

Our stylist had leisure hours in mind when she designed this graceful afternoon frock for the woman of larger proportions. The soft jabot cascades down the bodice in graceful folds, concealing those extra pounds and curves! The bodice gathers in front to a double-pointed yoke, another slenderizing feature with its diagonal lines. Mediumlength sleeves puff, then bug the forearm below the elbow. Crepe is a perfect medium for this pattern, but in satin you'd have an all-season "best dress." Do choose sparkling novel buttons and buckle.

Pattern 9339 may be ordered only In sizes, 16, 18, 20, 34 36, 38, 40, 42, 44 and 46. Size 36 requires 4 yards 39 inch fabric. Complete diagrammed sew chart included.

Send FIFTEEN CENTS in coins or stamps (coins preferred) for this pattern. Be sure to write plainty your NAME, ADDRESS, STYLE NUMBER and SIZE.

Send your order to The Sewing Circle Pattern Dept., 232 West Eighteenth St., New York, N. Y.
