A lot of people want to be cared for and a lot of people want the jobs of taking care of those who want to be cared for. I would rather have 100 per cent of my wages and my liberty, and take care of myself, and then I would not have to take care of the fellow who is taking care of me.

LOOKING AHEAD BY GEORGE S. BENSON President-Harding College Seay, Arkansas

All to Gain Strikes in the automobile industry since V-J Day have cost the nation half a billion dollars in purchasing power already this year...

Everybody Hurt Cars on the road are a symbol of money in circulation; people going places and spending. Hotels, health resorts, oil stations and motor maintenance shops are having business turned away from them by disputes.

Let Wages Advance Speedy recovery is more important to the American people now than any money consideration or any point of pride being contended.

Minutes Matter Now The demand for automobiles is such today that car production per worker might exceed all records and still not satisfy the public appetite for new rolling stock.
