The Curse of Progress

He Gets 'Em Up

"That," said the native proudly, pointing out a passer-by. "is Jonathan Bell, native of Squash Center, and the man who has aroused more people than any other man in the country."
"You don't mean to tell me that quiet-looking man is some great communist or radical, do you?" inquired the stranger.
"Not at all," was the reply. "He's a retired alarm-clock manufacturer."
Life's Little Trials
"Pa, what's the difference between a hill and a pill?"
"I don't know, my son, unless it's that a hill is high and a pill is round—is that it?"
"Naw! A hill is hard to get up and a pill is hard to get down."
Substitute
"Tommy, what is a synonym?" the teacher asked.
"A synonym," said Tommy wisely, "is a word you use when you can't spell the other one."

AROUND the HOUSE

Items of Interest to the Housewife

Making Cocoa—Cocoa loses that raw taste if made with half milk and half water, then boiled. More nutritious and digestible, too.

Milk Puddings—Orange peel shredded very finely makes an excellent flavoring for milk puddings. It is a pleasant change from nutmeg when added to rice pudding or baked custard.

Cleaning Combs, Brushes—A teaspoon of ammonia in a quart of water will remove all grease and dirt from combs and brushes, after which they should be rinsed and dried in the sun.

Fitting Your Hat—If you have a tight felt hat, hold it in the steam of a boiling kettle. When the felt is thoroughly damp it is easy to stretch it to the right size.

Stewed Macaroni—Boil one pound macaroni in milk and water for three-quarters of an hour, adding one-fourth ounce butter, salt, and an onion stuck with cloves. Afterwards, drain the macaroni, add three ounces grated cheese, a little nutmeg, pepper, and a little milk or cream. Stew gently for five minutes and serve very hot.

Devilled Egg Lillies—Hard cook as many eggs as there are to be servings. Chill, then peel carefully. With a sharp knife cut strips from the large end to the center; remove yolks, mash and season with salt, pepper, mayonnaise and a little Worcestershire sauce. Carefully refill cavities having the white strips form the petals of the "lily." Lay each on a bed of curly endive. Accompany with cheese straws.

Tough Pastry—Too much water will make pastry tough.

Keeping Cheese Moist—To prevent it from becoming dry, keep it wrapped in butter muslin, or in the glazed hygienic paper in which some bread is wrapped.

Protecting Mirrors—Keep mirrors out of the sun—it will cause spots and other blemishes. WNU Service.
