

From Castalia.

While going through your county a few days ago I was deeply impressed and will mention a few of the good people whose hospitality extended me. I was shown the fine crops, notwithstanding the absence of rain. Mr. Layton, who is an excellent manager for Mr. Green, on the old Col. Green estate, will produce 750 barrels of corn on 75 acres. Mr. Harrison, a prominent attorney of Weldon, and his wife were taking their summer outing, and one seldom encounters a typical home of culture. Franklinton is full of push and energy, and Mr. Sam Vann, owner and manager of the Sterling Cotton Mill, is the moving spirit of the town in its development, and is always looking for working for its growth and progress. She can boast of as many handsome men, charming and captivating women and more attractive homes than any town of its size in the State.

I found myself Wednesday in the comfortable home of Mr. Joe Winston of Youngsville. Mrs. Winston was a Nash county woman and knows how to make her guests feel at home. The town is growing and is supported by many of the best farmers to be found anywhere. Mr. Simon Williams, near there, is growing the finest corn I've seen and good judges of the yield will be twenty barrels per acre. These high records of farmers are seldom ever reached, and never of other leguminous crops is the cause of such marvelous crops.

I saw many Nash county tobacco planters on your opening sales, where they sell a good portion of their crops. Louisburg is a hustling and very busy town and its great volume of trade is drawn from every nook and corner of the county. The trucks, going into more than two thousand intelligent homes, is evidence of its growing popularity and usefulness. Its strong schools, hotels, splendid stores, fine legal ability and other varied industries make it equal to none in the State.

All in all Franklin is a grand old county, full of historic interest and whose yeomanry and chivalry is an every home, and in the hearts of all her citizens. Nash is your sister and neighbor and the writer is always delighted with her industrial growth and development. In her ashes mingles the dust of many true christian patriots and honest men.

Mrs. Lucy Smith, aged about 45 years, died at her home at Red Bud Monday. She was a kind mother and wife, a true and consistent church member and enjoyed the high esteem of all who knew her.

The Cedar Rock Sunday School held their second annual picnic here Wednesday. Our doors were thrown open and the many merry children and their parents returned to their homes jubilant over the success of the occasion.

Mr. S. J. Bartholomew has just bought a handsome Ford five passenger automobile. This is the first brought to our village and all seem proud of its coming.

Miss Deselle Lancaster and sister, Miss Maggie, from over in Franklin, left last week to enter Mars Hill College, in the Western part of the State.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Never Known to Fail.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years and never start out on a trip without this, my faithful friend," says H. S. Nichols of Okland, Ind. Ter. For sale by The Scoggin Drug Co.

Pocomoke Items.

There seems to be an innate principle in people which makes them like to be remembered, and we are very much pleased in this community because the road supervisors have remembered us. They have had some good work done on the roads in our section.

Mr. and Mrs. George Catlett had a reunion at their home some time ago. All the children and grandchildren were present and they spent a pleasant day together. These

earthly reunions removed us of the great reunion that will take place over on the other shore, in the "sweet by and by."

Mr. Wealy Holmes spent last week at Greystone, acting as a relief for the operator at that place.

Miss Ina Jones, of Raleigh, is visiting at Mr. G. R. Fuller's.

Miss Fannie Holmes, from near Louisburg, is visiting at Mr. Frank Holmes.

Miss Della Grissom, of Grissom, is visiting Miss Ethel Holmes.

Mrs. Florine Pease and her little daughter, Gladys, from near Creedmore, and Mr. Sydney Ray, from Rogers' Store, have been visiting at Pocomoke.

Some of our people went to the barbecue at Henderson.

Mr. Howell Cooke has been right sick for several days, but we are glad to know that he is improving.

Rev. J. D. Wicker and Rev. Mr. Lassiter held a very interesting prayer-meeting last Wednesday night at the home of Mr. W. A. Mitchell.

I am glad to see the farmers taking a little rest. Of all classes of people who deserve to be honored for their work, it seems to me that the honest farmer might head the list, for upon him we are depending for a living.

DRUSE.

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, etc. have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute," too. No tedious 20 to thirty minutes boiling. Sold by all Grocers.

For Rent

I have decided to rent my dwelling on Main street, Louisburg, N. C., and am open for the best proposition from a desirable renter for same, either furnished or unfurnished. I might entertain a proposition to rent out all the house but two rooms. This dwelling has 8 rooms nicely furnished, most of them including halls nicely carpeted. Electric lights, water and bath room, attached. It also has a fine garden and stable. Address W. T. HUGHES, Chase City, Va.
