Local News

Write-Druz Company is "doling up" with a new coat of paint. Mr. and Mrs. Curry Smith have moved from McAden St. to South Main St. The Board of County Commissioners meet in regular monthly session next Monday. It's quite warm enough for the past few days. Days are growing shorter and nights cooler. Three white boys, who live in Burlington, were jailed yesterday for stealing gas from the car of L. L. Jones. On Tuesday Burlington voted a \$25,000 bond issue to build a municipal warehouse for the sale of leaf tobacco. A heavy rain, lasting for about two hours, fell here last Friday afternoon. It was pretty general over the county. Carl Gorech, editor of the State, Raleigh, was the speaker at the veterans picnic at Kimesville yesterday afternoon. Mr. and Mrs. Carl Longest are expecting to move into their very attractive new bungalow about the middle of August. Workmen are busy putting on the final touches. Don't forget your turnip patch in your fall gardening program. In the olden days elections in this State were held on the 2nd Thursday of August, which was adopted as the time for sowing turnip seed. The seasons have not changed enough to necessitate a change of date for seeding the turnip patch. Mr. and Mrs. E. P. McClure spent Monday in Raleigh. Miss Emily Lee is visiting relatives in Tennessee and Kentucky. Mr. and Mrs. Robert Reavis were visitors in Greensboro Sunday. Dr. and Mrs. J. L. Johnson spent Sunday at Apex with his mother. Miss Frances Ellington, in training at Watts Hospital, Durham, spent the week-end at her home here. Mr. and Mrs. Bland Moore of Bynum spent Sunday here with the former's aunt, Mrs. J. S. Cook. Mrs. George Crawford and children of Raleigh visited in the home of Mr. and Mrs. J. M. Crawford Tuesday. Miss Sara Palmer Rogers spent the week-end in Merrimon with her grand-parents and her sister, Miss Nan, returned home with her. Misses Elizabeth Polston of Henderson and Frances Fayette of Scotland Neck are visiting Miss Mary Worsley Rives. Mrs. J. B. Jasznek, Mr. and Mrs. Claude D. Moore and Mrs. W. A. Woods spent Monday with Mrs. James Beeson, Mr. and Mrs. Moore's daughter, in High Point. J. D. Kernodle, Jr., on last Tuesday evening attended an entertainment in Greensboro given by the Key sisters, quadruplets, of Oklahoma, for the benefit of the milk fund for babies. Mrs. Kathleen Heritage of Greenville, S. C., spent the week-end at home with her mother, Mrs. Jas. P. Harden. Mrs. Heritage's sister, Miss Emma Harden, returned with her for a visit. Rev. and Mrs. Watt Cooper of Chapel Hill spent last night here with his sister, Miss Mary Cooper, and she and they, with their niece, Miss Margaret Cook, left this morning for Carolina Beach to spend a week. Mr. and Mrs. Arthur T. Walker of Greensboro, and their daughter, Miss Duella Walker, lately of Woman's hospital, Philadelphia, spent last Saturday here with relatives. Miss Walker has accepted a position at Duke hospital.

PERSONAL

Miss Eugenia Upshaw of Rosebud, Ga., spent the week-end here with her aunt, Mrs. W. D. Barrett, and left Tuesday for home. She has been attending summer school at the University. Miss Martha Anne Klutz of High Point was a week-end visitor with her grandparents, Mr. and Mrs. J. B. Farrell. Her parents, Mr. and Mrs. L. E. Klutz, came by Monday and took her with them for a trip to Myrtle Beach.

Local Boy Wins Radio in Circulation Contest.

Harry Ausley can now listen to his own radio. Harry has been awarded a radio for diligent work in securing readers for the Burlington Daily Times-News, for which he is a carrier in Graham. The campaign for three weeks, covering the county, closed Saturday. The management of the paper at the home office found that Harry stood at the top, securing 54 new subscribers. Calvin Walker, carrier in Burlington, was a close second. Mrs. W. L. Cooper is sales manager in Graham and on Monday the carriers were assembled for a watermelon treat and the radio delivered to the winner. Diligence and faithful service pay. Harry is the son of Policeman Herbert Ausley of Graham.

Jurors For August Criminal Term of Superior Court.

Alamance Superior Court for the trial of criminal cases will convene on August 12th with Judge J. V. Baruhill presiding. Up to date there are about 50 cases on the docket to be heard. Among the Sick.

Mrs. J. DeWitt Foust is recovering from an illness of several days. Mrs. Kelley Wright has been sick for several days. Mrs. Edwin Walker is under treatment at Dr. Spoon's hospital in Burlington. Richmond county enjoys its best prospects for bountiful crops since 1927, reports the county agent. S. M. Cox of Beaufort county will caponize 175 young cockerels this season as a demonstration in this phase of poultry production.

Use of Coal Tar Colors

In addition to the dyeing of cloth, coal tar colors have a number of other important uses. They are used to color inks, typewriter ribbons, carbon papers, and such things. Then there is their use as artificial food colors; and also coloring agents for some of the cheaper American liquors, which, in appearance at least, rival the best that Europe can produce. Another important use is that of employing certain dyes as photographic sensitizers, which have increased the field of vision of the camera and have enabled it to photograph even the invisible.

The Pauper's Oath

The pauper's oath is one which is permitted to persons undergoing bankruptcy and in some other cases, whereby on the giving of a statement supported by oath that the person is without any available assets, either personally owned or in expectation, he may be released from the payment of certain obligations and permitted to re-establish himself on a solid financial foundation free from debt.

Elon College Will Have Largely Increased Attendance

Fall Term Opens Sept. 3rd; 25 Percent Increase Indicated; Additional Housing Being Arranged

Elon College, July 31 - Enrollment figures from Registrar A. L. Hook's office here indicate that Elon College will open its doors September 3 with a record breaking enrollment—the largest in the history of the institution. To accommodate the increase in the student body, the college will open two newly renovated buildings. Publishing house—a modern two-story brick structure adjoining the southwest corner of campus—has been completely remodeled into comfortable living quarters for 43 men students. An elaborate heating plant has been installed in building. The structure was formerly used as the publishing plant for the Christian Sun. Lathes' Hall, located on the western end of the campus, formerly used as quarters for faculty members, has also been thoroughly renovated and will be opened to accommodate 60 men students. This building is a 2 story brick, and is located adjoining the west dormitory. Besides the addition of these two buildings, the older dormitories—East, Alumni and West—have been completely renovated. The enrollment will be approximately 25 per cent increase over last year's figure.

Hunting Seasons and License.

J. D. Lee, County Game Warden, gives out the following information in regard to license and hunting season for the game mentioned: Hunting license for the season 1935 36 now on sale at the City Hall, Burlington; Graham Hardware Co., Graham; Store at Saxapahaw; City Hall, Albane; and J. D. Lee's, Graham. The open hunting season in this section, Alamance county, is as follows: Opossum, (with gun or dog) Oct. 1st to Feby. 15; opossum, (trapping) Nov. 1st to Feby. 15; quail, Thanksgiving day to Feby. 15; rabbit, Thanksgiving day to Feby. 15; turkey, Thanksgiving day to Feby. 1; woodcock, Dec. 1 to 31; squirrel, Sept. 1 to Jan. 15; fox, Oct. 1 to Feb. 15. Dove, ducks, geese, brant, and other migratory waterfowl, Federal regulations. Cannot See in Total Darkness. Neither dog nor cat can see in total darkness, contrary to popular belief. Because of aptness in negotiating dark environs, they have been so credited. This is accomplished, not through vision, but through the sense of smell and the aid which their whiskers give them in feeling their way. Ceylon Is Old. Ceylon is one of the oldest settled areas of the earth. No other important subdivision of Asia has been so long under European influence. The Portuguese controlled it for more than a century and a half, the Dutch for 140 years and since 1798 it has been a British colony.

The original name of the Rothschild family was Bauer, the founder of the house being Mayer Anselm Bauer (1743-1812). He set up as a money lender at the Sign of the Red Shield (Rothschild). It was from this sign that the family took its name of Rothschild.

Hunting of Nobles in 1066. After 1066, hunting in England became the sole privilege of the nobles and the common people were prohibited, under severe penalties, from hunting game. Under the Conqueror, it was as great a crime to kill one of the king's deer as to kill one of his subjects.

The Game of Curling. The "horseshoe" sport, officially known as curling, is actually a combination of horseshoe and shuffleboard, played on ice. Contestants, instead of throwing shoes, slide heavy weights along the ice, aiming for the center of a circle instead of a peg.

Timely Farm Questions Answered At State College

QUESTION:—What is the most profitable number of cows to keep for a cream producing unit? ANSWER:—The number of cows kept for cream producing should be determined by the amount of home-grown feed that is available, but a profitable unit should consist of not less than four or five cows. With this size herd frequent deliveries of high quality cream can be made at a minimum cost. Frequent deliveries always bring a premium and these cannot be made from one or two cows.

QUESTION:—When should alfalfa be seeded and how much seed is needed to the acre? ANSWER:—The best seeding dates for the lower Coastal Plain and Piedmont sections are from September 1 to 30. In the upper Piedmont section the seed should be put in between August 15 and September 15. At least 25 pounds of seed should be used to the acre, but as a good stand is worth more than the cost of 5 or 10 pounds of seed it would pay to add about five pounds to the above figure and use 30 instead of 25 pounds of seed to the acre.

QUESTION:—When should pullets be moved from the range shelter to the laying house? ANSWER:—Pullets should never be moved until the majority are ready to come into production. Even then, if layers are still in the house, the pullets should not be moved until the house has been thoroughly cleaned and disinfected. The shelters can be moved from range to range and the pullets should be kept on these ranges as long as possible especially if the pasture about the laying house is poor.

Farmers of Polk county recently ordered four pure bred Guernsey heifers, two grade Guernsey heifers and two pure bred Jersey heifers. Catawba county sweet potato growers are selling their cured sweets at the storage houses for \$1 a bushel. An increase of from 14 to 24 bushels of wheat an acre from top-dressing with 150 pounds of nitrate of soda was reported by W. B. Riddle of Cumberland county. The demonstration was conducted in cooperation with Chilean Nitrate of Soda Educational Bureau. Eighty tons of triple superphosphate have been delivered in Macon county by the TVA for use in pasture and other farm management demonstrations. A pasture demonstration on the dairy farm belonging to B. W. Kilgore of Wake county shows the value of top dressing with 100 pounds of nitrate of soda to the acre. Alfalfa produces the highest quality of hay that can be grown in North Carolina, says livestock expert.

RURAL ELECTRIC POWER

One More Survey for Power Lines—Last Chance to Get in on Original Basis.

Those rural communities not included in the original survey of potential rural electric power lines will have one more chance to have their conditions studied for possible action by the Rural Electrification Commission. "All communities which were not studied in the original survey now have one more opportunity to be included on the same basis as those previously studied," says David S. Weaver, agricultural engineer at State College. "This is the last chance and we are hopeful that interested individuals and communities will secure the necessary blanks which have been furnished to county agents and will fill these out as quickly as possible and mail them to my office here at the College. As soon as the completed forms have been studied here, we will send a trained person to the county to meet with community leaders and others." Weaver says 677 communities in 78 counties were surveyed in the original study but since that time a number of individuals and community leaders have reported that they did not know about the survey and would like to have their situation considered. Additional funds were secured from the ERA to make this further study but it is extremely doubtful if any more funds will be available for this purpose. Therefore, the engineer urges that prompt action be taken by those communities where no survey has been made. "Secure forms from the county agent; hold a community meeting and decide on the territory to be covered; fill in the forms and mail to me, and we will send a man to the community as quickly as possible," Weaver says. The engineer will be sent only to those communities where the establishment of a power line appears to be feasible, he concluded.

Graham Post Office Receipts Show Substantial Increase.

Figures given us by Postmaster Ross Henderson show an increase for the year for every month over those for 1934. For the seven months, ending with July, the gain was \$2333.92 over the same period for 1934. The largest gain was in May, \$553.60 more than for May, 1934. The totals for the seven months ending with July are: 1935, \$8,471.92; 1934, \$6,138.00. While the records for previous years were not checked, it is believed the receipts for this year so far are larger than any heretofore.

Boll weevil has appeared in the cotton fields of piedmont Carolina, according to reports from Lincoln and adjacent counties.

Including lespedeza in the crop rotation has doubled the average yields of crops on the farm of J. B. Huggins of Lenes Creek township in Union county.
