A Daily Builder For Your Child— A Quart Of Rich, Pure Milk!

What do you see in a bottle of milk . . . your child playing in the summer sun? Long happy hours of play call for the wealth of buoyant energy milk can supply. Doctors agree most children should eat oftener. Give your child milk regularly at mid-morning and mid-afternoon. A perfectly balanced food, it is refreshing and digests quickly, increasing appetite for other meals. It can be varied endlessly. Delicious, health-building sweet drinks can be made by stirring honey or molasses into cold milk. Straws and tall glasses add child-appeal. Our milk is known for purity . . . richness . . . vitamin and mineral content . . . and country-fresh flavor

AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

Between now and November 21,

thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because—men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income any time after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)
2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.
3. An increase in the reenlistment bonus to \$50 for each year of active service since the bonus was last paid, or since last entry into service.
4. 20% extra pay when overseas.
5. Paid furlough, up to 30 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.
6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
7. Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
8. Benefits of GI Bill of Rights.
9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
10. Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.
