

GO-TO-CHURCH SUNDAY

Fathers and Mothers - -

The most important step to start your children right on their way through life is to instill in them the habit of going to Church and Sunday School regularly. It will be of the greatest help to them as well as to you.

The devil taketh Him up into an exceeding high mountain, and sheweth Him all the kingdoms of the world, and the glory of them;

And saith unto Him, "All these things will I give thee, if thou wilt fall down and worship me."

Then said Jesus unto Him, "Get thee hence, Satan; for it is written, Thou shalt worship the Lord Thy God, and Him only shalt thy serve."

Then the devil leaveth Him, and behold! the angels came and ministered unto Him.

St. MATTHEW IV

What My Religion Means To Me.

The further I go up the hill of life the more tolerant I become. The more I see of men and their practices, the more I discover this truth; the best people are in the churches and the worst people are out of them.

Crooks and highwaymen, gangsters and rioters and all the lowest elements of mankind, are seldom or never religious. But presi-

dents and statesmen, and great lawyers and great artists, and the leaders of all the trades and professions usually are.

The people who go to the churches are the best people of the community. If you hope for the best; if you would make the most of yourself and your opportunity; if you would win honor and good will and the

world's esteem, you will need all the courage and all the inspiration and all the strength which your religion can give you.

Without religion you will never be as great a man as you would be with it.
