held on June 2nd. The following will be voted for

on the Democratic ticket: For Lieut.-Gov., R. T. Fountain, John D. Langston and W. H. S. Burgwyn, and Comr. of Labor and Printing, O. J. Peterson, M. L. Shipman and Frank D. Grist.

Where there is only one candidate for the office, no one will be voted for. Hence candidates for only two offices on the Democratic ha State ticket will be voted for, as the other candidates are without opposition in the party.

The same is true as to the Republican State ticket and the C. P. Albright, Graham. Alamance county ticket.

A murder trial of unusual interest has been in process for more than a week at Pittaboro. Mrs. Annie Terry of Durham was clubbed to death at Avent's then her body thrown into the river. W. H. On Saturday morning Lawrence slashed his throat and wrist with a safety razor blade, but failed to do a fatal job. He was rushed to a Durham hospital and brought to back Monday to resume trial. Was the attempt to end his life indicative of his guilt? He said it was because so many lies were being told ou him.

M. L. Shipman, Democratic candidate for the nomination for Commissioner of Labor and Printing, in passing, dropped in Tuesday for a few minutes. He has lately traveled over much of the Confederate Veterans' Annual Dinstate in the interest of his candidacy and feels very cheerful about the result. Of course he Chapter U. D. C. gave their annual wants to be remembered by his friends at the primary on June 2nd. In favor of Mr. Shipman is the fact that he has held the office for a term of years and knows the duties of the office. F. D. Grist, present incumbent, and O. J. Peterson, editor of the Chatham Record, Pittsboro, are also in the race for the nomination. The latter is also active for the nomination.

Z. V. Turlington, North Carodell Hull, asked for a state presidential primary and the state Democratic committee met in Raleigh Saturday night to act on the request. By a vote of 79 to 30 the committee turned down the request. Among those opposing it with a number of selections. were life-long friends and supporters of Senator Simmons who did not feel called upon at this fee time to follow his lead. A numof the committee stated that they were still for the Senator, but that in this instance they were Methodist Hut, with all seated. It for Gov. Al Smith for president.
