

**MUSHROOM CORNS**

Most Painful of All Foot Ailments.  
How to Cure Them.

The Mushroom corn is so called from its pitted cone top, resembling a tiny mushroom. It burrows deep into the toe and gets more inflamed than other corns. For the quick relief and cure of these and all corns and callouses the following is the most effective remedy known to science:

**Dissolve**  
2 tablets of Calocide compound in a basin of hot water. Soak the foot in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) All soreness instantly disappears and the corn or callous can be easily peeled off. It may be necessary to repeat this for a number of nights for a complete cure, but if adhered to it will surely succeed. A little olive oil rubbed on the part is very beneficial. This Calocide is a very remarkable preparation for all foot ailments and is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually sufficient to put the worst feet in fine condition. Bad smelling feet and tender feet need only a few treatments, likewise with inflamed bunions. This item will be welcomed by persons who have tried ineffectual powders and tablets.

**Suggestive Questions**

On the Sunday School Lesson by Rev. Dr. Linscott for the International Press Bible Question Club

Copyright 1911 by Rev. T. S. Lincoln, D. D.

MAY 28th, 1911.

Micah's Picture of Universal Peace. (An International Peace Lesson.) Micah iv:1-8.

Golden Text—Nation shall not lift up a sword against nation, neither shall they learn war any more. Micah iv:3.

- Verse 2—What are your ideas concerning the millennium?
- What institution today stands as a mountain above every other institution?
- When will Christianity probably sway the hearts of the nations, so that her beneficent laws will dominate them?
- What are the influences at work today which make for the Christianization of the nation?
- Verse 2—What can churches and individuals, do more than they are doing, to make the nations of the earth Christian?
- Verse 3—When will nations begin "to beat their swords into plowing shares, and their spears into pruning hooks?"
- There probably never was a time when the civilized nations were spending as much money on their armies and navies as now, or were more thoroughly prepared for war, what does this indicate as to the coming of universal peace?
- What is probably the cost per annum of (1) the standing armies, (2) the navies of the civilized nations?
- If fifty per cent of the vast sum spent in preparation for war were spent in educating the nations in the folly of war, and in the sufficiency of arbitration to settle disputes, how many years would it take to accomplish?
- What would be the effect if the universities of the world were to establish chairs for teaching the folly of war, and the morality, and economics of peace?
- When did you last listen to a sermon from your pastor on the crime and folly of war?
- To what extent is the Christian church responsible for the present insane preparation for war?
- If Jesus were now in the flesh and addressed public gatherings, what would he probably say about present day war preparation? (This is one of the questions which may be answered in writing by members of the club.)
- Verses 4-8—If the nations of the earth were to disarm and make a treaty of perpetual peace, what would be its economic, its social, and ethical effect?
- What effect would perpetual peace have upon the evangelization of the world?
- What can we do more, to arouse the average man to a realization of the stupendous folly and crime of war?

Lesson for Sunday, June 4th, 1911. Israel's Penitence and God's Pardon. Hosea xiv.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

**Are You a Woman?**  
Baltimore, Md.—Mrs. W. H. Ison, at 1419 East Madison street, writes, "For several years, I suffered, off and on, from female troubles, until finally I was taken down and could do nothing. The pains I experienced, I shall never forget. I lost weight till I was only skin and bones. I believe I would have been in my grave, if I had not tried Cardui. I shall praise it as long as I live." Many women, like Mrs. Ison, are weak and discouraged, on account of some painful ailment. Are you one of these sufferers? Cardui will help you. Try it today. Any druggist.

**RIGHT WAY TO ADVERTISE.**

When Started Keep at it and Be Truthful.

One of the main troubles with some business men is that they are afraid to invest a little money in printer's ink. He is a dull business scholar indeed who considers money spent for live and aggressive advertising as thrown away or mispent. Judicious and well directed advertising always brings returns, provided the advertiser is perfectly honest with himself and his customers and backs up his advertising by doing exactly what he says he will do. Any advertising that is purposely intended to fool and defraud the people will invariably fall flat and rebound upon the advertiser's head. Honesty with the public and persistence of effort furnish the key note of all successful advertising. In other words, the advertiser must first win the confidence of the public and then strive to keep it by fair and square dealing with everybody. Satisfied customers are a mighty force in backing up the business man's advertising. Honesty in advertising is of just as much importance to the business man as a clean record at the bank. Never try to deceive or mislead a customer through an advertisement. Tell the people candidly what inducements you have to offer them in the way of business, and then make good with them. Once started, keep up the lick as regularly as the clock, and watch your business grow. The most successful and prosperous business men everywhere are the most extensive, persistent and truthful advertisers. When a bright young man, seeking to distinguish himself in life; enters any of the professions he does not take as his pattern some slow, sleepy-headed fellow who has been content to remain near the bottom of the ladder, but he prefers to follow in the foot steps of the more aggressive and successful men in that particular profession. Just so with the young man who is entering upon a business career. If he hopes to succeed he must first of all learn to pattern after the most successful men in his line, and it is a fact which no man can successfully contradict, that the most successful merchants everywhere have been, and still are, the largest and most regular advertisers. — Henderson Gold Leaf.

Sick headache results from a disordered condition of the stomach, can be cured by the use of Chamberlain's Stomach and Liver Tablets. Try it. For sale by dealers.

**Might be Dead Today.**

Garden City, Kas.—In a letter from Mrs. James Hanner, of this city, she says, "I firmly believe that I would not be alive today, if it were not for Cardui. I had been a sufferer from womanly troubles all my life, until I found that great remedy. I feel that I can't praise it too highly." Are you a woman, suffering from some of the troubles, to which a woman is peculiarly liable? If so, why not try Cardui, the woman's tonic? You can rely on Cardui. It is purely vegetable, perfectly harmless, and acts gently but surely, without bad after-effects. 'Twill help you. Ask your druggist.

**Criminal Courts Here And in Italy.**

The Italian court that is trying those Camorristas has a queer way of doing things, according to our Anglo-Saxon ideas. The Court seems nervous and allows the prisoners in the cage to act in the most unseemly manner. At every untoward incident the court adjourns. When an extra outburst of excitement occurs, either of the prisoners or the witnesses, the sitting of the court is "suspended in confusion." It may be slight according to the Roman law, but, as we would judge the matter, nothing is done "decently and in order." From the language used by the prisoners one would think that after suspension of the court in consequence of confusion it would be a good idea to order in the fire department and turn the hose on the foul-mouthed prisoners until they cry enough and promise to behave better in the future.

**Getting Ready For the Start.**

We know of many who are all in trim for the start in the Bible contest, which commences next week. There are, however, many from whom we have not heard, and it is time they got into line. The FRANKLIN TIMES is a prime necessity, and unless you order at once you may be left without a paper from which to cut the coupon certifying that the necessary reading has been done. There is one coupon in a paper, so that a copy is essential for every competitor. If you have not already ordered the paper, you had better do so, and if you have; what better blessing could you confer upon some friend than by inducing him or her to take up this easy Bible study course and sending the FRANKLIN TIMES during the term it covers? Think about this and "do it now." We take this opportunity of thanking the large number who have spoken words of appreciation for giving the people of Louisburg the opportunity of reading these "Suggestive Questions," and for the course of Bible study as previously outlined. A revival of Bible study promoted by the secular Press is causing all good people to rejoice. Use the attached coupon for yourself or a friend.

The farmers business often needs a little extra financial backing if it is to grow and prosper. That is one reason why he should have a strong and willing bank behind him. It is an important function of this bank to give temporary assistance to farmers who seek it of us, and who have demonstrated their ability to repay obligations when due. The best way to establish a credit here is to carry an account with us, and we cordially invite not only the farmers but every one who wants to gain ground financially, to do so.
