Polio Is Everyman's Enemy, Bing Declares

The war against infantile paralysis is a war in which all peoples of all nations have a common foe, Bing Crosby, screen and radio star and national chairman of the Sister Elizabeth Kenny Foundation national 1945 appeal, said today in an appeal for contributions.

"Wars among nations always end but the fight against disease is an unending battle in which all mankind has a common interest," said Crosby, who is directing the campaign to raise \$5,000,000 to expand the work of Sister Elizabeth Kenny, Australian nurse famous for her discovery of a revolutionary treatment for infantile paralysis.

"The war against infantile paralysis, the crippling disease, is a war in which all peoples of all nations are fighting together against a common foe," Crosby said.

Establish Local Clinic Crosby emphasized that one-half of the funds raised in each of the 48 states where the drive is being conducted will remain in the state to carry on local campaigns against the disease, to finance training of Kenny technicians for clinics throughout the country and to finance treatment of the stricken.

Funds also will be used, Crosby said, to:

Enlarge the Elizabeth Kenny Institute in Minneapolis, Minnesota. Carry on extensive research as to the causes of the disease. Provide periodical study courses for physicians and technicians. Perpetuate and extend the scope and benefits of the Kenny institute not only in the United States but throughout the world. Lessen ravages of the crippling disease.

Work of Altruism

"Elizabeth Kenny's work has been a work of altruism," Crosby said. "She accepts no fees or salary from her work. Her only reward is the realization that she has brought happiness back into the lives of countless persons. "I realize that the people of America have been called upon to contribute to many worthwhile ventures during the trying years of the war. We have won that war through the generosity and the unselfishness of the people of America but another war that rages continually remains to be won. The people of America can help win that war too—the war against infantile paralysis—by contributing as generously as their purse permits to the Sister Elizabeth Kenny Foundation campaign fund drive."

When a man gives an engagement ring to his fiancée, does the ring belong to her—or is it still his property? A recent suit between an actress and her husband revived the ancient argument. RED CROSS HOME NURSING
WHAT'S YOUR BEDSIDE MANNER?

THIS IS GRANDPA, CROSS AND GROUCHY, confined to bed with chronic arthritis. His arms are cold so you bundle heavy blankets around his shoulders and then wonder why he complains, "The pain in my joints is worse." His feet are cold so you tuck a hot water bottle, filled to the top with scalding water, next to them and his thanks is, "Are you trying to burn me to death?" So in desperation you turn to ...

RED CROSS HOME NURSING where you learn the easy way to care for bedridden patients—how to arrange equipment to save yourself steps—how to prevent bedsores—how to bathe, feed, and comfort an impatient patient. And now ...

THIS IS GRANDPA, COMFORTABLE AND HAPPY, even though he is still in bed with arthritis. A lightweight bed jacket gives him warmth without weight. A hot water bottle wrapped in towels keeps his feet warm. And he puffs contentedly on his pipe with your full approval because you understand that clinging to a favorite habit is more important to Grandpa's happiness than a clean, but empty, ashtray.

If there is no home nursing course offered at present in your community, ask your Red Cross chapter how you may help organize one.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you.
