**This Thanksgiving Day, above all others,
Let Us Remember That
We Have Much To Be Thankful For—**

LET US BE THANKFUL that we attained a decisive Victory—that freedom and decency still live—that America was untouched by destruction — that we had a united will to carry on — that we had leaders of great vision — that we had men and women of courage!

Let us never forget, however, that we *barely* attained the victory! Let us never forget that Germany was a few months behind us in developing the atomic bomb. Let us never forget that on innumerable occasions in both wars, our battles were won with very slender margins.

Your personal thankfulness for the Victory will be measured by your support of the
