**TAR DROPS.**

—An automobile party from Castalia visited Louisburg this week.

—Only wind is needed to spread rumors but for reliable news you must read your home paper.

—The banks of Louisburg will be closed today on account of observing Decoration day.

—And its Friday morning and this old world is going right on as if nothing had happened.

—The brick work on P. A. Reavis' large wholesale building near the depot has been started.

—The raising of blooded chickens is now attracting about as much interest among farmers as cattle and hogs.

—The whipping post should be set up in every county jail for men who beat their wives and unmercifully beat horses.

—J. S. Cobb went out to Ingleside on Saturday and installed four gasoline incandescent lights in O. S. Macon's store.

—Right many of our people sit up to see the comet Wednesday night, but from what we can learn, were disappointed.

—The baccalaureate sermon will be preached at the Methodist church on Sunday morning, May 22nd, 1910 at 11 o'clock by Rev. G. B. Strickler.

—Allen Bros. have secured the services of the convicts and are having the mill hill in front of the depot graded preparatory to erecting a large business block in the near future.

—The Pickwick Amusement Co., have revived the old Gem theatre and are presenting some very good pictures. We understand the attendance and the performances are both good.

—Rev. A. S. Barnes, of Oxford, will preach at Leah's Chapel on 5th Sunday morning at 11 o'clock and at Prospect in the afternoon at 4 o'clock. The public is cordially invited to attend these services.

—No place else on the globe will you find as big-hearted, generous and noble people as reside in this old town. They are not much on dress parade. They do not wear silk stockings and silk hats but they have hearts as big and warm as ever pulsed in human breasts.

—The big sale of F. N. & R. Z. Egerton attracted great crowds all day Wednesday. In the morning for a short while before they opened up the streets in front of the store were crowded and when the door was opened it was who could push the most got in first. We understand the sales have been very satisfactory and that the goods are being sold very cheap. Read their advertisement on our last page.

—Work is a great blessing. You can not see now but some day you will say that you were fortunate in your boyhood days because you were compelled to work. Because you cannot get power to do things save by doing them. Look over the successful men you know. Get their history. Nearly everyone was compelled to work in boyhood. They toughened their muscles by hard work and sharpened their brains by looking out for themselves.

**Mr. W. A. Jones Seriously Injured.**

On Saturday evening while standing near Allen Bros. store on Nash street Mr. W. A. Jones, of near town, was run over by a pair of runaway horses belonging to M. S. G. Parson, and was seriously injured. He received a cut about the head and was caused to bite his tongue almost on besides other minor injuries. We have not been able to learn what caused the runaway but the horses started near the college and in turning up Nash street they took the sidewalk. Mr. Parson to-

gether with two of Mr. W. H. Allen's little children were in the buggy and were thrown out, but received only slight injuries. The last reports from Mr. Jones is that he is getting on nicely.

**The Primary.**

The primary at Louisburg was held on Saturday and general good feelings prevailed. A greater interest in the primary than heretofore was evidenced by the many who attended and took an active part. The delegates selected to the county convention from Louisburg township were A. W. Alston, W. H. Allen, F. N. Egerton, J. R. Perry, Alphonso Sherrod, K. P. Hill, W. M. Per son, J. M. Allen, W. E. Uzell, Blount Egerton, Frank Ballard, W. J. Cooper, W. E. Tucker, J. J. Lancaster, W. H. Furguresa. The selection of the delegates from this township was made by the different candidates in accordance with the vote cast for them by the people.

**Badly Hurt.**

On Friday night while making some repairs on an arclight at the power house Mr. J. M. Person came near losing his life. It seems as if he had turned the current on the lamp and was called off, when returning he forgot about the current being turned on and caught hold of the lamp with his right hand and received 2200 volts through his right arm. He was knocked unconscious for awhile and the current burned his hand very badly. We are glad to note however, that he is improving very rapidly.

**Important.**

All the members of Louisburg Chapter, No. 26, R. A. M., are urged to attend a special convocation on Friday night (tonight), called for the purpose of adopting the By-Laws for this Chapter.

J. J. BARROW, W. P.

**J. R. Collie Made Chairman.**

Immediately after the adjournment of the County Convention the Democratic Executive Committee of Franklin County met in the Opera House. The meeting was called to order by Chairman Barrow, who stated that owing to his office work requiring all of his time must he resign as Chairman of that Committee. His resignation was accepted with much regret upon the part of the members. The Committee then proceeded to elect a man to fill this vacancy. Mr. J. R. Collie's name was placed before them and was elected by acclamation. After other matters had been attended to the Committee adjourned.

The selection of Mr. J. R. Collie as Chairman of the Democratic executive Committee of Franklin county was a wise one, as he is fully capable of filling this most important position.
