

The Louisburg Guaranty, Loan AND Realty Company

This is the title of the company just established in Louisburg and read below what we can do for you.

REAL ESTATE. If you wish to buy a farm, we will buy it for you, and assist you in negotiating a loan to buy it, if you want time to pay for it. If you wish to sell your farm or exchange it for another, we can assist you to do that also.

RENTING PROPERTY AND COLLECTING RENTS. If you wish to rent your property, we will assist you in finding a tenant. We will also collect your rents for you if you desire, and keep the property insured and in repair.

LIFE AND FIRE INSURANCE. We will also insure your life against death, and we will insure your property against loss by fire. An insurance policy on your life will not cost much, but it would mean much to your wife and children, in case of your death. Your savings and accumulations of a life time may be destroyed in a few minutes by fire. A fire insurance policy will protect you.

MONEY. If you wish to borrow money, we will assist you to borrow it. If you have money to loan, we will place it for you on absolutely gilt edge security, and charge you not a cent. No matter what amount you may desire to place out at 6 per cent. interest on gilt edge security, whether only a few dollars, or large amounts, we will place it for you, and not charge you a cent for our services and the services of our attorney, who has made a specialty of looking up real estate titles.

WE CAN GIVE YOUR BOND. We are also prepared to give bond of certain character, and you can have this company furnish your bond, instead of asking your friends to sign your bond.

We have enumerated in the foregoing some of the services our company can render if desired. We are prepared to serve you in a number of other ways and we offer our services to the public. We began business February 1st.

TAR DROPS.

—A little hail was the result of the heavy cloud yesterday.

—W. E. White Furniture Co., have a change of ad in this issue.

—Revenue Officers came in town Tuesday with a pretty big haul in the way of team.

—Read the change of ad of L. P. Hicks in this issue. He has something of interest to say to you.

—Mr. R. B. Wicker has moved his family to town and is occupying the Jno. S. Howell residence on Kenmore Avenue.

—Mr. John C. Powell, of Inez, was in to see us yesterday and reports that he caught the "noted" fox that has been run so much around Laurel after a four hour chase on Wednesday evening.

—Mr. M. E. Blount, of the Suffolk Marble Works and W. M. Barnhart, construction foreman for the above company, arrived yesterday to begin the erection of a monument on the square of the late Mr. J. A. Thomas at the cemetery.

—In yesterday's News and Observer we noticed that the Supreme Court affirmed the decision of the lower court in the case of Bank vs. Drug Co., from Franklin. This case it will be remembered is the one in which the Scoggin Drug Co., was interested.

—Mrs. D. G. Pearce had the misfortune of being the victim of a runaway horse on Tuesday evening of this week. The runaway occurred near her home about three miles from town, and while she is very badly bruised and sore no serious injuries were received.

—The worst thing that can befall a young man is to fall hopelessly in debt, and to a young married man it is doubly dangerous. Young men, live within your income, if it is not more than a tuppence! The old maxim, "It is not what you make, but what you save that makes men rich," is as true as gospel.

—It was an editor away "out west" who received a letter from an indignant subscriber saying: "I don't want my paper any longer." To which the editor replied: "That is all right I wouldn't make it any longer if you did because in that case I would have to buy a new press. The present

length just suits me, and I am glad it suits you."

—A gentleman from near Laurel sent us the following: "Messrs Will Allen, of Louisburg, and Sid Cooper of Henderson, seem to be 'guying' each other about catching old Tom, the big fox; but it seems that the fox has turned the joke on both of them: As one of boys met him the other day and was very much surprised when the fox said, 'Mr. have you a pocket telephone?' the boy answered 'no, why?' 'I just wanted to call up Will Allen and Sid Coopers' howls and see when they wanted to have another trot."

—Talk about the advantage of your town instead of trying to figure up the disadvantages. Speak of the bright side of your business in place of the imaginary dull side. There is nothing goes without being propelled. You injure yourself, your business and your town by getting into the dumps. When your liver is out of order go to the woods or some other hiding place until you are better. The world looks blue to a man with a bad digestion. Cure yourself first and then everything else will appear all right.

—Patting up a stove pipe is easy enough if you only go at it right. In the morning breakfast on some light, nutritious diet and drink two cups of hot coffee; after which put on a suit of old clothes—or new ones, if you can get them on in time—put on an old pair of buckskin gloves, and when everything is ready to strike the fatal blow, go and get a good hardware man who understands his business. If this rule is strictly adhered to, the gorgeous 18 karat, stem-winding profanity of the present day would be diminished and the world be profited thereby.

—The success of your town depends upon the public spirit of its leading citizens. If the leading men are not willing to lay out abundantly their means, erect neat and attractive buildings, advertise largely their business and the inducements offered in their town, and are not willing to patronize home trade and all home industries, then no town, be its advantages ever so great, can expect to grow or flourish. The natural advantages are great accessories to the growth of any place, but public spirit, backed up by common sense and energy, will turn the prairie into a flourishing town or transform it into an elegant city.

—It is the truest courtesy to advertise. It is a polite invitation for people to come to your store and see you as well as your goods. It is a guarantee of fair and polite treatment to all who come. Everyone likes the polite and cordial person. Now this courtesy gets the people to your store. You should stand by your promises in the advertisement or you will get the name of one who

knowingly misrepresents for the purpose of deceiving people. That is ruin to a merchant. No man can make a better investment than to advertise, and do it intelligently in a good medium, and then faithfully stand by everything he promises to do.

A Word of Warning.

MR. EDITOR:—Please allow me space to say a few words about small pox as I, like good many others have had some doubt that the disease now prevalent in this county was real small pox and as I have lately been one of its unfortunate victims I feel that it is my duty to warn my fellow man of the real danger that is before him. Yes I have had small pox to a finish and it came very near finishing me, and now all the rest of my family who are at home have it and some are very sick, I was very sick with high fever for three days and then the fever went off, and I began to break out and kept on until there was more than one hundred blisters from my wrist joint to the end of my fingers and on my entire body I am sure there was five thousand blisters. I could not use my hands even to feed myself. I am now able to walk about the yard a little but the awful disease has left me in a feeble condition. I am thoroughly convinced that it is real genuine small pox and that it is fast making its way back to its original form. A look at the scars it left on me will convince the most doubtful mind. I advise everybody to be vaccinated at once and thereby help check the disease for no one knows the suffering it brings or the inconvenience of quarantine regulations until they have once tried it. Hoping these words of warning will keep you dear readers out of the trouble I am in, I am your

Well wisher,
FRANK M. DAVIS.

DOG LOST.

A CARD

To The Democratic Voters of Franklin County:

With the kindest of feelings toward every man in Franklin county and with no criticism to make of any one, I wish to announce myself a candidate for Clerk of Superior Court of Franklin County subject to the action of the Democratic Primary and convention. I will state that I am in no combine with any other candidate or candidates because when I ask you to support me I have gone as far as propriety will allow and I know you are as capable of selecting the other nominees of the party as I am.

Should you see fit to nominate me I shall endeavor to execute the duties of the office to the best of my ability and shall see that everybody is treated alike. Yours Respectfully,
SAM. P. BODDIE

WHAT DO YOU WANT

Every one of us has something in his mind that he wants very badly. Most of us are in the habit of thinking that this is out of our reach, because we do not have the money. Don't be discouraged by such an idea as that. The fact is that very few of our reasonable desires are out of our reach if we want them strongly enough. Apply yourself bravely. Save part of your income regularly. Then invest your money wisely with our help and advice, and your desire will be realized before you are aware of it. Get started today with a deposit in our bank. Your neighbors are trying it, and succeeding at it. You can do so as well.
