diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and silows the maledy to get a firmer hold on you. Liniments may ease the pain, but they fill no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Telted in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide gots at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c and 51 a bottle.
