Closing Exercises of the Franklinton Graded School.

The Franklinton Graded School closed with last Friday night's entertainment, probably the most successful term in the history of the town. The entertainment last Friday night was the biggest ever attempted by any school here before and the successful way in which it was carried out reflects great credit on both Superintendent Sams and his able assistants. This is Prof. Sams last year with us. He leaves for Fitzgerald, Ga., where he goes to take charge of the school at that place the coming year. This was his fourth year with us and our people were very reluctant to give him up, he having won the hearts of both parent and pupil, who wish him success wherever he goes. The School had the largest enrollment this year in Franklinton's school history, having enrolled 240 children and the census numbers about 300 in the district. Of this number 23 were not absent a day or tardy a single time during the term. It is now

possible for any boy or girl in the county who are in the advanced grades to enter school here free of any tuition.

Thursday night was given to a recital of Miss Vines' music class which gave evidence of great and good work by the instructor.

FRIDAY.

The exercises Friday morning at 11 o'clock were as follows:

1. Song, Voices of the Woods, by the school.
2. Prayer, by Rev. W. W. Rose.
3. Chorus, the nightingale and the rose.
4. Address, by Prof. J. B. Carlyle, of Wake Forest College.
5. Chorus, The Millers Wooing.

Prizes then were awarded the twenty-three children who were not absent or tardy during the term, by Rev. G. P. Harrell, as follows: Maggie High, Lena Gill, Lector Ray, Rebecca Wester, Lena Ethridge, Mianie Ransdell, Elinor Winston, Maybeth McGhee, Laura Hopkins, Paul Ethridge, Crawford Kearney, Jamie Cooper, Janie Pearce, Estell McGhee, Fannie Bell Boykin, Kelley May, Paul High, Lallie Blackley, Fred Morris, Willie Mae Sams, Ruth Blackley, Sidney High, and Lizzie Boykin. After which "The Old North State" was sung by the school, which closed the exercises until Friday night at 8:30 o'clock when "The Crystal Ball" was presented by over 150 children of the school. The chapel with a seating capacity of about 400 was taxed to its utmost. Standing room being at a premium and several were turned away. Three fourths of the seats were sold before 6 o'clock Friday. About \$130.00 was received which will be used for the improvement of the school.

The address by Prof. J. B. Carlyle was one of much interest to our people. His speech was an able one and will be long remembered by the large crowd that had gathered to hear him.
