

TAR DROPS.

—Its a fine boy and W. N. Fuller, Jr., is "kicking the cats out of dad's way."

—Quite a number of business changes will take place in Louisburg next year.

—Work on the new residence of J. A. Turner on Main street is progressing rapidly.

—Rev. A. J. Parker preached at the Baptist church on last Sunday night at 7 o'clock.

—The hour for services in the churches here at night has been changed from 7:30 to 7:00 o'clock.

—Mr. James R. Bunn has accepted a position with Ma. J. S. Howell in the furniture business.

—Judging from the fireworks a few of our people have felt the Christmas spirit the past week.

—There is a town law in regard to cattle, horses and hogs running at large on the streets, which should be enforced.

—"Sheriff Boone" and "Register of Deeds Yarborough" are expressions that are not altogether acclimated as yet.

—Mr. Frank Davis brought us a six and a quarter pound turnip the past week. It is the prettiest specimen we have seen yet.

—The decorations in the Scoggin Drug Co. and Beasley Alston Drug Co., are very pretty and will serve as a reminder that Christmas is on its way.

—We have been told there is a law to prevent the obstruction of side walks in Louisburg, but one would not think so by looking at our streets.

—If each of us would abstain from throwing tin cans and waste papers in the alleys and empty lots, the appearance of the neighborhood would be greatly improved.

—The hour for Sunday School at the Methodist church has been changed from 8 o'clock in the evening to 9:30 o'clock in the morning, beginning with next Sunday.

—The fact that you take the paper out of the post office, either binds you to pay the subscription or be liable to Uncle Sam for a violation of the postal laws.

—R. A. Pearce is acting Night Police since Nigh: Policeman Harris was shot. Harris is getting along nicely and will no doubt be able to enter upon his duties in a short while.

—We received several lots of items the past week relative to matters that would transpire this week throughout the county and regret to say that they were received too late for publication last week.

—There is no doubt but that it would give general satisfaction to our people if an auction house would be established and used in Louisburg. By this means it would prevent, in a great measure, the blocking the streets.

—News was received here Sunday to the effect that Mrs. Wade Harris, of Mapleville, took some poison accidentally on last Saturday evening. Assistance was immediately called and at present she is doing well.

—We are requested to state that the members of Louisburg Chapter, No. 28, Royal Arch Masons are expected to meet in their hall to-night at 7 o'clock prompt. Important business before the chapter.

—We owe several of our job patrons an apology for not being able to deliver their work when promised this fall, but we have experienced several strikes by employees whose conception of the right was to quit without notice. However we are at work for new ones and will have them in in a few days.

—There are some boys in Louisburg who charge their ill luck to not being able to do better. There are lots of opportunities for every boy in Louisburg if they would only consider that their employer had any rights in connection with their work.

TAFT APPOINTS JUDGES.

President Taft, on December 12, 1910, sent his appointments to the senate as follows:

For Chief Justice United States Supreme Court—Edward Douglas White, of Louisiana, a democrat.

For Associate Justices of the United States Supreme Court—Joseph R. Lamar, of Georgia, a democrat; and Willis Van Devanter, of Wyoming, a republican.

Wonder what the Southern republicans now think of Taft since he has again by his actions said there were no republicans fit for the place.

O. P. Wortham, Henderson, N. C., says: "From personal experience, I know Doan's Kidney Pills to be an excellent kidney remedy and worthy of recommendation. For some time my kidneys were badly disordered and I was caused much annoyance by too frequent passages of the kidney secretions. I also suffered a great deal from backache and sharp pains across my loins, but was at a loss to know how to obtain relief until Doan's Kidney Pills were brought to my attention. Procuring a box, I used them and they quickly corrected the difficulties. I have had no backache or other symptom of disordered kidneys since."

NOTICE

J. O. Beasley & Son, of Ingleside wish to announce that they intend going out of business after this year and they want to sell their entire stock of goods at once. This is one of the finest stands in one of the most prosperous communities in the State and anyone wishing to make a change or to do a mercantile business would do well to call and see them. The store house is well arranged and plenty of room being 30 feet x 50 feet and has two floors. They have done a cash business of over \$6000 this year with a capital of about \$1000. The only reason for selling is that the work is too confining for their health. They prefer to rent the store house for any number of years, but would sell it if anyone wishes especially to buy it. The house is well lighted with gas-line lights.
