Braxton Bragg Killed.

News reached here Monday morning of the killing of Braxton Bragg by Lawrence Davis at the home of Elias Allen in the edge of Granville county about 8 miles west of here Sunday night about 12 o'clock. It seems that Davis and Bragg had both gone to Allens and were the best of friends, but both had been drinking very freely of wine with which they were well supplied, and a woman at Allens of which Davis was very fond, wished Bragg to leave which Bragg did not see fit to do and Davis was appealed to to run him (Bragg) off by the woman, which Davis proceeded to do, this causing the trouble. Previous to this both parties had fired some shots having a good time, and it seems that Bragg did not wish to have trouble with Davis, telling Davis to "let's go out and make it up." They left the house and Bragg was about to hand the negro, who came with them, some wine, when he was shot through the head by Davis killing him instantly. Davis then proceeded to take a nap, laying down about 25 or 35 feet of Bragg's dead body and slept (as did the balance of Allen's family) until the arrival of Dr. Sykes. Davis then left, returning later when he was arrested by Bragg's two brothers. An inquest was held Monday and Davis was held without bond to await the action of the next grand jury. Bragg is very well known here.

Death of J. W. Fuller.

It was on last Wednesday evening at six thirty o'clock when God saw fit to call from us our loved one after a long illness. He was taken with paralysis on Monday evening at five o'clock. He was the father of twelve children—ten living and two dead; twenty-four grandchildren, twenty-one of them living and three dead. All of the children but one and all the grandchildren but two were at home to pay their last respects.

He was married the 15th day of September 1861 to Sarah Annie Wiggins, daughter of Howard Wiggins, he was a son of Rev. Solomon Fuller. He died September 7th, 1910. He had been a member of Oak Level Christian church about 48 years and had been a member of the Masonic Order about 36 years and at the time of his death was a Master Mason. He lived to be the oldest member of his family and was a faithful husband and true father. He was a friend and neighbor and was always ready to offer his service in sickness and every other way that would be any help. He leaves a wife, six girls and four boys to grieve after him.

His remains were interred in the family burying ground at his home near Louisburg Thursday evening at four o'clock, September 8th, Rev. F. B. Noblitt conducting the funeral services at the house and then the Masons took his body in charge for burial.

MEN and LETTERS

Are First Judged by Their Appearance

ATTRACT ATTENTION—With a letter that is neat and you can interest a man in what you have written. There is as much difference in letters written on a new typewriter and those written on an old machine as there is between a gentleman well dressed and a ragged tramp.

You Can't Get Results Unless Your Letters Look Good.

THE VICTOR TYPEWRITER is a valuable asset to any business; it is the machine that does the neatest work with the greatest speed and ease. Suppose you write for the catalogue and general typewriter information.
