The terrible emptiness of not having enough to eat drove these children out early in the morning. They are hopefully waiting for food.

Millions of children are sick from hunger. Many will die before help can reach them. But you can help save many thousands of others. Their only hope is your generous help.

Will you GIVE that they may LIVE?

Yes, you've pledged to "Share a Meal Every Day" to help starving people. But the need for food is so desperate you're asked to do more—to give money to buy food, or give food in tin cans, and to give generously.

Where the food you give will go. Contributions of canned food will be dis-

tributed free in war-devastated countries on the basis of greatest need.

Why food must be in tin cans. Food in tin cans can be handled safely for distant shipment over difficult roads.

HERE'S WHAT YOU CAN DO!

1. GIVE MONEY. More food can be obtained for a given amount of money when it is bought centrally and in large quantities. Send cash, money order, or check to your local Emergency Food Collection Committee or to Lee Marshall, Executive Director, 100 Maiden Lane, New York 7, N. Y.

2. GIVE FOOD IN TIN CANS. Leave at any Emergency Food Collection depot. Urge your church, club, or organization to participate!
