### COMFORT for COLICKY BABIES

... THROUGH CASTORIA'S GENTLE REGULATION

The best way to prevent colic, doctors say, is to avoid gas in stomach and bowels by keeping the entire intestinal tract open, free from waste. But remember this: a tiny baby's tender little organs cannot stand harsh treatment. They must be gently urged. This is just the time Castoria can help most. Castoria, you know, is made especially for babies and children. It is a pure vegetable preparation, perfectly harmless. It contains no harsh drugs, no narcotics. For years it has helped mothers through trying times with colicky babies and children suffering with digestive upset, colds and fever. Keep genuine Castoria on hand, with the name:

### Mothers... Watch Children's COLDS

COMMON head colds often "settle" in throat and chest where they may become dangerous. Don't take a chance—at the first sniffle rub on Children's Mustrale once every hour for five hours.

Children's Mustrale is just good old Mustrale, you have known so long, in milder form.

This famous blend of oil of mustard, camphor, menthol and other ingredients brings relief naturally. Mustrale gets action because it is a scientific "counter-irritant"—not just a salve—it penetrates and stimulates blood circulation, helps to draw out infection and pain. Keep full strength Mustrale on hand, for adults and the milder—Children's Mustrale for little tots. All druggists.

When constipation signals, bring back the flush of health to your face by flushing the bowels thoroughly. A cup or two of Garfield's will do the trick every time. It's a natural, healthy, safe, and sure way to get rid of the feeling of energy and pep.

Firemen Watch Blaze  
Firemen called from all parts of Belfast, Ireland, recently, stood idle as they watched a fire burn itself out. An underground electric cable had fused, and flames shot several feet in the air from an open manhole, the cover of which had been blown off by the heat. The pavement was also forced up by the heat. Many business houses in the center of the city were plunged into darkness. Because of the nature of the blaze the firemen could not fight it.

### Good Health Is Your Natural State

But you can't expect to enjoy good health if you are allowing disease germs to accumulate and multiply somewhere in your system. Coughs, colds, bronchitis, tonsillitis, rheumatism and often neuritis are the work of disease organisms which must be attacked and destroyed if good health is to be restored. These and many other more serious types of infection may be controlled and good health restored by chemically destroying the germs, using B. & M., The Penetrating Germicide, to stop the bacterial poisoning. The B. & M. treatment is unlike any other—quick and positive in action. Your druggist should have B. & M. in stock. If he fails to supply you promptly, send us his name and \$1.25 and we will mail you a full-size bottle. Helpful booklet free on request. F. E. Rollins Co., 53 Beverly St., Boston, Mass. (Adv.)

### ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless, and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts. Be sure to get the genuine.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth.

People get the kind of government they deserve. It is true; and sometimes the government gets what it deserves.—Louie the Sixteenth's.

### Neal's Mother Has Right Idea

Within a few months there will be no more feverish, bilious, headachy, constipated, pale and puny children. That prophecy would surely come true if every mother could see for herself how quickly, easily, and harmlessly the bowels of babies and children are cleansed, regulated, given tone and strength by a product which has proved its merit and reliability to do what is claimed for it to millions of mothers in over fifty years of steadily increasing use.

As mothers find out from using it how children respond to the gentle influence of California Fig Syrup by growing stronger, sturdier and more active daily they simply have to tell other mothers about it. That's one of the reasons for its overwhelming sales of over four million bottles a year.

A Western mother, Mrs. Neal M. Todd, 1701 West 27th St., Oklahoma City, Okla., says: "When my son, Neal, was three years old he began having constipation. I decided to give him California Fig Syrup and in a few days he was all right and looked fine again. This pleased me so much that I have used Fig Syrup ever since for all his colds or little upset spells. It always stops his trouble quick, strengthens him, makes him eat."

Always ask for California Fig Syrup by the full name, and see that the carton bears the word "California." Then you'll get the genuine.

### AUTO WINS ITS WAY IN EASTERN LANDS

The automobile has recently made two more conquests in out-of-the-way parts of the world. Our State department has just recognized the government of Ibn Saud, king of Hejaz and sultan of Nejd and divers other tracts of the Arabian desert. Ibn controls the sacred place of Mecca, and it seems that Moslem pilgrims who formerly journey thither by caravan now prefer to travel by auto bus, much to the scandal of the holy men and the discomfiture of the camel drivers. In diplomatic circles it is calculated that our recognition of the picturesque Arab potentate will stimulate the sale of American automobiles in the land of the prophet.

Meanwhile the dala lama, head of the monastic hierarchy that rules Tibet, has ordered a "devil wagon" from India for his private and royal use, all of which is in defiance of the 15,000-odd monks who constitute the governing caste of the country. The story goes that the grand lama previously owned another car, but the other priests objected so vigorously to it that he soon locked it up in a mule stall in the monastery, where it succumbed to the ravages of rust. The magnitude of such an innovation may be understood when one realizes that the machine age in Tibet has largely been limited to the prayer wheels in which the 15,000-odd monks grind out their incantations.

Never Happened Before  
The Smiths had had their car for quite a while and had never had any trouble. One night fate was against them. "It's a blowout," said Mr. Smith. "It can't be," insisted Mrs. Smith. "We never have had one."

### "FATIGUE?" I just postpone it!

"No, I don't have 'nerves.' You can't have them, and hold this sort of position. My head used to throb around three o'clock, and certain days, of course, were worse than others."

"Then I learned to rely on Bayer Aspirin." The sure cure for any headache is rest. But sometimes we must postpone it. That's when Bayer Aspirin saves the day. Two tablets, and the nagging pain is gone until you are home. And once you are comfortable, the pain seldom returns!

Keep Bayer Aspirin handy. Don't put it away, or put off taking it. Fighting a headache to finish the day may be heroic, but it is also a little foolish. So is sacrificing a night's sleep because you've an annoying cold, or irritated throat, or grumbling tooth, neuralgia, neuritis. These tablets always relieve. They don't depress the heart, and may be taken freely. That is medical opinion. It is a fact established by the last twenty years of medical practice.

The only caution to be observed is when you are buying aspirin. Bayer is genuine. Tablets with the Bayer cross are safe.
