For the Legislature.

To THE EDITOR:—I would respectfully suggest, to the Democrats of Franklin county, that they nominate and elect Mr. Wiley M. Person to represent them in the next Legislature. There is no one who knows the needs, the desires, and all other interests of the people of Franklin, or who is better fitted and qualified to advance and push them than Mr. Person. He is not only uncompromising in what he believes to be right, but can be depended upon to fight for them to the last ditch. Thoroughly competent, thoroughly qualified, energetic and also a man who would command the highest respect in our Legislature hall.

I have not spoken to Mr. Person on this matter, but I feel confident that his fealty to the Democratic party, patriotism and devotion to the best interest of the people of Franklin would cause him to make the sacrifice.

CITIZEN.

All kinds of dry goods and notions at Alston Co's new store.

Biggest lot of ladies, children and men's slippers ever seen in Louisburg at Alston Co's.

ANNOUNCEMENT

To the Democratic Voters of Franklin County:—I hereby announce myself a candidate for the House of Representatives from Franklin county, subject to the action of the Democratic Primary and Convention. I am not a candidate urged by my friends to run but am running because I want the office and if the party will honor me with the nomination I will serve them and the State to the best of my ability.

J. A. TURSER.

IMPORTANT

I will be in Louisburg about the 10th or 12th of April for the purpose of castrating stallions or any other veterinary service. Parties desiring my services will write me at Brinkleyville, N. C., and I will go to their homes.

S. C. HOLDEN FOR REGISTER OF DEEDS

To the Democratic Party of Franklin County:

The Democracy of Youngsville township presents to the party of Franklin county the name of Sidney C. Holden as their choice for the nomination by the Democratic convention and Primary to the office of Register of Deeds of Franklin county for the following chief reasons, viz:

1 He is able and willing, capable and conscientious, strong and clean.
 2 By reason of his connection as Deputy Register of Deeds he is thoroughly familiar with the duties of the office, and his unflinching courtesy, untiring patience and manly bearing has won the confidence of those who have business with this office.

3 He comes from a section of the county where the great traditions of the Democratic party are held above self or self, and yet, this section has not been represented in the official family of the court house for many years.

Now we feel that we are entitled to some recognition and that we are not demanding too much when we ask your support in this behalf.

Throughout the county there has been but one objection raised against Mr. Holden and that we believe was raised three hundred years ago against the greatest prime minister England ever produced, Mr. Pitt; "The atrocious crime of being a young man." To this there is but one reply, "God give us more such young men."

For these reasons we have presented his name for your consideration. Respectfully submitted.
