**RAIL CIRCUS COMING SOON**

Dalley Bros. Three-Ring Circus Schedules Performances

This vicinity will feel the lure of the circus when Dalley Bros. Three-Ring Railroad Circus exhibits in Burlington, Saturday, November 10th.

Not a small truck show but one of America's largest circuses traveling aboard its own special train, Dalley Bros. will bring to this section the first railroad circus to visit in recent years. A matinee performance will be presented at 3 p. m., followed by a night performance at 8 p. m.

Many new and sensational acts will be presented during the two-hour performances. The circus presents a herd of 10 elephants, trained and directed by pretty Norma Davenport, at 14 the world's youngest elephant trainer. The huge beasts present an intricate routine climaxed by a realistic baseball game with the two-ton animals themselves as the players.

Lions, tigers, bears and leopards will perform in the same arena in a death-defying exhibition. Featured aerialists will be Miss Mildred Pyle on a trapeze high in the huge big top. St. Kitchie, famous Filipino head balancer, will balance on the slender bar of a trapeze in the top of the tent. Beautiful trained horses under direction of Miss Hazel King will appear in intricate routines.

A corps of clowns which include many of America's leading funsters will provide plenty of clean comedy with their new and original rib-tickling antics. The Dalley Bros. concert band will present an outstanding musical program throughout the performance.

The circus carries a large free menagerie of elephants, lions, tigers, zebras and many other animals from the far corners of the earth and doors will open an hour before show time to allow ample time for inspection of the menagerie and horse fair.

**... and suddenly it's TOMORROW!**

A fighting man steps off a Southern Railway train and his arms form a tight circle around the girl who waited...  
And suddenly it's "tomorrow!" The long nightmare of war is over... and the world gratefully greets the dawn of a bright new era of Peace.  
As we eagerly turn to the welcome tasks of peacetime, let's resolve to keep before us the priceless lessons in teamwork which we learned in time of war.  
Let's remember that it was only through teamwork that the Southland accomplished those miracles of production and transportation which contributed so mightily to final Victory.  
Let's remember that it is only through teamwork... all Southerners working together and helping one another... that we can continue to build a greater, better Southland.  
So, let's keep working together... now that our fighting men are coming home to work with us... now that "tomorrow" is here!
