

More About the Prizes for Bible Study.

The object of the International Press Bible Question Club is to promote, through the press, thought and investigation on the teaching of Scripture in connection with the International Sunday School Lessons.

To this end some very valuable prizes are offered on very simple terms. There is to be given to the FRANKLIN TIMES readers in connection with the other papers that join the I. P. B. Q. C. during the current three months fifty prizes, viz. **Five solid gold medals, five sterling silver medals, five teachers' Bibles, worth \$5.50 each, thirty five copies of "The Heart of Christianity," price \$1.50 each.** This book is said to be the best thing written in this country, on the vital subject. The gold and silver medals are beautifully engraved with an emblematic design, and the name of the winner will be engraved on the reverse side. It will be no small honor to be a gold or silver medallist in this great international organization. Any person who takes up the simple course of study stands a good chance of receiving that honor.

The simple conditions are: (1) That commencing April 21 the International Sunday School Lessons must be read and "The Suggestive Questions" for 52 consecutive weeks, and a coupon should be cut out of this paper each week and signed, certifying to the reading; (2) Must answer in writing any five of the questions that are indicated to be so answered, getting help from any source, if that is necessary; (3) Within one week of the close of the contest must deliver to this office all the coupons which have been cut out, together with the five written answers. The prizes will then be awarded to those who hand in the greatest number of coupons. If two or more send in an equal number of coupons, the tie or ties, will be broken by an examination of the written answers, and the prizes will be awarded to those who get the highest number of marks from an impartial examination of the answers.

Terrible Train of Troubles.

Lake Charles, La.—Mrs. E. Fournier, 516 Kirby street, says: "The month before I took Cardui, I could hardly walk. I had backache, headache, pain in my legs, chills, fainting spells, sick stomach, dragging feelings, and no patience or courage. Since taking Cardui, I have no more pains, can walk as far as I want to, and feel good all the time." Take Cardui and be benefited by the peculiar herb ingredients which have been found so efficient for womanly ills. Cardui will relieve that backache, headache, and all the misery from which you suffer, just as it has done for others. Try Cardui.
