Uncle Sam Says

Benjamin Franklin's devotion to thrift is as well known to my nieces and nephews as his love of liberty. The two go hand in hand because with wise savings you can give yourself the freedom to achieve many personal goals for yourself and family. We remember Franklin's advice that a penny saved is a penny earned. Were he alive today, he would revise this advice to fit these times by saying that a three dollar saved in United States Savings Bonds earn an extra dollar in 1 year.

From where I sit... by Joe Marsh... Sam Abernathy Holds the Line!... Folks in our town have been making mighty complimentary remarks about Sam Abernathy. In spite of talk about inflation, Sam's prices—(say, on eggs for instance)—are what they were a year ago. "Shucks," says Sam, "Don't give me credit. I get my eggs from Slim Hines' dairy farm. Slim hasn't raised his wholesale prices, because Bert Childers has kept his price the same on chicken feed. It works by mutual agreement!" And there again you have Self-Regulation, doing what no law could ever do!

ARE YOU JUST A PLAYTHING OF NATURE?... Nature may endow you with breathtaking beauty, a lovely curvaceous figure. She may bestow gifts on you that make you a brilliant actress, a leader in your class at college, sought after at dances, or a charming wife and mother. Yes, Nature may do all this. And yet you may find your face mockingly slapped if you suffer these distressing symptoms, which so many unfortunate girls and women do. Something You Should Not Joke About! So if female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel weak, restless, so cranky and irritable that you almost turn into a "be-devil" on such days—THIS IS SOMETHING YOU SHOULDN'T JOKE ABOUT. Start right away—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose. And don't forget—Pinkham's Compound does more than relieve such monthly pain. This great medicine also relieves accompanying nervous tension, irritability, those tired-out, mean "pick-on-everyone" feelings—when due to this cause. Taken regularly throughout the month—Pinkham's Compound helps build up resistance against such distress—a very sensible thing to do. Just see if you, too, don't remarkably benefit! All drugstores.
