Some of our farmers are delayed in planting corn on account of so much rain.

It is said that our friend John Bunch caught a cat fish that had seventeen hooks in his mouth.

Some one caught a fish in Perry's Pond the other day that weighed seven pounds, but as he had J. H. Mitchell's initials on his back he had to put him back in the pond.

Mrs. J. G. Edwards returned to her home at Wake Forest Tuesday, after a few days visit to her people here.

Mollie Perry made a flying visit to Raleigh the past week.

John Bunch killed sixteen snakes last Saturday. This is the biggest snake record we have heard of in some time.

W. C. Holmes paid Henderson a short visit Friday.

We are very glad to learn that Mr. John Mitchell is getting on nicely.

It is said that our friend Hard Fuller has caught so many frogs that he hopped over the iron bridge last Saturday.

Wishing the Times and its many readers much success.

BROWN EYES.

GOOD NEWS.

Many Louisburg Readers Have Heard it and Profited Thereby

"Good news travels fast," and the thousands of back sufferers in Louisburg are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. Henry Polston, 132 Hamilton Street, Henderson, N. C., says: "I used Doan's Kidney Pills with such great benefit that I do not hesitate to speak in their favor. Dull, nagging backaches and pains in my kidneys annoyed me for a long time

and I was also bothered by too frequent passages of the kidney secretions. I always felt tired and languid and had but little energy. Reading about Doan's Kidney Pills I procured a box and had used them only a short time before the backache and kidney weakness were disposed of. I soon regained my strength and energy and I now feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A CARD

To the Voters of Franklin County: Whereas, I have announced myself a candidate for the office of Sheriff of Franklin county, subject to the action of the Democratic primary and convention, I am aware that my nomination is entirely with the consideration of the people. You remember I was a candidate two years ago, although being defeated did not change my politics. You remember I had a card published stating that I would support the old Sheriff as I had always done, and to my surprise my opponents are men who promised to give me their support this time. All that the people is to consider the situation. My opponents are men who have held public office for several years. I have never asked the people for any office before and if elected I shall endeavor to faithfully discharge my duties as Sheriff of Franklin county.

R B HARRIS

S. C. HOLDEN FOR REGISTER OF DEEDS

To the Democratic Party of Franklin County:

The Democracy of Youngsville township presents to the party of Franklin county the name of Sidney C. Holden as their choice for the nomination by the Democratic convention and Primary to the office of Register of Deeds of Franklin county for the following chief reasons, viz:

1 He is able and willing, capable and conscientious, strong and clean.

2 By reason of his connection as Deputy Register of Deeds he is thoroughly familiar with the duties of the office, and his unfailing courtesy, untiring patience and manly bearing has won the confidence of those who have business with this office.

3 He comes from a section of the county where the great traditions of the Democratic party are held above self or self, and yet, this section has not been represented in the official family of the court house for many years.

Now we feel that we are entitled to some recognition and that we are not demanding so much when we ask your support in this behalf.

Throughout the county there has been but one objection raised against Mr. Holden and that we believe was raised three hundred years ago against the greatest prime minister England ever produced, Mr. Pitt; "The atrocious crime of being a young man." To this there is but one reply, God give us more such young men.

For these reasons we have presented his name for your consideration. Respectfully submitted.
