## LOUISBURG PLAYS BALL

### A SERIES OF GAMES WITH FRANKLINTON.

The Games, Generally, Very Interesting—Both Teams Composed of Boys Who Understands Playing Ball.

The Louisburg amateurs went over to Franklinton on Friday and played a game of ball on the latter diamond. This game proved to be very interesting as it was exceedingly close up until the seventh inning when Louisburg took the lead by scoring three runs. The playing was very good on the part of both teams but the special features of the game was the fine catch of Taylor; when he went up in the air and took in a high fly with one hand driven out by "sunny" Jim. Turner, and the all round playing of Tracy. The game resulted in a score of 6 to 5 in favor of Louisburg. Hedgepeth, for Louisburg, allowing nine hits, struck out four and gave two bases on balls, while McKeithan allowed 11 hits, struck out fourteen and gave one base. Those making two-base hits were J. Turner, Tracy, Taylor, Hedgepeth 2. Stolen bases Prum, Winston, H., Benbow, Tracy 2, Stone. Louisburg left eleven men on bases for Franklinton, and only received a compliment of nine in return. Batteries; Franklinton, McKeithan and Stewart; Louisburg, Hedgepeth and Poole. Score by innings:

R. H. E.  
Franklinton 000 030 011—5 9 4  
Louisburg 000 200 310—6 11 4

On Monday the small boys played a game with the small team of Oxford on the local diamond here in which they succeeded in taking by a score of 6 to 4. This was a very pretty game for the small boys and was much enjoyed by the many present. Batteries; Louisburg, Hale and Hart; Oxford, Meade and Harris.

At the park on Tuesday was the scene of another game between the strong teams of Louisburg and Franklinton, which proved to be the most interesting one they have played in some time. In the first inning Stewart made a home run for the visitors after which they were shut out in all the remaining eight. Louisburg made one run in the first inning and tied the score. The game then resulted in a hard fought battle, it seemed, to shut the other fellow out, which was very successfully done until the last half of the ninth inning when, with two men down Hedgepeth went to the bat for Louisburg and landed the first ball to deep center, far beyond the reach of the eager fielders for the opposing team, and made two bags safely. He was followed by Lee, who in token of his love for the sport, drew back his bat and met the twirling nisse, with the result that it too seemed to want to get out of the game and landed in deep right which scored Hedgepeth from second, leaving the score 2 to 1 in Louisburg's favor. In this game Stone allowed four hits and struck out seven, while Shore allowed six hits and struck out six and gave one base. Sacrifice hits made by S. Turner, Hedgepeth, Poole, Hale, Riddick and Shore. Batteries; Franklinton, Shore and Riddick; Louisburg, Stone and Poole. Score by innings:

R. H. E.  
Franklinton 100 000 000—1 4 3  
Louisburg 100 000 001—2 6 1

Louisburg went over to Franklinton again on Wednesday and in this game was defeated in a score of 10 to 5. On account of Hedgepeth's arm being sore Daniels, who has been playing third base, was put in the box, and, although he lost his game he did fine work. The game

was not of much interest and was an easy one for Franklinton. Batteries; Louisburg Daniels and Poole; Franklinton, Shore and Riddick. Score by innings:

R. H. E.  
Franklinton 004 501 00x—10 6 4  
Louisburg 002 001 020—5 6 5  
Louisburg lost to Franklinton in yesterday's game in a score of 9 to 7.

The following is the schedule of these teams for the next week: Friday—Louisburg at Franklinton; Monday—Franklinton at Louisburg; Tuesday—Louisburg at Franklinton; Thursday—Franklinton at Louisburg; Friday—Louisburg at Franklinton. There will, no doubt, be special trains run from Louisburg to Franklinton on the days Louisburg plays there.

## ROGERS-AYCOCKE

### Pretty Wedding Ceremony Wednesday Morning.

The Methodist church was the scene of a pretty wedding ceremony on Wednesday morning when Mr. Herbert Townsend Rogers and Miss Glenn Haywood Aycocke were made man and wife.

The church had been beautifully decorated with pink, white and green which scheme was in evidence throughout the ceremony, and a large crowd had gathered at the church to witness the occasion. Promptly at ten o'clock the bridal party arrived, which was announced by Miss Lynn Hall, who sweetly sang "When Love Abides," after which the bridal party entered to the strains of Mendelssohn's wedding march, beautifully rendered by Miss Katie Furman, in the following order: First came the ushers Messrs C. W. High and E. B. Hart, up the right aisle, and S. P. Boddie and A. A. Clifton, up the left aisle, after which came the bridesmaids and groomsmen, the ladies entering by the left aisle and the gentlemen by the right as follows: Miss Kate High and Mr. J. B. Fort, of Mullins, S. C., Miss Claude Aycocke and Dr. Cole, of Dyersburg, Tenn., Miss Martha Laird Roberson, of Haw River, and Mr. Chas. P. Bryan, of Nashville, Tenn., after which came the bride with her maid of honor, Miss Ava Aycocke, a sister of the bride, and the groom with his best man, Mr. J. G. Patterson, of Chester, S. C. The party took position inside the chancel in a very pretty style where the solemn vows were administered by Rev. J. M. Rogers, of Marion, S. C., brother of the groom. The ceremony was a very pretty one and was impressive throughout.

The bride was beautifully gowned in white messaline satin trimmed with real lace and pearls, with veil of white tulle and lilies of the valley and carried a shower bouquet, of bride's roses and lilies of the valley.

The maid of honor wore imperial satin with veil and carried astors. The bridesmaids wore white lingerie with tulle veil, and carried white prayer books. The groomsmen wore full dress.

The bride was a daughter of the late M. H. Aycocke, one of Louisburg's leading citizens and has a host of friends here who wish for them a long and happy life.

Those from a distance who attended the nuptials were Miss Nancy Renn, of Durham, L. Sneed Sasser, of Durham, Mrs. M. G. Aycocke and Miss Mamie Aycocke, of Warren. The bride left on the 11:30 train for an extended tour through western North Carolina.

## Need of Companionship.

Companionship is the one thing in the world which is absolutely essential to happiness. The human heart needs fellowship more than anything else—fellowship which is elevated and enduring, stronger and purer than itself and centered in that which death cannot change.—Henry Van Dyke.

## MEMORIAL TO BILL NYE

### BE \$5,000 BLDG. AT STONE-WALL JACKSON TRAINING SCHOOL.

### Committee Appointed by North Carolina Press Association

Decides That the Memory of The Lamented Humorist Shall Be Honored in a Practical Manner.

The committee appointed at the recent meeting of the North Carolina Press Association to take up the matter of a State memorial to Bill Nye, met in Salisbury, Wednesday, July 6th, in formal session, and after hearing all the propositions before it unanimously decided:

1. That the memorial building to the lamented humorist shall take the form of a memorial building, to be one of the group and a part of the Stonewall Jackson Training School, generally known as the State Reformatory, in Cabarrus county, near Concord.

2. That the building, furnished and equipped as the trustees of the institution may direct, to the best advantage for the rescue of errant boys, shall cost not less than \$5,000, and shall be known as the "Bill Nye Memorial Building."

3. That the following newspapers be designated to receive and acknowledge subscriptions to the fund for this building, said funds to be transmitted promptly to the treasurer, John M. Julian, Editor of The Salisbury Post:

The Observer, Charlotte.  
The Evening Post, Salisbury.  
The Citizen, Asheville.  
The News and Observer, Raleigh.  
The News, Greensboro.  
The Star, Wilmington.  
The Uplift, Concord.

4. That while the committee believes that this memorial should be distinctively North Carolina's tribute to the lamented man of letters, it deems it wise, in order to ensure the prompt success of the movement, and further to permit the friends of Bill Nye outside the State an opportunity to contribute to this movement, that contributions from outside the State should be gratefully received and acknowledged, while not solicited.

The committee believes further that it made a wise and happy selection in the form of this memorial; that nothing it might have conceived would have brought greater joy to the heart of the gitted, kindly man whose memory it is designed to perpetuate, than the great work of making useful citizens of wayward boys, and that were he present with us in the flesh today it would have the stamp of his approval. Furthermore the committee bespeaks the hearty co-operation of the brethren of the press especially, and all good citizens generally in this undertaking. It is a labor of love—one that has already been too long neglected, to the shame of North Carolina. Let us put our shoulders to the wheel and show to the world what North Carolina can do for the man it delights to honor.

James H. Caine, Chairman,  
John M. Julian, Treasurer,  
R. W. Vincent, Secretary,  
Robert H. Boyden,  
Committee.

[We have been requested to open a subscription list in our columns for the above Memorial, so all persons in Louisburg and Franklin county wishing to do so may send their contribution to the TIMES and proper record will be made thereof.—EDITOR.]

## A Voter at Least.

Aunt Spinstery—I hope that your opinions uphold the dignity of our sex, Mamie, and that you believe that every woman should have a vote?

Mamie—I don't go quite so far as that, auntie; but I believe that every woman should have a voter!—Human Life.

## Soil Feeding or Soil Robbery.

In every well considered system of farming there is a constant return to the soil of the products take from it. Every good crop rotation is planned with this idea of returning to the soil on which they grew just as much as possible of the plant food removed by the crops. And this means that in a good farm rotation the growing of crops to feed to live stock is made a leading feature.

If a farmer took away from the land all that he grew upon it one year with another, it would be only a question of a few years until any ordinary soil would be unable to yield enough to pay him for the labor of making the crop. On the other hand, by judicious rotation, the feeding of live stock, and the purchase of such commercial fertilizers as are actually needed; he may continue to build up his land and at the same time grow upon it large crops every year.—Progressive Farmer and Gazette.

## Don't Stop.

We regret to see a disposition on the part of a few of our young people to quit school. Stay at school another year or two, and don't be as ailed of what ought to be your glory, that you want to learn more. Step from the district school to the high school, from the high school to college if you can. Get a business education by all means—you will never learn too much. If you desire to become a mechanic instead of an engineer or farmer, an education will not unfit you to become either. It will always be capital bearing a large income of interest.

"When home and lands are gone and spent, Then learning is most excellent."
