Miss Thompson Honored At Kitchen Shower

Miss Sarah Bell Thompson, bride elect, was honored at a delightful party Wednesday evening of last week, when Mrs. P. O. Burch entertained at a kitchen shower at her home on Banks street. To the honoree the hostess presented a nest of kitchen containers, and the guests showered her with other useful kitchen gifts.

Fall decorations of dahlias and chrysanthemums were used in profusion about the house where the guests gathered to enjoy bridal inspired games. At the end of a contest, in which the guests were asked to dress a clothespin as a bride, Mrs. John Alley was awarded notepaper for the cleverest design.

Mrs. Burch, assisted by her daughter, Loanne, and Mesdames Robert Henderson and Charlie Ivey, served ice cream in individual meringues and coffee.

Rogers-Hughes Wedding

In a simple but impressive early morning ceremony at 9:30 o'clock, on October 23rd, at the First Baptist church, Miss Mary Edith Rogers, daughter of Mr. and Mrs. Henry M. Rogers, became the bride of Arthur L. Hughes, Jr., son of Arthur L. Hughes and the late Mrs. Hughes of Bennington, Vermont.

The bride and bridegroom entered the church together where Rev. Guy S. Cain, pastor of the bride, performed the quiet ceremony.

Mrs. Hughes is a graduate of Graham High School and was until recently receptionist for Dr. George W. Lawson.

Rotary Meeting

Dr. Edgar A. Woods was speaker at the Graham Rotary club last Thursday night at their meeting at Green Gables Inn. The subject of his talk was the new developments in China, where, he said, one aim is to build a dam on the Yantze River. This would serve as irrigation for land, electric power, and would help control floods, Dr. Woods stated.

Dr. Woods, who was a missionary in China nearly ten years, said the main problems in China today are inflation and civil war.

President A. M. Stack presided at the meeting, and invocation was given by Father C. J. Helfrick, a guest from Salisbury.

Uncle Sam Says

Hats off, my countrymen, to your newspaper boy. Once a year, we set aside Newspaper Boy Day to honor his thrift and enterprise. On Newspaper Boy Day in 1943 the late President, Franklin D. Roosevelt, paid him tribute for his inspiring work of selling nearly two billion ten cent war stamps. Today he rates a salute for setting an example in training for success. He is now enrolling in Treasury Department Newspaper Boy Thrift Clubs by which he invests his earnings in U. S. Savings stamps and bonds, which will pay him \$4 for every \$3 ten years hence.

From where I sit... by Joe Marsh
On Playing the Fiddle Badly
A favorite recreation in our town is getting together in one or another's home and making music. There's somebody at the piano; a guitarist; a fiddle player; and Molly Birtles even has a harp!
What comes out isn't the best music in the whole world. In fact, a lot of it is downright bad. But nobody even thinks to question or to criticize.
Because the spirit of harmony is there—harmony between folks who like each other's company, who enjoy the simple, homey atmosphere
—with nothing more exciting than old songs, and a glass of moderate beer or cider.
From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. More important to be a part of the American scene—with its community music, home entertainment, friendly glass of beer—than to hold out for professional perfection. (Besides, I like to play the fiddle—even badly!)

BILLY BRAND
STORIES OF HOW NAMES HELPED MAKE AMERICA GREAT
POTTERY IS ONE OF THE MOST ANCIENT ARTS, BILLY
CAMEMEN LEARNED THAT RIVERSIDE CLAY COULD BE WORKED INTO MOLLOW SHAPES, BAKED IN THE SUN AND USED TO HOLD WATER OR FOR COOKING...
THE MEAT WITH WATER AND VEGETABLES
TURNING IT ROUND AND ROUND WHILE I WORK IT GIVES EVEN THICKNESS AND SMOOTH TEXTURE.
SOON PRIMITIVE MEN LEARNED THAT THE CLAY COULD BE SHAPED BETTER AND CLEANED OF ROCK SPLETTERS BETTER OVER A ROUNDED STONE. THE POTTER'S WHEEL WAS INVENTED.
SEE THE FIRE FROM THE SALT HAS GIVEN THE BONES!
A WASH OF LEAD DOES THE SAME
I HAVE SIX OF THESE PISHES AND THREE CUPS.
FOR GENERATIONS AMERICAN HOUSEWIVES DEPENDED ON EUROPEAN POTTERS TO SEND OVER EXPENSIVE BATHWARE, WHICH WERE USED FOR "SHOW" PRICES.
I HAVE LUCKY TO LIVE IN A REGION WHERE FINE POTTERY IS MADE A DISH COSTS ME FOUR TIMES WHAT IT DOES YOU!
BUT AS THE COUNTRY WAS SETTLED FINE CLAYS WERE DISCOVERED AND EUROPEAN TRAINED POTTERS SET UP FACTORIES IN THOSE NEIGHBORHOODS.
YOU ARE LUCKY TO LIVE IN A REGION WHERE FINE POTTERY IS MADE A DISH COSTS ME FOUR TIMES WHAT IT DOES YOU!
EARLY AMERICAN SETTLERS USED WOODEN AND METAL TRENCHERS AND UTENSILS UNTIL THE INDIANS SHOWED THEM WHERE TO FIND POTTERY CLAY
I HAVE GOTTEN TO KNOW FOR SOME POTTERY BONES.
THESE POTTERS NAMES SPREAD OVER THE COUNTRY THEIR PRODUCTS FOLLOWED THEIR FAME. NOW ANYWHERE IN THE UNITED STATES, FINE AMERICAN POTTERY CAN BE BOUGHT BY ITS MANUFACTURER'S BRAND NAMES.
THIS IS THE SAME BRAND THAT MY GRANDMOTHER HAD BACK EAST WHEN SHE WENT HOUSEKEEPING.
