

LOCALS.

—Its a fine little girl and Mr. R. N. Evans is happy.

—We are glad to see Capt. D. T. Ward almost himself again.

—The good roads folks received two more fine mules from Richmond Sunday.

—Rev. T. B. Justice, though very feeble preached to his congregation at the Baptist church Sunday night.

—The Military Company attended the big barbecue dinner at Henderson last Friday. They report having a very good time and a plenty to eat.

—The ice plant of Mr. R. A. Pruitt's turned out the first piece of ice Monday morning about 8 o'clock. It is now running on full time, turning out a block of ice every two hours.

—Two little boys, Alex, son of Mr. S. R. Holmes, and Claude Cooper fought a duel with rocks on Monday. However no damage was done save a few bruises and small cuts.

—Supt. Sams is quite busy getting things in shape for the opening of the graded schools which will be on September 6th. He informs us that he is expecting an increase in pupils this term.

—Mr. A. H. Vann came in from Louisburg on rough roads in his Auto in 28 minutes yesterday. Pretty good time for bad roads. Wait 'till we get good roads over the county and he will make it in a jiffy.

—The baseball team from Neuse, while enroute to Louisburg to play the team of that place on Monday, played a scrub game here between trains, the result of which was 6 to 2 in favor of Neuse. Over half of our regular team was out of town.

—The little boys ball team of Louisburg played the small boys of this place a game of ball on last Friday. The home team won by a score of 4 to 3—it being a very good game. The little fellows here haven't lost a game this season and have played more than a dozen.

—Mr. A. H. Vann performed almost if not altogether a miracle Tuesday afternoon. There is nothing strange in seeing Al, his father Mr. S. C. Vann and friends in Al's auto but the strange thing was that our clever townsman Mr. T. C. Joyner was in there and actually went to Louisburg. 'Tis so seldom that T. C. gets out of town our people think that something strange will occur when he leaves his place of business.

—Rev. Josiah Crudup was in town Tuesday on his return to Rockingham and we were informed by a member of Flat Rock church that he preached there during the revival, assisting Rev. Pippin, the pastor of that church. It was a real revival he said and Rev. Crudup did fine work preaching strong sermons. 'Tis said no man has done better work or preached better sermons in quite a long time. There was more than twenty conversions and the members were strengthened in no small degree.

O. G. Richards, Pension Agent.

It may surprise some of our readers to know that a simple case of stomach trouble, if neglected, can go so bad that it will result in cancer of the stomach. For fifteen years O. G. Richards, an attorney and pension agent at Eudora, Kan., suffered from stomach trouble, indigestion, etc., until it was feared he had cancer of the stomach. Finally he took Dr. Caldwell's Syrup Pepsin and was cured. This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by The Scoggin Drug Co., at 50c and \$1 a bottle.

Father Knows.

A gentleman was one day opening a box of goods. His little son was standing near; and as the father took the packages from the box he laid them on the arm of the boy. A young playmate was standing looking on. As parcel after parcel was laid on the arm of the boy, his friend began to fear that the load was becoming too heavy, and said:

"Don't you think you have as much as you can carry?"

"Never mind," said the boy, in a happy tone, "father knows how much I can carry."

Brave, trustful little fellow. There was no danger, he felt, that his father would lay too heavy a load on him. It is such a spirit of loving trust in him that God desires all His children to possess.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Patrick Murphy, while passing down the street, was hit on the head by a brick, which fell from a building in process of construction. One of the first things he did after being taken home and put to bed was to send for a lawyer. A few days later he received word to call, as his lawyer had settled the case. He called and received five crisp new \$100 bills.

"How much did you get?" he asked.

"Two thousand dollars," said the lawyer.

"Two thousand dollars, and you give me \$500. Say, who got hit by that brick, you or me?"

Intense Colicky Pains Relieved.

"For some years I suffered from intense colicky Pains which would come on at times and from which I could find no relief," says L. S. Mason, of Beaver Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by The Scoggin Drug Co.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommended.
