What to Teach Girls.
Teach them to spend within their income.
Teach them good common sense, self-help and industry.
Teach them that good health and a bright face is better than any cosmetic.
Teach them how to purchase and see that the account tallies with the purchase.
Give your girls a thorough education. Teach them to cook and prepare the food for the household.
Teach them to wash, to iron, to darn stockings, to sew on buttons, to make their own dresses.
Teach them to wear a calico dress that is paid for with more comfort than a silk one which is still owing.
Teach them that marrying a man without principle is like putting to sea without compass or rudder.
Finally teach them that matrimonial happiness depends not on wealth, nor on appearance, but on personal character.
