Mail Service in Alaska

Alaska is the show place of mail service, the last frontier, the re-gion of the greatest variety of mail transportation in the world. Why Laxatives Fail In Stubborn Constipation

Twelve to 24 hours is too long to wait when relief from cloqued bowels and constipation is needed, for then enormous quantities of bacteria accumulate, causing GAS, indigestion and many restless, sleepless nights.

If you want REAL, GUICK RELIEF, take a liquid compound such as Adlerika. Adlerika contains SEVEN cathartic and carminative ingredients that act on the stomach and BOTH bowels. Most "overnight" laxatives contain one ingredient that acts on the lower bowel only.

Adlerika's DOUBLE ACTION gives your system a thorough cleansing, bringing out oid poisonous waste matter that may have caused GAS pains, sour stomach, headaches and sleepless nights for months.

Adlerika relieves stomach GAS at once and usually removes bowel congestion in less than two hours. No waiting for overnight results. This famous treatment has been recommended by many doctors and druggists for 35 years. Take Adlerika onehalf hour before breakfast or one hour before bedtime and in a short while you will feel marvelously refreshed. At all Leading Druggists.

Functional pains of menstruation have, in many, many cases, been eased by Cardul. And where malnutrition (poor nourishment) had taken away women's strength, Cardul has been found to increase the appetite, improve digestion and in that way help to build up a natural resistance to certain useless suffering. (Where Cardui fails to beneft consult a physician.) Ask your druggist for Cardui — (pronounced "Cardu-i.")

ODDS AND ENDS—Bing Crosby has been kidded so much about his ballooning figure that he has taken up tennis in an effort to reduce. Incidentally, did you hear his old friend Harry Barris on his program? And wouldn't you love to see him in a picture with Bing? . . . Basil Rathbone, as I kept reminding myself all through his horrifying antics in "Love From a Stranger," keeps 86 kinds of tea on hand at his house so as to have just the flavor he wants of an afternoon . . All Hollywood swooped down on the Selznick-International studios to watch the Coronation scenes in "The Prisoner of Zenda." And then Madeline Carroll broke up the scene by whispering to Ronald Colman just as the hundreds of extras in the procession got under way, "Don't look now, but I think we are being followed."
