

Household Hints

If an enamel pan boils dry, do not plunge it from the hot range into cold water. Let it cool first, then soak before washing.

When wringer rolls begin to lose their grip, the glaze can be removed by roughening the rolls with coarse sandpaper. Wipe with a damp cloth. Use sandpaper with discretion, of course.

When you have a bottle or jar that is difficult to open, use a lighted match. Run this quickly around the edge of the bottle or jar and it will come open immediately.

Take a nice big, firm, rosy apple. Core it, and cut it crosswise. Make patties of your favorite ground meat mixture—make them the same size as your apple slices. Put an apple slice between two patties and press together. Bake in a shallow pan in a moderate oven until meat and apple are cooked.

With bottle brushes scarce, use waxed paper from bread to scour bottles. It does the job well.

When discarding worn bath towels, save the best parts and use for making washcloths or bath mitts.

Some types of artificial flowers may be renewed by placing them over steam for a few minutes.

A small vegetable brush is an effective tool when using paint and varnish remover, especially on carved surfaces.

Carduroy needs no ironing. Gently press out the water with towels, but don't wring or twist. Pin up skirt or pants by waistband. Brush against nap when dry.

Bed Spread Made Of 36-Inch Goods

THIS spread for a double bed may be made out of chintz or any 36-inch-wide material that you have on hand. Eleven and one-half yards will be required for a bed 54 inches wide and, if you follow the cutting diagram given here, not a scrap of goods will be wasted.

Cut the center parts first; then the 18-inch side sections for the pillow cover; then the 10-inch

strips for the pillow cover and spread. This leaves a long strip for the flounce. You may buy seam welting or cover cable cord with bias strips as at A. Use your machine cording foot for the seam so that the stitching will be close to the cord as at B.

NOTE—This spread is from SEWING Book 1 which is 32 pages of illustrated directions for slip covers, dressing tables, couch covers and other things to keep homes bright and attractive for the duration. To get a copy of Book 1 enclose 15 cents with name and address direct to:
